That the State Controller increase allotment in account 022-18B-0155-02, Information Services, by \$719,153 in the All Other line category for the purpose of funding necessary technology expenses due to the public health emergency; and,

Be it further ordered,

that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2021", for which this shall be our sufficient warrant.

Statement of Fact

This financial order increases allotment in the Information Services Coronavirus Relief Fund account to fund several projects with costs directly associated with the public health emergency. This includes: network related costs directly associated with staff for the COVID-19 PPE distribution for multiple locations; additional network related cost and equipment to operate the temporary increase in phone licenses at the Bureau of Unemployment Compensation due to the unprecedented increase in call volume; equipment and license upgrades required for state employees to function remotely without severe network degradation; and, equipment to accommodate both on-site and remote staff collaboration was purchased to enhance the existing State of Maine conference meeting applications and devices. These are necessary expenditures for state government as a direct result of COVID-19 and the funding is provided by the Coronavirus Aid, Relief and Economic Security (CARES) Act.

Maine Maritime Academy will be using these funds to replace windows, install new fans, and clean the duct work in Curtis Hall. Curtis Hall is the largest residential facility of its kind in Maine, housing up to 667 undergraduate students in any given year, and houses a number of administrative offices and student services. Replacing the windows will allow for better ventilation, as there is currently no central air system, and installing new fans and cleaning the duct work will increase the air flow and be more efficient in the maintenance of optimal levels.
