REPORTS FROM EXECUTIVE DIRECTOR AND COUNCIL OFFICES

Executive Director's Report

David Boulter, Executive Director, reported on a proposed Olympia Snowe Day at the Legislature.

Due to scheduling conflicts, Senator Snowe was not able to schedule a time prior to adjournment of the Legislature to address the Legislature in joint convention and attend a reception in her honor. She is hopeful that a time for her event can be arranged early in the Second Regular Session of the 126th Legislature.

Fiscal Report

Grant Pennoyer, Director, Office of Fiscal and Program Review, reported on the following:

Revenue Update

Total General Fund Revenue - FY 2013 (\$'s in Millions)

	Budget	Actual	Var.	% Var.	Prior Year	% Growth
May	\$228.2	\$249.6	\$21.4	9.4%	\$254.4	-1.9%
FYTD	\$2,580.3	\$2,598.6	\$18.3	0.7%	\$2,545.8	2.1%

General Fund revenue was over budget by \$21.4 million (9.4%) for the month of April and by \$18.3 million (2.6%) for this fiscal year through May. These variances are over the \$43.5 million higher benchmark for FY 2013 General Fund revenue set by the May 2013 revenue forecast. The positive performance remains primarily due to the performance of the Individual Income Tax, which was \$18.8 million over budget with just one month remaining in the fiscal year.

Sales tax collections showed some improvement in May and made progress toward offsetting April's variance. Some of the April taxable sales growth and May's performance compared to the previous year may likely be due to differences in the timing of spring purchases due to the weather differences.

Corporate Income Tax continues to underperform despite recent downward adjustments to budgeted revenue targets. This category was \$1.7 million below budget for the fiscal year through May despite downward revisions in the May revenue forecast.

Highway Fund Revenue Update

Total Highway Fund Revenue - FY 2013 (\$'s in Millions)

	Budget	Actual	Var.	% Var.	Prior Year	% Growth
May	\$26.4	\$26.9	\$0.4	1.7%	\$27.0	-0.4%
FYTD	\$270.6	\$273.3	\$2.7	1.0%	\$270.8	0.9%

Highway Fund revenue was over budget by \$0.4 million (1.7%) in May and has a positive variance of \$2.7 million for the fiscal year with one month remaining. Fuel Taxes were under budget in May, but remained modestly ahead of budget with one month remaining in this fiscal year. The revenue collected by the Bureau of Motor Vehicles, which was \$2.4 million

over budget for the fiscal year through May, has been the primary reason for the Highway Fund overall positive variance.

Cash Balance Update

The average balance in the cash pool in May increased by \$131.4 million compared with April and was \$32.0 million higher than May 2012. May's average General Fund internal borrowing for cash flow needs decreased from the April average by \$152.3 million. As noted earlier, the improvement in the General Fund cash position is due primarily to April income tax collections.

ANNOUNCEMENTS AND REMARKS

Representative Willette stated that it had come to his attention that nonpartisan employees who are covered by a union contract may be unable to take vacation leave around the 4th of July since the Legislature will not have adjourned by then. He inquired if there was a way that the Legislative Council could authorize vacation leave that had already been requested notwithstanding the contractual requirements.

Mr. Boulter responded that he has been authorized to make appropriate adjustments. He said that he had anticipated the situation for the week of the 4th of July and had negotiated a sidebar agreement with the union. If the Legislature is not in next week, he can move forward with the agreement that would allow vacation leave, but he would not make a decision until the Legislature has actually recessed to a date certain after next week (July 1st – 5th).

With no other business to consider or announcements, the Legislative Council meeting was adjourned at 2:39 p.m.
