**Statement of Fact**

This financial order allots a portion of the estimated unencumbered balance forward in the Commission on Governmental Ethics-Fees account to enhance and support the information technology systems. The information technology systems allow members of the public to understand what interests fund lobbying and political campaigns to influence Maine state government. Failure to approve this financial order will have a detrimental impact on the Commission's ability to fund sustainable application upgrades to provide these legally required services.

Be it further ordered,  
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2026", for which this shall be our sufficient warrant.

**Statement of Fact**

This Financial Order will allot the expected remaining balance of Maine State Housing Authority's Rural Affordable Rental Housing Program, which was established to create affordable rental housing units for families and individuals, seniors, and persons with special needs in areas that are outside of the reach of the Low Income Housing Tax Credit program. Failure to allot these funds will prevent the department from meeting its outstanding obligations, fully expending this funding, and improving economic equity in rural areas of Maine.

 that the State Controller increase allotment in account 014-10A-Z219-22, Riverview Reimbursement, by \$11,931 in the Capital Expenditures line category and decrease allotment in account 014-10A-Z219-22, by \$11,931 in the All Other line category; and,

**Statement of Fact**

This financial order allots a portion of the anticipated unencumbered balance forward to fund the purchase of one zero-turn mower for the Riverview Psychiatric Center (RPC). Currently, RPC does not have a dedicated mower and is using two tractors to maintain the mowing. Purchasing this mower will allow the tractors to become available for more appropriate projects and will also allow staff more time to work on additional upkeep of RPC grounds. Failure to allot these funds would result in the unnecessary use of the two tractors, decreasing their useful life.

Be it further ordered,  
that the State Controller increase the allotment in account 023-13A-0258-01, Bureau of Policy and Management, by \$672,744 in the Personal Services line category, and decrease the allotment in account 023-13A-0258-01, Bureau of Policy and Management, by \$672,744 in the All Other line category for the purpose of funding payroll expenditures; and,

Be it further ordered,  
that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2026", for which this shall be our sufficient warrant.

**Statement of Fact**

This financial order transfers American Rescue Plan funds from All Other to Personal Services. The American Rescue Plan Act of 2021 is authorized in Public Law 2021, chapter 483 "An Act To Provide Allocations for the Distribution of State Fiscal Recovery Funds" to implement the Maine Jobs and Recovery Plan. These funds will support economic recovery and sustainability for state fisheries including work efforts by personnel assisting with the implementation of new reporting requirements within the lobster harvester industry. All Other funds are no longer needed for the purpose for which they were originally intended due to a change in the business case. Failure to allot these funds will hinder the department's ability to meet the Governor's priorities as established in the Maine Jobs and Recovery Plan.

**Statement of Fact**

This financial order transfers the anticipated unencumbered balance forward in the Bureau of Marine Patrol program's General Fund carrying account to the Capital Expenditures line category in the Bureau of Marine Patrol program's main General Fund account. Public Law 2019, chapter 343 provided ongoing funding of \$200,000 for the maintenance of the department's marine patrol fleet and these funds are authorized to carry into subsequent fiscal years, if unused. In addition, \$200,000 of the ongoing appropriation will be transferred from All Other to Capital Expenditures. This portion of All Other is no longer required due to these expenditures being classified as Capital costs and the All Other line category will have sufficient resources to meet its obligations for the full fiscal year. Failure to approve this request will limit the department's ability to perform its marine patrol duties.
