Highway Fund revenue estimates were revised upward by \$3.1 million for FY20 and by \$0.9 million for FY21 (\$4.0 million for the 2020-2021 biennium). The forecasts for FY22 and FY23 were revised upward by \$0.9 million per year (\$1.8 million for the 2022-2023 biennium).

Fund for a Healthy Maine (FHM) revenue estimates were revised slightly upward for FY 20 but slightly downward for FY21 through FY 23. There were no changes made to the forecast for Tobacco Settlement Payments after significant adjustments were made in the May 2019 forecast. Minor adjustments were made to Fund for a Healthy Maine revenue from the Hollywood Casino Bangor and from income from investments consistent with the larger changes in the forecasts for these revenue sources.

Medicaid/MaineCare Dedicated revenue estimates were revised downward by \$5.7 million for FY20 and by \$3.6 million per year for FY21 through FY23. A one-time reduction of \$2.1 million was made in the hospital tax as a result of two hospitals, in the midst of bankruptcy filings, that have not paid their hospital tax on a timely basis. In addition, while service provider tax revenue is up in the first 4 months of FY20, the increase in revenue is less than budgeted and therefore a decrease in the forecast of \$3.0 million per year was made consistent with actual expected revenue.

Marion Hylan Barr, Director, Office of Policy and Legal Analysis, submitted the written studies report found in the agenda packet.

November	\$278.1	\$291.3	\$13.2	4.7%	\$256.4	13.6%
FYTD	\$1,637.9	\$1,682.7	\$44.8	2.7%	\$1,594.9	5.5%

General Fund revenue was over budget by \$13.2 million (4.7%) for the month of November and by \$44.8 million (2.7%) for the fiscal year to date. **These positive variances do not reflect the December 2019 revenue forecast, which increased budgeted General Fund revenue by \$52.7 million for FY 2020.**

Individual income tax revenue was over budget by \$0.9 million for the month and by \$16.7 million for the fiscal year to date. Individual income tax withholdings were over budget by \$4.9 million while refunds were under budget (more refunded than budgeted) for the month by \$2.5 million. Corporate income tax revenue was over budget by \$1.1 million for the month and by \$2.9 million for the fiscal year to date. Sales and use tax revenue (October sales) was over budget for the month by \$4.5 million and by \$18.8 million for the fiscal year to date. The Revenue Forecasting Committee had access to preliminary November data in preparing the December 2019 revenue forecast.

2. Highway Fund Revenue Update (see attached)

Total Highway Fund Revenue - FY 2020 (\$'s in Millions)

	Budget	Actual	Var.	% Var.	Prior Year	% Growth
November	\$32.1	\$34.4	\$2.3	7.1%	\$33.5	2.8%
FYTD	\$151.8	\$156.5	\$4.7	3.1%	\$153.4	2.0%

Highway Fund revenue was over budget by \$2.3 million (7.1%) for the month of November and by \$4.7 million (3.1%) for the fiscal year to date. **These positive variances do not reflect the December 2019 revenue forecast, which increased budgeted Highway Fund revenue by \$3.1 million for FY 2020.**

Fuel taxes and motor vehicle registrations were both slightly under budget for the month. Other revenue was over budget for the month by \$2.4 million. Most of this variance was attributed to a transfer to the Highway Fund related to the municipal excise tax reimbursement program.

3. Cash Balances Update

The average balance in the cash pool for November was \$1,616.1 million, a decrease from October's average of \$1,666.5 million but above both last November's average balance and the ten-year average for the month. The average Highway Fund balance of \$0.9 million in November was down from October's average of \$12.1 million. This significantly reduced Highway Fund balance is the result of increased expenditures for construction season spending and delays in the availability of federal reimbursements.
