Credit for Maine Shipbuilding Facility Investment – Evaluation Parameters

Approved April 14, 2023

The Government Oversight Committee (GOC) considered proposed evaluation parameters for OPEGA’s full evaluation of the Credit for Maine Shipbuilding Facility Investment and received stakeholder input on March 24, 2023. The GOC voted to approve the following evaluation parameters, pursuant to 3 MRSA §999(1)(A) on April 14, 2023.

Purposes, Intent or Goals
1. To create and retain jobs in the shipbuilding industry in this State by providing an income tax credit to reduce the cost of investments in shipbuilding businesses and thereby encourage investment in shipbuilding businesses and improve the competitiveness of this State’s shipbuilding industry.
Intended Beneficiaries
<u>Directly:</u> eligible businesses making investments in shipbuilding facilities in Maine <u>Indirectly:</u> job seekers
Evaluation Objectives
<ol style="list-style-type: none"> 1. The fiscal impact of the tax expenditure, including past and estimated future impacts; 2. The extent to which the design of the tax expenditure is effective in accomplishing the tax expenditure's purposes, intent or goals and consistent with best practices; 3. The extent to which the tax expenditure is achieving its purposes, intent or goals, taking into consideration the economic context, market conditions and indirect benefits; 4. The extent to which those actually benefiting from the tax expenditure are the intended beneficiaries; 5. The extent to which it is likely that the desired behavior might have occurred without the tax expenditure, taking into consideration similar tax expenditures offered by other states; 6. The extent to which the State's administration of the tax expenditure, including enforcement efforts, is efficient and effective; 7. The extent to which there are other state or federal tax expenditures, direct expenditures or other programs that have similar purposes, intent or goals as the tax expenditure, and the extent to which such similar initiatives are coordinated, complementary or duplicative; 8. The extent to which the tax expenditure is a cost-effective use of resources compared to other options for using the same resources or addressing the same purposes, intent or goals; and 9. Any opportunities to improve the effectiveness of the tax expenditure in meeting its purposes, intent or goal.
