COMMITTEE AMENDMENT " " to H.P. 1165, L.D. 1613, Bill, "An Act Regarding Women's Health and Economic Security"

Amend the bill by striking out everything after the enacting clause and inserting the following:

'PART A

Sec. A-1. 22 MRSA §1912 is enacted to read:

§1912. Continued access to family planning services

1. Access to services. In accordance with this chapter, the department shall provide funding to ensure continued access to family planning services. The department shall issue a request for proposals from qualified providers of family planning services. The department shall select one provider to provide management and oversight of the delivery of family planning services in this State, including, but not limited to, the coordination and management of any subrecipients, and shall distribute funds appropriated for that purpose.

2. Grant. The department shall make funds available from the fund in the form of a grant and may not distribute any funds under a fee-for-service format.

3. Fund established. The Fund To Ensure Access to Family Planning Services, referred to in this section as "the fund," is established as a dedicated, nonlapsing fund within the department to provide family planning services under this section. The department may accept funds into the fund from any public or private source for the purposes of awarding a grant under this section. Any funds appropriated to the fund may not supplant other sources of funding.

4. Prohibition. The department may not select a provider to provide management and oversight of the delivery of family planning services under this section if that provider provides, promotes, refers for or supports abortion as a method of family planning. A provider selected by the department is also prohibited from distributing any

35 section number to read consecutively.

SUMMARY

1
2 This amendment replaces the bill, which is a concept draft, and is the minority report
3 of the committee. Like the majority report, the amendment provides ongoing
4 appropriations totaling \$2,035,670 from the General Fund to be distributed by the
5 Department of Health and Human Services to a single grantee to provide management
6 and oversight of the delivery of family planning services. The amendment also provides
7 one-time funds of \$1,017,835 to the former recipient of federal Title X funds for the State
8 for the period from January 1, 2020 to June 30, 2020. This amendment differs from the
9 majority report in that it includes language to prohibit the Department of Health and
10 Human Services from selecting a provider to provide management and oversight of
11 family planning services if that provider provides, promotes, refers for or supports
12 abortion as a method of family planning.
