Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

SUMMARY

Under a pilot project that is scheduled to expire on March 15, 2015, independent practice dental hygienists are allowed to expose and process radiographs in areas of the State that have been designated by the United States Department of Health and Human Services as dental health professional shortage areas.

1 This resolve continues the authority of these independent practice dental hygienists to
2 expose and process radiographs for 2 more years, except that the authorization applies in
3 the entire State for those additional 2 years.
