In Washington County: the municipalities of Codyville, Danforth, Talmadge, Topsfield, Vanceboro, and Waite; and

the part of the unorganized territory of North Washington described as follows: beginning at the southeast corner of the municipality of Whitney, finally in a straight line northeast to the southwest corner of the municipality of Talmadge.

State Representative District 9

In Washington County: the municipalities of Baileyville, Baring, Calais, Eastport, Grand Lake Stream, Meddybemps, Passamaquoddy Indian Township, Passamaquoddy Pleasant Point, Perry, and Robbinston.

State Representative District 10

In Washington County: the municipalities of Alexander, Charlotte, Cooper, Crawford, Cutler, Dennysville, East Central Washington, East Machias, Lubec, Machiasport, Marshfield, Northfield, Pembroke, Princeton, Wesley, and Whiting; and

the part of the North Washington unorganized territory east of a line described as follows: beginning at the southwest corner border of Grand Lake Stream, then south to the northwest corner border of Wesley.

State Representative District 11

In Washington County: the municipalities of Addison, Beals, Columbia, Columbia Falls, Harrington, Jonesboro, Jonesport, Machias, Milbridge, Roque Bluffs, and Whitneyville; and

the part of the North Washington unorganized territory east of a line described as follows: beginning at the southwest corner of Northfield, then south to the northwest border of Columbia Falls.

State Representative District 12

In Hancock County: the municipalities of Franklin, Gouldsboro, Hancock, Sorrento, Sullivan, and Winter Harbor; and

In Washington County: the municipality of Steuben.

State Representative District 13

In Hancock County: the municipalities of Central Hancock, Ellsworth, and Waltham.

State Representative District 14

In Hancock County: the municipalities of Bar Harbor, Cranberry Isles, Lamoine, and Mount Desert.

State Representative District 15

In Hancock County: the municipalities of Brooklin, Deer Isle, Frenchboro, Marshall Island, Southwest Harbor, Stonington, Swans Island, and Tremont; and

In Knox County: the municipalities of Isle au Haut and Vinalhaven.

State Representative District 16

In Hancock County: the municipalities of Blue Hill, Brooksville, Castine, Sedgwick, Surry, and Trenton.

State Representative District 17

In Hancock County: the municipalities of Bucksport, Orland, Penobscot, and Verona Island.

State Representative District 18

In Hancock County: the municipalities of Amherst, Aurora, Dedham, East Hancock, Eastbrook, Great Pond, Mariaville, Northwest Hancock, Osborn, and Otis,; and

In Penobscot County: the municipalities of Burlington, Clifton, East Central Penobscot, Greenbush, Lowell, and Passadumkeag; and

In Washington County: the municipalities of Beddington, Cherryfield, and Deblois; and

the part of the North Washington unorganized territory west of a line described as follows: beginning at the southwest corner border of Grand Lake Stream, finally to the northwest border of Wesley.

State Representative District 19

In Penobscot County: the municipalities of Eddington, Holden, and Orrington.

State Representative District 20

In Penobscot County: part of the municipality of Brewer southeast of a line described as follows: Beginning at a point where State Street intersects the Penobscot River, then southeast along the centerline of State Street until it intersects North Main Street, then northeast along the centerline of North Main Street until it intersects Felts Brook, finally northwest along Felts Brook until it intersects the Penobscot River.

State Representative District 21

In Penobscot County: part of the municipality of Bangor southwest of a line described as follows: Beginning at a point where Union Street intersects the Bangor-Hermon boundary, then southeast along the centerline of Union Street until it intersects Hammond Street, then east along the centerline of Hammond Street which becomes State Street until it intersects Broadway, then north along the centerline of Broadway until it intersects Garland Street, then northeast along the centerline of Garland Street until it intersects Parkview Avenue, then southeast along the centerline of Parkview Avenue which becomes Newbury Street until it intersects Hancock Street, then southwest along the centerline of Hancock Street until it intersects Washington Street, finally southwest along the centerline of Washington Street until it becomes the Penobscot Bridge.

State Representative District 22

In Penobscot County: part of the municipality of Bangor southeast of a line described as follows: Beginning at a point where Union Street intersects the Bangor-Hermon boundary, then southeast along the centerline of Union Street until it intersects Hammond Street, then east along the centerline of Hammond Street which becomes State Street until it intersects Broadway, then north along the centerline of Broadway until it intersects Cumberland Street, then southwest along the centerline of Cumberland Street until it intersects Center Street, then north along the centerline of Center Street until it intersects with Jefferson Street, then

southwest along the centerline of Jefferson Street until it intersects Kenduskeag Avenue, then northwest along the centerline of Kenduskeag Avenue until it intersects Broadway, finally northwest along the centerline of Broadway until it intersects the Bangor-Glenburn boundary.

State Representative District 23

In Penobscot County: part of the municipality of Bangor described west of a line as follows: Beginning at a point where Stillwater Avenue intersects the Bangor-Orono boundary, then southwest along the centerline of Stillwater Avenue until it intersects Maple Street, then south along the centerline of Maple Street until it intersects Mt Hope Avenue, then southwest along the centerline of Mt Hope Avenue until it intersects Parkview Avenue, then southwest along the centerline of Parkview Avenue until it intersects Garland Street, then southeast along the centerline of Garland Street until it intersects Broadway, then south along the centerline of Broadway until it intersects Cumberland Street, then southwest along the centerline of Cumberland Street until it intersects Center Street, then north along the centerline of Center Street until it intersects with Jefferson Street, then southwest along the centerline of Jefferson Street until it intersects Kenduskeag Avenue, then north along the centerline of Kenduskeag Avenue until it intersects Broadway, finally northwest along the centerline of Broadway until it intersects the Bangor-Glenburn boundary.

State Representative District 24

In Penobscot County: the municipality of Veazie; and

the part of the municipality of Bangor southeast of a line described as follows: Beginning at a point where Stillwater Avenue intersects the Bangor-Orono boundary, then southwest along the centerline of Stillwater Avenue until it intersects Maple Street, then south along the centerline of Maple Street until it intersects Mt Hope Avenue, then southwest along the centerline of Mt Hope Avenue until it intersects Parkview Avenue, then southwest along the centerline of Parkview Avenue until it intersects which becomes Newbury Street until it intersects Hancock Street, then southwest along the centerline of Hancock Street until it intersects Washington Street, finally southwest along the centerline of Washington Street until it becomes the Penobscot Bridge.

the part of the municipality of Brewer north of a line described as follows: Beginning at a point where State Street intersects the Penobscot River, then southeast along the centerline of State Street until it intersects North Main Street, then northeast along the centerline of North Main Street until it intersects Felts Brook, finally northwest along Felts Brook until it intersects the Penobscot River.

the part of the municipality of Orono west of a line described as follows: Beginning at a point where Bennoch Road intersects the Old Town-Orono boundary, then south along the centerline of Bennoch Road until it intersects Noyes Drive, then southwest along the centerline of centerline of Noyes Drive until it intersects Forest Avenue, then southeast along the centerline of Forest Avenue until it intersects Main Street, then southwest along the centerline of Main Street until it intersects Kelley Road, then northwest along the centerline of Kelley Road until it

intersects US Interstate 95, finally southwest along the centerline of US Interstate 95 until it intersects the Orono-Veazie boundary.

State Representative District 25

In Penobscot County: the part of the municipality of Orono east of a line described as follows: Beginning at a point where Bennoch Road intersects the Old Town-Orono boundary, then south along the centerline of Bennoch Road until it intersects Noyes Drive, then southwest along the centerline of centerline of Noyes Drive until it intersects Forest Avenue, then southeast along the centerline of Forest Avenue until it intersects Main Street, then southwest along the centerline of Main Street until it intersects Kelley Road, then northwest along the centerline of Kelley Road until it intersects US Interstate 95, finally southwest along the centerline of US Interstate 95 until it intersects the Orono-Veazie boundary.

State Representative District 26

In Penobscot County: the municipalities of Bradley, Old Town, and the Penobscot Nation.

State Representative District 27

In Penobscot County: the municipalities of Alton, Argyle, Corinth, Hudson, and Milford; and

the part of the municipality of Bradford east and northeast of a line described as follows: Beginning at the point where Atkinson Road begins at the border of Southeast Piscataquis, then southeast along the centerline of Atkinson Road until it intersects with Main Road; then south and southeast along the centerline of Maine Road until it intersects with the Bradford-Hudson boundary.

State Representative District 28

In Penobscot County: the municipalities of Edinburg, Enfield, Howland, Lagrange, Lincoln, Maxfield, Seboies, and Winn; and

the part of the unorganized territory of North Penobscot south of a line described as follows: Beginning at the point along the eastern boundary of North Penobscot-Seboies where there is a rail line, then east along the center of the rail line until it intersects with the boundary of Chester-North Penobscot.

State Representative District 29

In Penobscot County: the municipalities of Chester, East Millinocket, Medway, Millinocket, Mount Chase, Patten, and Woodville; and

the part of the unorganized territory of North Penobscot north of a line describes as follows: Beginning at the point along the eastern boundary of North Penobscot-Seboies where there is a rail line, then east along the center of the rail line until it intersects with the boundary of Chester-North Penobscot.

State Representative District 30

In Piscataquis County: the municipalities of Abbot, Beaver Cove, Blanchard, Bowerbank, Greenville, Guilford, Kingsbury, Monson, Northeast Piscataquis, Northwest Piscataquis, Parkman, Sangerville, Sebec, Shirley, Wellington, and Willimantic; and

In Piscataquis County: the municipalities of Brighton and Cambridge.

State Representative District 31

In Piscataquis County: the municipalities of Brownville, Dover-Foxcroft, Lake View, Medford, Milo, and Southeast Piscataquis.

State Representative District 32

In Penobscot County: the municipalities of Charleston, Dexter, Exeter, Garland, and Stetson; and

the part of the municipality of Bradford west and southwest of a line described as follows: Beginning at the point where Atkinson Road begins at the border of Southeast Piscataquis, then southeast along the centerline of Atkinson Road until it intersects with Main Road; then south and southeast along the centerline of Main Road until it intersects with the Bradford-Hudson boundary.

State Representative District 33

In Penobscot County: the municipalities of Corinna, Dixmont, Etna, Newport, and Plymouth.

State Representative District 34

In Penobscot County: the municipalities of Glenburn, Kenduskeag, and Levant.

State Representative District 35

In Penobscot County: the municipalities of Carmel and Hermon.

State Representative District 36

In Penobscot County: the municipalities of Hampden and Newburgh.

State Representative District 37

In Waldo County: the municipalities of Prospect, Searsport, Stockton Springs, and Winterport; and

the part of the municipality of Frankfort generally east of a line described as follows: Beginning at the point where Loggin Road begins at the border of Winterport, then southeast along the centerline of Loggin Road until it intersects with North Searsport Road, then southwest along the centerline of North Searsport Road until it intersects with the Central Maine Power Transmission Line Corridor, then southeast along the Transmission Line until it intersects with the Frankfort-Prospect boundary.

State Representative District 38

In Waldo County: the municipalities of Brooks, Jackson, Knox, Monroe, Swanville, Thorndike, Unity, and Waldo; and

the part of the municipality of Frankfort generally west of a line described as follows: Beginning at the point where Loggin Road begins at the border of Winterport, then southeast along the centerline of Loggin Road until it intersects with North Searsport Road, then southwest along the centerline of North Searsport Road until it intersects with the Central Maine Power Transmission Line Corridor, then southeast along the Transmission Line until it intersects with the Frankfort-Prospect boundary.

State Representative District 39

In Waldo County: the municipalities of Belfast, Belmont, and Northport.

State Representative District 40

In Knox County: the municipality of Appleton.

In Waldo County: the municipalities of Islesboro, Liberty, Lincolnville, Montville, Morrill, and Searsmont.

State Representative District 41

In Knox County: the municipalities of Camden and Rockport.

State Representative District 42

In Knox County: the municipalities of Criehaven, Matinicus Isle, Muscle Ridge Islands, North Haven, and Rockland; and

the part of the municipality of Owls Head generally north and northwest of a line described as follows: Beginning at the point where Dublin Road begins at the border of South Thomaston, then west along the centerline of Dublin Road until it intersects with Ash Point Drive, then northwest along the centerline of Ash Point Drive until it intersects with South Shore Drive, finally northeast along the centerline of South Shore Drive until the bridge over the estuary.

State Representative District 43

In Knox County: the municipalities of Cushing, South Thomaston, St. George, and Thomaston; and

the part of the municipality of Owls Head generally south and southeast of a line described as follows: Beginning at the point where Dublin Road begins at the border of South Thomaston, then east along the centerline of Dublin Road until it intersects with Ash Point Drive, then northwest along the centerline of Ash Point Drive until it intersects with South Shore Drive, finally northeast along the centerline of South Shore Drive until the bridge over the estuary.

State Representative District 44

In Knox County: the municipalities of Hope, Union, and Warren.

State Representative District 45

In Knox County: the municipalities of Friendship and Washington; and

In Lincoln County: the municipalities of Bremen, Louds Island, and Waldoboro.

State Representative District 46

In Lincoln County: the municipalities of Bristol, Damariscotta, Monhegan, Newcastle, and Nobleboro.

State Representative District 47

In Lincoln County: the municipalities of Alna, Jefferson, Whitefield, and Wiscasset.

State Representative District 48

In Lincoln County: the municipalities of Boothbay, Boothbay Harbor, Edgecomb, South Bristol, Southport, and Westport Island.

State Representative District 49

In Sagadahoc County: the municipalities of Arrowsic, Georgetown, Phippsburg, West Bath, and Woolwich.

State Representative District 50

In Sagadahoc County: the municipality of Bath.

State Representative District 51

In Sagadahoc County: the part of the municipality of Topsham east and southeast of a line described as follows: Beginning at a point where Meadow Road intersects the Bowdoin-Topsham boundary, then southwest along the centerline of Meadow Road until it intersects Meadow Cross Road which becomes White Horse Crossing Road until it intersects River Road, then southwest along the centerline of River Road until it intersects a tributary of the Androscoggin River, finally southeast along the tributary of the Androscoggin River until it reaches the Androscoggin River.

State Representative District 52

In Sagadahoc County: the municipalities of Bowdoinham, Perkins, and Richmond; and

the part of the municipality of Bowdoin north of a line described as follows: Beginning at a point where Main Street intersects the Bowdoin-Lisbon boundary, finally east along the centerline of Main Street until it intersects the Bowdoin-Bowdoinham boundary.

State Representative District 53

In Kennebec County: the municipalities of Chelsea, Pittston, and Randolph; and

In Lincoln County: the municipality of Dresden.

State Representative District 54

In Kennebec County: the municipalities of Farmingdale and Gardiner.

State Representative District 55

In Kennebec County: the municipalities of Hallowell, Manchester, and West Gardiner.

State Representative District 56

In Kennebec County: the municipalities of Litchfield and Monmouth; and

In Androscoggin County: the municipality of Wales.

State Representative District 57

In Kennebec County: the municipalities of Readfield and Winthrop.

State Representative District 58

In Franklin County: the municipality of New Sharon; and

In Kennebec County: the municipalities of Belgrade, Fayette, Mount Vernon, Rome, and Vienna.

State Representative District 59

In Kennebec County: the part of the municipality of Augusta generally west of a line described as follows: Beginning at the point where the Kennebec River begins at the Augusta-Sidney-Vassalboro boundary, then south along the Kennebec River until it intersects with Memorial Bridge, then southwest along the centerline of Memorial Bridge until it intersects with the Kennebec River Rail trail, then south along the Kennebec River Rail Trail until it intersects Jackson Avenue, then northwest along the centerline of Jackson Avenue until it intersects State Street, then south along the centerline of State Street until it intersects King Street, then west along the centerline of King Street until it intersects South Grove Street, then south along the centerline of South Grove Street until it intersects Charles Street, then west along the centerline of Charles Street until it intersects Sewall Street, finally south along the centerline of Sewall Street until it intersects the Augusta-Hallowell boundary.

State Representative District 60

In Kennebec County: the part of the municipality of Augusta generally east of a line described as follows: Beginning at the point where the Kennebec River begins at the Augusta-Sidney-Vassalboro boundary, then south along the Kennebec River until it intersects with Memorial Bridge, then southwest along the centerline of Memorial Bridge until it intersects with the Kennebec River Rail trail, then south along the Kennebec River Rail Trail until it intersects Jackson Avenue, then northwest along the centerline of Jackson Avenue until it intersects State Street, then south along the centerline of State Street until it intersects King Street, then west along the centerline of King Street until it intersects South Grove Street, then south along the centerline of South Grove Street until it intersects Charles Street, then west along the centerline of Charles Street until it intersects Sewall Street, finally south along the centerline of Sewall Street until it intersects the Augusta-Hallowell boundary.

State Representative District 61

In Kennebec County: the municipalities of Vassalboro; and

the part of the municipality of Sidney generally south and southwest of a line described as follows: Beginning at the point where Pond Road begins at the border of Oakland, then southwest along the centerline of Pond Road until it intersects with Goodhue Road, then southeast along the centerline of Goodhue Road until it intersects with Middle Road, finally north along the centerline of Middle Road until it intersects with the border of the municipality of Oakland.

State Representative District 62

In Kennebec County: the municipalities of China and Windsor; and

In Lincoln County: the municipalities of Hibberts Gore and Somerville; and

In Waldo County: the municipality of Palermo.

State Representative District 63

In Kennebec County: the municipalities of Albion and Unity; and

the part of the municipality of Winslow generally east of a line described as follows: Beginning at a point where Benton Avenue intersects the Benton-Winslow, then southeast along the centerline of Benton Avenue until it intersects Danielson Street, then southeast at a point near the intersection of Boston Avenue and Danielson Street to a point where Garland Street intersects East Bowden Street, then south along the centerline of Garland Street until it intersects Clinton Avenue, then east along the centerline of Clinton Avenue until it intersects Marcoux Street, then south along the centerline of Marcoux Street until it intersects Halifax Street, then west along the centerline of Halifax Street until it intersects Bay Street, then southwest along the centerline of Bay Street until it intersects the Sebec River, finally west on the Sebec River until it reaches the Kennebec River.

In Waldo County: the municipality of Freedom.

State Representative District 64

In Kennebec County: the part of the municipality of Waterville generally north of a line described as follows: Beginning at a point where Lincoln Street begins at the border of the municipality of Oakland, then northeast along the centerline of Lincoln Street until it intersects with Chase Avenue, then east along Chase Avenue until it intersects with First Rangeway, then northeast along the centerline of First Rangeway until it intersects with Mayflower Hill Drive, then southeast along the centerline of Mayflower Hill Drive where it becomes Gilman Street until it intersects with Pleasant Street, then southwest along the centerline of Pleasant Street until it intersects Park Street, then east along the centerline of Park Street until it intersects with Elm Street, then southwest along the centerline of Elm Street until it intersects with Spring Street, finally southeast along the centerline of Spring Street where it becomes Bridge Street at the border of the municipality of Winslow; and

the part of the municipality of Winslow generally west of a line described as follows: Beginning at a point where Benton Avenue intersects the Benton-Winslow, then southeast along the centerline of Benton Avenue until it intersects Danielson Street, then southeast at a point near the intersection of Boston Avenue and Danielson Street to a point where Garland Street intersects East Bowden Street, then south along the centerline of Garland Street until it intersects Clinton Avenue, then east along the centerline of Clinton Avenue until it intersects Marcoux Street, then south along the centerline of Marcoux Street until it intersects Halifax Street, then west along the centerline of Halifax Street until it intersects Bay Street, then southwest along the centerline of Bay Street until it intersects the Seabasticook River, finally west on the Seabasticook River until it reaches the Kennebec River.

State Representative District 65

In Kennebec County: the part of the municipality of Waterville generally south of a line described as follows: Beginning at a point where Lincoln Street begins at the border of the municipality of Oakland, then northeast along the centerline of Lincoln Street until it intersects with Chase Avenue, then east along Chase Avenue until it intersects with First Rangeway, then northeast along the centerline of First Rangeway until it intersects with Mayflower Hill Drive, then southeast along the centerline of Mayflower Hill Drive where it becomes Gilman Street until it intersects with Pleasant Street, then southwest along the centerline of Pleasant Street until it intersects Park Street, then east along the centerline of Park Street until it intersects with Elm Street, then southwest along the centerline of Elm Street until it intersects with Spring Street, finally southeast along the centerline of Spring Street where it becomes Bridge Street at the border of the municipality of Winslow.

State Representative District 66

In Kennebec County: the municipality of Oakland; and

the part of the municipality of Sidney generally north and northeast of a line described as follows: Beginning at the point where Pond Road begins at the border of Oakland, then southwest along the centerline of Pond Road until it intersects with Goodhue Road, then southeast along the centerline of Goodhue Road until it intersects with Middle Road, finally north along the centerline of Middle Road until it intersects with the border of the municipality of Oakland; and

In Somerset County: the municipalities Mercer, Smithfield, and Starks.

State Representative District 67

In Kennebec County: the municipality of Benton; and

In Somerset County: the municipality of Fairfield.

State Representative District 68

In Kennebec County: the municipality of Clinton; and

In Somerset County: the municipality of Pittsfield; and

In Waldo County: the municipalities of Burnham and Troy.

State Representative District 69

In Somerset County: the municipalities of Canaan, Detroit, Hartland, Palmyra, and St. Albans.

State Representative District 70

In Somerset County: the municipality of Skowhegan.

State Representative District 71

In Somerset County: the municipalities of Cornville, Madison, and Norridgewock.

State Representative District 72

In Somerset County: the municipalities of Anson, Athens, Bingham, Caratunk, Central Somerset, Embden, Harmony, Moscow, Northeast Somerset, Pleasant Ridge, Ripley, Seboomook Lake, and Solon.

State Representative District 73

In Franklin County: the municipalities of Carrabassett Valley, Coplin, Dallas, East Central Franklin, Eustis, North Franklin, Kingfield, Phillips, Rangeley, Rangeley Plantation, Sandy River, West Central Franklin, and Wyman; and

In Oxford County: the municipalities of Andover, Gilead, Lincoln, Magalloway, Newry, North Oxford, and Upton; and

In Somerset County: the municipalities of Dennistown, Highland, Jackman, Moose River, Northwest Somerset, The Forks, and West Forks.

State Representative District 74

In Franklin County: the municipalities of Avon, Carthage, Industry, New Vineyard, South Franklin, Strong, Temple, Weld, and Wilton; and

In Somerset County: the municipality of New Portland.

State Representative District 75

In Franklin County: the municipalities of Chesterville and Farmington.

State Representative District 76

In Franklin County: the municipality of Jay; and

In Androscoggin County: the municipality of Livermore Falls; and

the part of the municipality of Livermore east of a line described as follows: Beginning at a point where Bean Street intersects the Livermore-Turner boundary, then northeast along the centerline of Bean Street until it intersects Canton Road where it becomes Batten Road which

intersects Bear Mountain Road, then east along the centerline on Bear Mountain Road until it intersects Federal Road, then north along the centerline of Federal Road until it intersects Sanders Road, then north along the centerline of Sanders Road until it intersects Norton Road, then east along the centerline of Norton Road until it intersects Federal Road, then north along the centerline of Federal Road until it intersects Round Pond Road, finally northwest along the centerline of Round Pond Road until it intersects the Canton-Livermore boundary.

State Representative District 77

In Oxford County: the municipalities of Canton, Dixfield, Hartford, Mexico, and Peru; and

the part of the municipality of Livermore west of a line described as follows: Beginning at a point where Bean Street intersects the Livermore-Turner boundary, then northeast along the centerline of Bean Street until it intersects Canton Road where it becomes Batten Road which intersects Bear Mountain Road, then east along the centerline on Bear Mountain Road until it intersects Federal Road, then north along the centerline of Federal Road until it intersects Sanders Road, then north along the centerline of Sanders Road until it intersects Norton Road, then east along the centerline of Norton Road until it intersects Federal Road, then north along the centerline of Federal Road until it intersects Round Pond Road, finally northwest along the centerline of Round Pond Road until it intersects the Canton-Livermore boundary.

State Representative District 78

In Oxford County: the municipalities of Bethel, Byron, Hanover, Milton, Roxbury, and Rumford.

State Representative District 79

In Oxford County: the municipalities of Paris, Sumner, West Paris, and Woodstock.

State Representative District 80

In Oxford County: the municipalities of Buckfield, Hebron, Otisfield, and Oxford.

State Representative District 81

In Oxford County: the municipalities of Greenwood, Norway, South Oxford, Stoneham, Stow, Sweden, and Waterford.

State Representative District 82

In Oxford County: the municipalities of Brownfield, Fryeburg, Hiram, Lovell, and Porter.

State Representative District 83

In Cumberland County: the municipalities of Bridgton and Harrison.

In Oxford County: the municipality of Denmark.

State Representative District 84

In Cumberland County: the municipalities of Baldwin, Naples, and Sebago; and

the part of the municipality of Standish generally west and northwest of a line described as follows: Beginning at a point along the Saco River Pond, then east along the centerline of Bluff Drive until it intersects Pequawket Trail, then north along the centerline of Pequawket Trail until it intersects with Strout Brook, then east along Strout Brook until it intersects with Nature's Way, then north along the centerline of Nature's Way until it intersects Boundary Round, then east along the centerline Boundary Road until it intersects Mill Pond Road, then northeast along the centerline of Mill Pond Road until it intersects with Fort Hill Road, then north along the centerline of Fort Hill Road until it intersects with Harmons Beach Road, finally northeast along the centerline of Harmons Beach Road until it reaches Sebago Lake.

State Representative District 85

In Cumberland County: the part of the municipality of Standish generally east and southeast of a line described as follows: Beginning at the point along the Saco River Pond, then east along the centerline of Bluff Drive until it intersects Pequawket Trail, then north along the centerline of Pequawket Trail until it intersects with Strout Brook, then east along Strout Brook until it intersects with Nature's Way, then north along the centerline of Nature's Way until it intersects Boundary Round, then east along the centerline Boundary Road until it intersects Mill Pond Road, then northeast along the centerline of Mill Pond Road until it intersects with Fort Hill Road, then north along the centerline of Fort Hill Road until it intersects with Harmons Beach Road, then northeast along the centerline of Harmons Beach Road until it reaches Sebago Lake.

State Representative District 86

In Cumberland County: the municipalities of Casco, Frye Island, and Raymond; and

In Androscoggin County: the part of the municipality of Poland west and southwest of a line described as follows: Beginning at the point west of Thompson Lake, then southeast along Thompson Lake until it reaches Johnson Hill Road, then southeast along the centerline of Johnson Hill Road where it crosses Megquier Hill Road and becomes White Oak Hill Road until it intersects Bakerstown Road, then southwest along the centerline of Bakerstown Road until it intersects with North Raymond Road, then southeast along the centerline of North Raymond Road until it intersects with Old Blackcat Mountain Road, finally southwest along the Centerline of Old Blackcat Mountain Road until it reaches the Poland-Raymond boundary.

State Representative District 87

In Androscoggin County: the municipality of Mechanic Falls; and

the part of the municipality of Poland east and northeast of a line described as follows: Beginning at the point west of Thompson Lake, then southeast along Thompson Lake until it reaches Johnson Hill Road, then southeast along the centerline of Johnson Hill Road where it crosses Megquier Hill Road and becomes White Oak Hill Road until it intersects Bakerstown Road, then southwest along the centerline of Bakerstown Road until it intersects with North Raymond Road, then southeast along the centerline of North Raymond Road until it intersects with Old Blackcat Mountain Road, finally southwest along the Centerline of Old Blackcat Mountain Road until it reaches the Poland-Raymond boundary.

State Representative District 88

In Androscoggin County: the part of the municipality of Auburn south of a line described as follows: Beginning at a point where Garfield Road intersects the Auburn-Minot boundary, then southeast along the centerline of Garfield Road until it intersects Sunrise Lane, then northeast along the centerline of Sunrise Lane, then at a point at the end of Sunrise Lane southeast across Taylor Pond until it intersects Taylor Brook, then east along Taylor Brook until it intersects Hotel Road, then south along the centerline of Hotel Road until it intersects Minot Avenue, then east along the centerline of Minot Avenue until it intersects Court Road, then northeast along the centerline of Court Road until it intersects Stevens Mill Road, then southeast along the centerline of Stevens Mill Road until it intersects Minot Road, then east along the centerline of Minot Road until it intersects Towle Street, then northeast along the centerline of Towle Street until it intersects Richardson Street, then northwest along the centerline of Richardson Street until it intersects Court Street, then northeast along the centerline of Court Street until it intersects Russell Avenue, then southeast along the centerline of Russell Avenue until it intersects Goodrich Avenue, then northeast along the centerline of Goodrich Avenue until it intersects Hillside Avenue, then southeast along the centerline of Hillside Avenue until it intersects Merrill Street, then northeast along the centerline of Merrill Street until it intersects Western Avenue, then southeast along the centerline of Western Avenue until it intersects Washington Street, then southeast along the centerline of Washington Street until it intersects Albiston Way, then east along the centerline of Albiston Way until it intersects the Little Androscoggin River, then south along the Little Androscoggin River until it intersects a point extended from the end of Ninth Street, then southeast along the centerline of Ninth Street until it intersects South Main Street, then south along South Main Street until it intersects Tenth Street, then east along the centerline of Tenth Street until it intersects Fulton Street, then north along the centerline of Fulton Street until it intersects Seventh Avenue, then southeast along the centerline of Seventh Avenue until it becomes Mary Carroll Street, then northeast along the centerline of Mary Carroll Street until it intersects Third Street, then northwest along the centerline of Third Street until it intersects Brook Street, then northwest along the centerline of Brook Street until it intersects a point extended that would reach the Androscoggin River.

State Representative District 89

In Androscoggin County: part of the municipality of Auburn east of a line described as follows: Beginning at a point along the Androscoggin River that would reach to the end of Brook Street, then southwest along the centerline of Brook Street until it intersects Third Street, then southeast along the centerline of Third Street until it intersects Mary Carroll Street, then southwest along the centerline of Mary Carroll Street until it intersects Seventh Avenue, then northwest along the centerline of Seventh Avenue until it intersects Fulton Street, then south along the centerline of Fulton Street until it intersects Tenth Street, then west along the centerline of Tenth Street until it intersects South Main Street, then north along the centerline of South Main Street until it intersects Ninth Street, then west along the centerline of Ninth Street until it intersects a point that would be in the center of the Little Androscoggin River, then north along the centerline of the Little Androscoggin River until it intersects a point that would extend at the end of Albiston Way, then west along the centerline of Albiston Way until it intersects Washington Street, then northwest along the centerline of Washington Street until it intersects Auburn Heights, then northeast along the centerline of Auburn Heights until it intersects

Edgehill Avenue, then northwest along the centerline of Edgehill Avenue until it intersects Harris Street, then northwest along the centerline of Harris Street until it intersect Court Street, then northeast along the centerline of Court Street until it intersects Granite Street, then northwest along the centerline of Granite Street until it intersects Fern Street, then northeast along the centerline of Fern Street until it intersects Lake Street, then northwest along the centerline of Lake Street until it intersects Undercliff Road, then northeast along the centerline of Undercliff Road until it intersects Highland Avenue, then southeast along the centerline of Highland Avenue until it intersects Oakland Street, then northeast along the centerline of Oakland Street until it intersects Gamage Avenue, then southeast along the centerline of Gamage Avenue until it intersects Dennison Street, then northeast along the centerline of Dennison Street until it intersects Summer Street, then northwest along the centerline of Summer Street until it intersects Mayfield Road, then northeast along the centerline of Mayfield Street until it intersects Turner Street, then north along the centerline of Turner Street until it intersects Mount Auburn Avenue, then east along the centerline of Mount Auburn Avenue until it intersects Center Street, then north along the centerline of Center Street until it intersects Bobbin Mill Brook, finally east along Bobbin Mill Brook until it intersects the Androscoggin River.

State Representative District 90

In Androscoggin County: the municipality of Minot; and

the part of the municipality of Auburn north of a line described as follows: Beginning at a point where Garfield Road intersects the Auburn-Minot boundary, then southeast along the centerline of Garfield Road until it intersects Sunrise Lane, then northeast along the centerline of Sunrise Lane, then at a point at the end of Sunrise Lane southeast across Taylor Pond until it intersects Taylor Brook, then east along Taylor Brook until it intersects Hotel Road, then south along the centerline of Hotel Road until it intersects Minot Avenue, then east along the centerline of Minot Avenue until it intersects Court Road, then northeast along the centerline of Court Road until it intersects Stevens Mill Road, then southeast along the centerline of Stevens Mill Road until it intersects Minot Road, then east along the centerline of Minot Road until it intersects Towle Street, then northeast along the centerline of Towle Street until it intersects Richardson Street, then northwest along the centerline of Richardson Street until it intersects Court Street, then northeast along the centerline of Court Street until it intersects Russell Avenue, then southeast along the centerline of Russell Avenue until it intersects Goodrich Avenue, then northeast along the centerline of Goodrich Avenue until it intersects Hillside Avenue, then southeast along the centerline of Hillside Avenue until it intersects Merrill Street, then northeast along the centerline of Merrill Street until it intersects Western Avenue, then northwest along the centerline of Western Avenue until it intersects Auburn Heights, then northeast along the centerline of Auburn Heights until it intersects Edgehill Avenue, then northwest along the centerline of Edgehill Avenue until it intersects Harris Street, then northwest along the centerline of Harris Street until it intersect Court Street, then northeast along the centerline of Court Street until it intersects Granite Street, then northwest along the centerline of Granite Street until it intersects Fern Street, then northeast along the centerline of Fern Street until it intersects Lake Street, then northwest along the centerline of Lake Street until it intersects Undercliff Road, then northeast along the centerline of Undercliff Road until it intersects

Highland Avenue, then southeast along the centerline of Highland Avenue until it intersects Oakland Street, then northeast along the centerline of Oakland Street until it intersects Gamage Avenue, then southeast along the centerline of Gamage Avenue until it intersects Dennison Street, then northeast along the centerline of Dennison Street until it intersects Summer Street, then northwest along the centerline of Summer Street until it intersects Mayfield Road, then northeast along the centerline of Mayfield Street until it intersects Turner Street, then north along the centerline of Turner Street until it intersects Mount Auburn Avenue, then east along the centerline of Mount Auburn Avenue until it intersects Center Street, then north along the centerline of Center Street until it intersects Bobbin Mill Brook, finally east along Bobbin Mill Brook until it intersects the Androscoggin River.

State Representative District 91

In Androscoggin County: the municipalities of Leeds and Turner; and

In Kennebec County, the municipality of Wayne.

State Representative District 92

In Androscoggin County: the municipalities of Greene and Sabattus.

State Representative District 93

In Androscoggin County: the part of the municipality of Lewiston north and northwest of a line described as follows: Beginning at a point where College Street intersects the Greene-Lewiston boundary, then southwest along the centerline of College Street until it intersects Stetson Road, then southeast along the centerline of Stetson Road until it intersects Hogan Road, then southwest along the centerline of Hogan Road until it intersects Montello Street, then northwest along the centerline of Montello Road until it intersects Central Avenue, then southwest along the centerline of Central Avenue until it intersects Sabattus Street, then west along the centerline of Sabattus Street until it intersects Hammond Street, then northwest along the centerline of Hammond Street until it intersects Bridge Street, then northwest along the centerline of Bridge Street until it intersects a rail line, finally southwest along the rail line until it intersects the Androscoggin River.

State Representative District 94

In Androscoggin County: the part of the municipality of Lewiston south and southeast of a line described as follows: Beginning at a point where College Street intersects the Greene-Lewiston boundary, then southwest along the centerline of College Street until it intersects Stetson Road, then southeast along the centerline of Stetson Road until it intersects Hogan Road, then southwest along the centerline of Hogan Road until it intersects Montello Street, then northwest along the centerline of Montello Road until it intersects Central Avenue, then southwest along the centerline of Central Avenue until it intersects Sabattus Street, then west along the centerline of Sabattus Street until it intersects Hammond Street, then northwest along the centerline of Hammond Street until it intersects Bridge Street, then northwest along the centerline of Bridge Street until it intersects a rail line, finally southwest along the rail line until it intersects the Androscoggin River; and

North and northwest of a line described as follows: Beginning at a point where Old Greene Road intersects the Greene-Lewiston boundary, then southwest along the centerline Old Greene Road until it intersects Sabattus Street, then southwest along the centerline of Sabattus Street, then west along the centerline of Sabattus Street until it intersects Farwell Street, then south along the centerline of Farwell Street until it intersects Nancy Street, then southeast along the centerline of Nancy Street, then immediately south at the end of Nancy Street to meet a point where Warren Avenue and Webber Avenue intersect, then southwest along the centerline of Webber Avenue until it intersects Webster Street, then northwest along the centerline of Webster Street until it intersects Marcotte Avenue, then southwest along the centerline of Marcotte Avenue until it intersects Caron Street, then northwest along the centerline of Caron Street until it intersects Birch Street, then northwest along the centerline of Birch Street until it intersects Walnut Street, then southwest along the centerline of Walnut Street until it intersects Bates Street, then southeast along the centerline of Bates Street until it intersects Spruce Street, then southwest along the centerline of Spruce Street until it intersects Lisbon Street, then southeast along the centerline of Lisbon Street until it intersects Cedar Street, finally southwest along the centerline of Cedar Street until it intersects the Androscoggin River.

State Representative District 95

In Androscoggin County: the part of the municipality of Lewiston south and southwest of a line described as follows: Beginning at a point where Old Greene Road intersects Sabattus Road, then west along the centerline of Sabattus Street until it intersects Farwell Street, then south along the centerline of Farwell Street until it intersects Nancy Street, then southeast along the centerline of Nancy Street, then immediately south at the end of Nancy Street to meet a point where Warren Avenue and Webber Avenue intersect, then southwest along the centerline of Webber Avenue until it intersects Webster Street, then northwest along the centerline of Webster Street until it intersects Marcotte Avenue, then southwest along the centerline of Marcotte Avenue until it intersects Caron Street, then northwest along the centerline of Caron Street until it intersects Birch Street, then northwest along the centerline of Birch Street until it intersects Walnut Street, then southwest along the centerline of Walnut Street until it intersects Bates Street, then southeast along the centerline of Bates Street until it intersects Spruce Street, then southwest along the centerline of Spruce Street until it intersects Lisbon Street, then southeast along the centerline of Lisbon Street until it intersects Cedar Street, finally southwest along the centerline of Cedar Street until it intersects the Androscoggin River.

West of a line described as follows: Beginning at a point where Old Greene Road intersects Randall Road, then southeast along the centerline of Randall Road until it intersects Pagoma Lane, then south along the centerline of Pagoma Lane until it intersects Webster Street, then northwest along the centerline of Webster Street until it intersects Scribner Boulevard, then southwest along the centerline of Scribner Boulevard until it intersects Lisbon Street, then southeast along the centerline of Lisbon Street until it intersects Alfred A Plourde Parkway, then southwest along the centerline of Alfred A Plourde Parkway until it intersects US Interstate 95, finally southwest along the centerline of US Interstate 95 until it intersects the Androscoggin River.

State Representative District 96

In Androscoggin County: the part of the municipality of Lewiston southeast of a line described as follows: Beginning at a point where Old Green Road intersects the Greene-Lewiston boundary, then southwest along the centerline of Old Greene until it intersects Randall Road, then southeast along the centerline of Randall Road until it intersects Pagoma Lane, then south along the centerline of Pagoma Lane until it intersects Webster Street, then northwest along the centerline of Webster Street until it intersects Scribner Boulevard, then southwest along the centerline of Scribner Boulevard until it intersects Lisbon Street, then southeast along the centerline of Lisbon Street until it intersects Alfred A Plourde Parkway, then southwest along the centerline of Alfred A Plourde Parkway until it intersects US Interstate 95, finally southwest along the centerline of US Interstate 95 until it intersects the Androscoggin River.

State Representative District 97

In Androscoggin County: the part of the municipality of Lisbon west of a line described as follows: Beginning at a point where Burrough Road intersects the Bowdoin-Topsham boundary, then west along the centerline of Burrough Road until it intersects Main Street, then southwest along the centerline of Main Street until it intersects Hewey Street, then southeast along the centerline of Hewey Street until it intersects with Free Street, then southwest along the centerline of Free Street until it intersects with Maple Street, then northwest along the centerline of Maple Street until it intersects with Autumn Street, then southwest along the centerline of Autumn Street until it intersects with Oak Street, then west along the centerline of Oak Street until it intersects with Lisbon Street, then northwest along the centerline of Lisbon Street until it intersects with Canal Street, finally southeast along the centerline of Canal Street until it intersects with the Androscoggin River.

State Representative District 98

In Androscoggin County: the municipality of Durham; and

the part of the municipality of Lisbon east of a line described as follows: Beginning at a point where Burrough Road intersects the Bowdoin-Topsham boundary, then west along the centerline of Burrough Road until it intersects Main Street, then southwest along the centerline of Main Street until it intersects Hewey Street, then southeast along the centerline of Hewey Street until it intersects with Free Street, then southwest along the centerline of Free Street until it intersects with Maple Street, then northwest along the centerline of Maple Street until it intersects with Autumn Street, then southwest along the centerline of Autumn Street until it intersects with Oak Street, then west along the centerline of Oak Street until it intersects with Lisbon Street, then northwest along the centerline of Lisbon Street until it intersects with Canal Street, finally southeast along the centerline of Canal Street until it intersects with the Androscoggin River; and

In Cumberland County: the municipality of Pownal; and

In Sagadahoc County: the part of the municipality of Bowdoin south of a line described as follows: Beginning at a point where Main Street intersects the Bowdoin-Lisbon boundary, finally west along the centerline of Main Street until it intersects the Bowdoin-Bowdoinham boundary; and

the part of the municipality of Topsham west and northwest of a line described as follows: Beginning at a point where Meadow Road intersects the Bowdoin-Topsham boundary, then southwest along the centerline of Meadow Road until it intersects Meadow Cross Road which becomes White Horse Crossing Road until it intersects River Road, then southwest along the centerline of River Road until it intersects a tributary of the Androscoggin River, finally southeast along the tributary of the Androscoggin River until it reaches the Androscoggin River.

State Representative District 99

In Cumberland County: the municipality of Harpswell; and

the part of the municipality of Brunswick east and southeast of a line described as follows: Beginning at the point where Gurnet Road intersects US Route 1, then south along the centerline of Gurnet Road until a point between Antietam Street and Wildwood Streets, at that point then southwest to the Tango bike trail, then northwest following the Tango Bike Trail until it intersects Neptune Drive, then south along the centerline of Neptune Drive until it intersects November Golf, then southwest along the centerline of November Golf until it intersects Purinton Road, then west along the centerline of Purinton Road until it intersects Orion Street, then southwest along the centerline of Orion Street until it intersects Merriconeag Road, finally south along the centerline of Merriconeag Road until it intersects Harpswell Road.

State Representative District 100

In Cumberland County: the part of the municipality of Brunswick west and northwest of a line described as follows: Beginning at the point where Gurnet Road intersects US Route 1, then south along the centerline of Gurnet Road until a point between Antietam Street and Wildwood Streets, at that point then southwest to the Tango bike trail, then northwest following the Tango Bike Trail until it intersects Neptune Drive, then south along the centerline of Neptune Drive until it intersects November Golf, then southwest along the centerline of November Golf until it intersects Purinton Road, then west along the centerline of Purinton Road until it intersects Orion Street, then southwest along the centerline of Orion Street until it intersects Merriconeag Road, finally south along the centerline of Merriconeag Road until it intersects Harpswell Road; and

Generally east of a line described as follows: Beginning at a point where Mere Point Road intersects with Aldred Road, then north along the centerline of Mere Point Road where it becomes Maine Street until it intersects with McKeen Street, then west along the centerline of McKeen Street until it intersects with Stanwood Street, finally north along the centerline of Stanwood Street where it becomes Mill Street until it reaches the railroad bridge that crosses the Androscoggin River.

State Representative District 101

In Cumberland County: the part of the municipality of Brunswick west and northwest of a line described as follows: Beginning at a point where Mere Point Road intersects with Aldred Road, then north along the centerline of Mere Point Road where it becomes Maine Street until it intersects with McKeen Street, then west along the centerline of McKeen Street until it intersects

with Stanwood Street, finally north along the centerline of Stanwood Street where it becomes Mill Street until it reaches the railroad bridge that crosses the Androscoggin River.

State Representative District 102

In Cumberland County: the municipality of Freeport.

State Representative District 103

In Cumberland County: the municipality of Yarmouth.

State Representative District 104

In Cumberland County: the municipality of New Gloucester; and

the part of the municipality of Gray west of a line described as follows: Beginning at a point where the Maine Turnpike intersects the Gray-New Gloucester boundary, then south along the centerline of the Maine Turnpike until it intersects the Weymouth Road, then west along the centerline of the Weymouth Road until it intersects Shaker Road, then south along the centerline of Shaker Road until it intersects the Maine Turnpike, then south along the centerline of the Maine Turnpike until it intersects the West Gray Road, finally west along the centerline of the West Gray Road until it intersects the Gray-Windham boundary.

State Representative District 105

In Cumberland County: the municipality of North Yarmouth; and

the part of municipality of Gray east of a line described as follows: Beginning at a point where the Maine Turnpike intersects the Gray-New Gloucester boundary, then south along the centerline of the Maine Turnpike until it intersects the Weymouth Road, then west along the centerline of the Weymouth Road until it intersects Shaker Road, then south along the centerline of Shaker Road until it intersects the Maine Turnpike, then south along the centerline of the Maine Turnpike until it intersects the West Gray Road, finally west along the centerline of the West Gray Road until it intersects the Gray-Windham boundary.

State Representative District 106

In Cumberland County: the part of the municipality of Windham generally east of a line described as follows: Beginning at a point where the Tandberg Trail intersects the Standish-Windham boundary, then northeast along the Tandberg Trail until it intersects Ditch Brook, then south along Ditch Brook until it intersects Varney Mills Road, then southwest along the centerline of Varney Mills Road until it intersects Ditch Brook, then east along Ditch Brook until it intersects Harriet Avenue, then southwest along the centerline of Harriet Avenue until it intersects Roosevelt Trail, finally southeast along the centerline of Roosevelt Trail until it intersects the Westbrook-Windham boundary.

State Representative District 107

In Cumberland County: the part of the municipality of Windham generally west of a line described as follows: Beginning at a point where the Tandberg Trail intersects the Standish-Windham boundary, then northeast along the Tandberg Trail until it intersects Ditch

Brook, then south along Ditch Brook until it intersects Varney Mills Road, then southwest along the centerline of Varney Mills Road until it intersects Ditch Brook, then east along Ditch Brook until it intersects Harriet Avenue, then southwest along the centerline of Harriet Avenue until it intersects Roosevelt Trail, finally southeast along the centerline of Roosevelt Trail until it intersects the Westbrook-Windham boundary.

State Representative District 108

In Cumberland County: the part of the municipality of Gorham generally south of a line described as follows: Beginning at a point where a rail line intersects the Gorham-Standish boundary, then southeast along the rail line until it intersects the Plummer Road, then southwest along the centerline of Plummer Road until it intersects Calisa Lane, then east along the centerline of Calisa Lane until it intersects Cold Spring Brook, then south along Cold Spring Brook until it intersects Huston Road, then southwest along the centerline of Huston Road until it intersects Fort Hill Road, then southeast along Fort Hill Road which becomes South Street until it intersects County Road, finally east along the centerline of County Road until it intersects the Gorham-Scarborough boundary.

State Representative District 109

In Cumberland County: the part of the municipality of Gorham generally north of a line described as follows: Beginning at a point where a rail line intersects the Gorham-Standish boundary, then southeast along the rail line until it intersects the Plummer Road, then southwest along the centerline of Plummer Road until it intersects Calisa Lane, then east along the centerline of Calisa Lane until it intersects Cold Spring Brook, then south along Cold Spring Brook until it intersects Huston Road, then southwest along the centerline of Huston Road until it intersects Fort Hill Road, then southeast along Fort Hill Road which becomes South Street until it intersects County Road, finally east along the centerline of County Road until it intersects the Gorham-Scarborough boundary.

State Representative District 110

In Cumberland County: the municipalities of Chebeague Island, Cumberland, and Long Island.

State Representative District 111

In Cumberland County: the part of the municipality of Falmouth generally north of a line described as follows: Beginning at a point where Brook Road intersects with the municipality of Westbrook, then east along the centerline of Brook Road until it intersects with Leighton Road, then northeast along the centerline of Leighton Road until it intersects with Falmouth Road, then southeast along the centerline of Falmouth Road until it intersects with Falmouth Spur, then east along the centerline of Falmouth Spur until it intersects with US Interstate 95, then southwest along the centerline of US Interstate 95 until it begins to run parallel with the Scutterygusset Creek, which finally feeds into the Presumpscot River.

State Representative District 112

In Cumberland County: the part of the municipality of Falmouth generally south of a line described as follows: Beginning at a point where Brook Road intersects with the municipality of Westbrook, then east along the centerline of Brook Road until it intersects with Leighton Road,

then northeast along the centerline of Leighton Road until it intersects with Falmouth Road, then southeast along the Falmouth Road until it intersects with Falmouth Spur, then east along the centerline of Falmouth Spur until it intersects with US Interstate 95, then southwest along the centerline of US Interstate 95 where it begins to run parallel with the Scutterygusset Creek, which finally feeds into the Presumpscot River; and

The part of the municipality of Portland north of a line as described as follows: Beginning at a point at a point where the Portland Terminal Railroad crosses the Falmouth-Portland boundary, then southeast along the Portland Terminal Railroad until it intersects with Allen Avenue, finally northeast along the centerline of Allen Avenue until it crosses the Falmouth-Portland boundary.

State Representative District 113

In Cumberland County: the part of the municipality Portland west of a line as described as follows: Beginning at a point at a point where the Portland Terminal Railroad crosses the Falmouth-Portland boundary, then southeast along the Portland Terminal Railroad until it intersects with Allen Avenue, then south along the centerline of Allen Avenue until it intersects with Stevens Avenue, then southeast along the centerline of Stevens Avenue until it intersects with New Street, then northwest along the centerline of New Street until it intersects with the Samuel Wilde Memorial Cemetery, then southwest along the Samuel Wilde Memorial Cemetery until it intersects with Brentwood Street, then northwest along Brentwood Street until it intersects with Brentwood Farms Community Garden, then southwest along Brentwood Farms Community Garden until it intersects with the boundary of the Riverton Woods Hiking Trails, then south until it intersects with Ludlow Street, then southwest along the centerline of Wayside Road until it intersects with Groveside Road, then southeast behind Wayside Road until it intersects with Brighton Avenue, then northwest along the centerline of Brighton Avenue until it intersects with Capisic Street, then southeast along the centerline of Capisic Street until it intersects with Frost Street, then southwest along the centerline of Frost Street where it becomes Congress street until it intersects with Johnson Road, finally southwest along the centerline of Johnson Road until it intersects with the Portland-South Portland boundary.

State Representative District 114

In Cumberland County: the part of the municipality Portland east and northeast of a line described as follows: Beginning at a point where Fall Brook intersects Baxter Boulevard, then northwest along Fall Brook until it intersects with Ocean Avenue, then northeast along the centerline of Ocean Avenue until it intersects with Washington Avenue, then northwest along the centerline of Washington Avenue until it intersects Fall Brook, then generally southeast along Fall Brook until it intersects with Murray Street, then northwest along the centerline of Murray Street until it intersects with Canco Road, then southwest along the centerline of Canco Road until it intersects with Read Street, then northwest along the centerline of Read Street until it intersects with Forest Avenue, then northwest along the centerline of Forest Avenue until it intersects with Allen Avenue, finally north along the centerline of Allen Avenue until it intersects the Falmouth-Portland Boundary.

State Representative District 115

In Cumberland County: the part of the municipality Portland south of a line described as follows: Beginning at a point where Fall Brook intersects Baxter Boulevard, then northwest along Fall Brook until it intersects with Ocean Avenue, then northeast along the centerline of Ocean Avenue until it intersects with Washington Avenue, then northwest along the centerline of Washington Avenue until it intersects Fall Brook, then generally southeast along Fall Brook until it intersects with Murray Street, then northwest along the centerline of Murray Street until it intersects with Canco Road, then southwest along the centerline of Canco Road until it intersects with Read Street, then northwest along the centerline of Read Street until it intersects with Forest Avenue, then northwest along the centerline of Forest Avenue until it intersects with Stevens Avenue, then south along the centerline of Stevens Avenue until it intersects with Woodford Street, then east along the centerline of Woodford Street until it intersects with Deering Avenue, then south along the centerline of Deering Avenue until it intersects with Devonshire Street, then south along the centerline of Devonshire Street which becomes St. John Street until it intersects with US Interstate 295, then northeast along the centerline of US Interstate 295 until it intersects Deering Avenue, then northwest along the centerline of Deering Avenue until it intersects Bedford Street, then southwest along the centerline of Bedford Street until it intersects Exeter Street, then directly north from a point on Exeter Street until it intersects Falmouth Street, then northeast along the centerline of Falmouth Street until it intersects Forest Avenue, then southeast along the centerline of Forest Avenue until it intersects US Interstate 295, finally northeast along the centerline of US Interstate 295 until it intersects Preble Street.

State Representative District 116

In Cumberland County: the part of the municipality Portland south of a line described as follows: Beginning at a point where Stevens Avenue intersects with New Street, then northwest along the centerline of New Street until it intersects with the Samuel Wilde Memorial Cemetery, then southwest along the Samuel Wilde Memorial Cemetery until it intersects with Brentwood Street, then northwest along Brentwood Street until it intersects with Brentwood Farms Community Garden, then southwest along Brentwood Farms Community Garden until it intersects with the boundary of the Riverton Woods Hiking Trails, then south until it intersects with Ludlow Street, then southwest along the centerline of Wayside Road until it intersects with Groveside Road, then southeast behind Wayside Road until it intersects with Brighton Avenue, then northwest along the centerline of Brighton Avenue until it intersects with Capisic Street, then southeast along the centerline of Capisic Street until it intersects with Frost Street, then southwest along the centerline of Frost Street where it becomes Congress street until it intersects with Johnson Road, then east along the South Portland boundary until it intersects US Interstate 295, then northeast along the centerline of US Interstate 295 until it intersects St John Street, then north along the centerline of Stevens Avenue which becomes Devonshire Street until it intersects Deering Avenue, then north along the centerline of Deering Avenue until it intersects Woodford Street, then west along the centerline of Woodford Street until it intersects with Stevens Avenue, finally north along Stevens avenue where it intersects with New Street.

State Representative District 117

In Cumberland County: the part of the municipality Portland east of a line described as follows: Beginning at a point where US Interstate 295 intersects with the Portland-South Portland boundary, then then northeast along the centerline of US Interstate 295 until it intersects Deering Avenue, then southeast along the centerline of Deering Avenue until it intersects Congress Street, then east along the centerline of Congress Street until it intersects State Street, then southeast along the centerline of State Street until it intersects the Casco Bay Bridge, then south along the centerline of the Casco Bay Bridge until it intersects the Fore River, finally west along the Fore River until it intersects the point where US Interstate 295 intersects with the Portland-South Portland boundary.

State Representative District 118

In Cumberland County: the part of the municipality Portland generally east of a line described as follows: Beginning at a point where US Interstate 295 until it intersects Deering Avenue, then northwest along the centerline of Deering Avenue until it intersects Bedford Street, then southwest along the centerline of Bedford Street until it intersects Exeter Street, then directly north from a point on Exeter Street until it intersects Falmouth Street, then northeast along the centerline of Falmouth Street until it intersects Forest Avenue, then southeast along the centerline of Forest Avenue until it intersects US Interstate 295, then northeast along the centerline of US Interstate 295 until it intersects Washington Avenue, then southeast along the centerline of Washington Avenue until it intersects Congress street, then southwest along the centerline of Congress Street until it intersects Deering Avenue, finally north along Deering Avenue until it intersects US Interstate 295.

State Representative District 119

In Cumberland County: Cliff Island, Cushing Island, Fort Scammel, Great Diamond Island, Inner Green Island, Jewell Island, Little Diamond Island, Outer Green Island, Peaks Island, and Ram Island; and

the part of the municipality Portland generally east of a line described as follows: Beginning at a point where US Interstate 295 intersects Washington Avenue, then southeast along the centerline of Washington Avenue until it intersects Congress street, then southwest along the centerline of Congress Street until it intersects State Street, then southeast along the centerline of State Street until it intersects the Casco Bay Bridge, finally northeast along the Fore River.

State Representative District 120

In Cumberland County: the part of the municipality South Portland northwest of a line described as follows: Beginning at a point where a rail line intersects the Scarborough-South Portland boundary, then northeast along the rail line until it intersects Broadway, then west along the centerline of Broadway until it intersects Lincoln Street, then northwest along the centerline of Lincoln Street until it intersects Main Street, finally northeast along the centerline of Main Street until it intersects the Fore River.

State Representative District 121

In Cumberland County: the part of the municipality of Cape Elizabeth west and northwest of a line described as follows: Beginning at a point where Sawyer Road intersects the Cape

Elizabeth-Scarborough boundary, finally northeast along the centerline of Sawyer Road until it intersects Stillman Street at the Scarborough-South Portland boundary; and

the part of the municipality South Portland east of a line described as follows: Beginning at a point where a rail line intersects the Scarborough-South Portland boundary, then northeast along the rail line until it intersects Broadway, then west along the centerline of Broadway until it intersects Lincoln Street, then northwest along the centerline of Lincoln Street until it intersects Main Street, finally northeast along the centerline of Main Street until it intersects the Fore River; and

West of a line described as follows: Beginning at a point where Trout Brook intersects Sawyer Street, then northeast along the centerline of Sawyer Street until it intersects Mitchell Road, then northwest along the centerline of Mitchell Road until it intersects Cottage Road, then west along the centerline of Cottage Road until it intersects Highland Avenue, then southwest along the centerline of Highland Avenue until it intersects Anthonie Street, then north along the centerline of Anthonie Street until it intersects Broadway, then west along the centerline of Broadway until it intersects Anthonie Creek, finally northwest along Anthonie Creek until it intersects the Fore River.

State Representative District 122

In Cumberland County: the part of the municipality South Portland east of a line described as follows: Beginning at a point where Trout Brook intersects Sawyer Street, then northeast along the centerline of Sawyer Street until it intersects Mitchell Road, then northwest along the centerline of Mitchell Road until it intersects Cottage Road, then west along the centerline of Cottage Road until it intersects Highland Avenue, then southwest along the centerline of Highland Avenue until it intersects Anthonie Street, then north along the centerline of Anthonie Street until it intersects Broadway, then west along the centerline of Broadway until it intersects Anthonie Creek, finally northwest along Anthonie Creek until it intersects the Fore River.

State Representative District 123

In Cumberland County: the part of the municipality of Cape Elizabeth east and southeast of a line described as follows: Beginning at a point where Sawyer Road intersects the Cape Elizabeth-Scarborough boundary, finally northeast along the centerline of Sawyer Road until it intersects Stillman Street at the Scarborough-South Portland boundary.

State Representative District 124

In Cumberland County: the part of the municipality of Scarborough east and southeast of a line described as follows: Beginning at a point where US Route 1 intersects the Saco-Scarborough boundary, then northeast along the centerline of US Route 1 until it intersects Commerce Drive, then south along the centerline of Commerce Drive until it intersects Evergreen Farms Drive, then southeast along the centerline of Evergreen Farms Drive until it intersects the Eastern Trail, then northeast along the Eastern Trail which becomes Eastern Road, then northeast along the centerline of Eastern Road until it intersects Black Point Road, then south along the centerline of Black Point Road until it intersects Winnocks Neck Road, then south along the centerline of Winnocks Neck Road until it intersects Old County Road, then east along the

centerline of Old County Road until it intersects Black Point Road, then southeast along the centerline of Black Point Road until it intersects Highland Avenue, then northeast along the centerline of Highland Avenue which becomes Chamberlain Road until it intersects Pleasant Hill Road, then north along the centerline of Pleasant Hill Road until it intersects Pond View Drive, finally northeast along the centerline of Pond View Drive until it intersects the Scarborough-South Portland boundary.

State Representative District 125

In Cumberland County: the part of the municipality of Scarborough west and northwest of a line described as follows: Beginning at a point where US Route 1 intersects the Saco-Scarborough boundary, then northeast along the centerline of US Route 1 until it intersects Commerce Drive, then south along the centerline of Commerce Drive until it intersects Evergreen Farms Drive, then southeast along the centerline of Evergreen Farms Drive until it intersects the Eastern Trail, then northeast along the Eastern Trail which becomes Eastern Road, then northeast along the centerline of Eastern Road until it intersects Black Point Road, then south along the centerline of Black Point Road until it intersects Winnocks Neck Road, then south along the centerline of Winnocks Neck Road until it intersects Old County Road, then east along the centerline of Old County Road until it intersects Black Point Road, then southeast along the centerline of Black Point Road until it intersects Highland Avenue, then northeast along the centerline of Highland Avenue which becomes Chamberlain Road until it intersects Pleasant Hill Road, then north along the centerline of Pleasant Hill Road until it intersects Pond View Drive, finally northeast along the centerline of Pond View Drive until it intersects the Scarborough-South Portland boundary; and

East and southeast of a line described as follows: Beginning at a point where Holmes Road intersects the Saco-Scarborough boundary, then east along the centerline of Holmes Road until it intersects Woodfield Drive, then south along the centerline of Woodfield Drive until it intersects Broadturn Road, then southeast along the centerline of Broadturn Road until it intersects Glendale Drive, then east along Glendale Drive until it intersects the Maine Turnpike, finally northeast along the centerline of the Maine Turnpike until it intersects the Scarborough-South Portland boundary.

State Representative District 126

In Cumberland County: the part of the municipality of Scarborough west and northwest of a line described as follows: Beginning at a point where Holmes Road intersects the Saco-Scarborough boundary, then east along the centerline of Holmes Road until it intersects Woodfield Drive, then south along the centerline of Woodfield Drive until it intersects Broadturn Road, then southeast along the centerline of Broadturn Road until it intersects Glendale Drive, then east along Glendale Drive until it intersects the Maine Turnpike, finally northeast along the centerline of the Maine Turnpike until it intersects the Scarborough-South Portland boundary; and

the part of the municipality of Westbrook south of a line described as follows: Beginning at a point where the Stroudwater River intersects the Scarborough-Westbrook boundary, then east along the Stroudwater River intersects Spring Street, then north along Spring Street until it

intersects Anderson Avenue, then southeast along the centerline of Anderson Avenue until it intersects Beaver Pond Brook, then south along Beaver Pond Brook until it intersects Landing Road, then east along the centerline of Landing Road until it intersects Stroudwater Street, finally east along the centerline of Stroudwater Street until it intersects the Portland-Westbrook boundary; and

In York County: the part of the municipality of Saco west and northwest of a line described as follows: Beginning at a point where the Old Buxton Road intersects the Buxton-Saco boundary, then southeast along the centerline of Old Buxton Road until it intersects with Buxton Road, then southeast along the centerline of Buxton Road until it intersects with Jenkins Road, then northeast along the centerline of Jenkins Road until it intersects with Flag Pond Road, then southeast along the centerline of Flag Pond Road until it intersects with the Maine Turnpike, finally northeast along the centerline of the Maine Turnpike until it intersects the Saco-Scarborough boundary.

State Representative District 127

In Cumberland County: the part of the municipality of Westbrook north of a line described as follows: Beginning at a point where the Stroudwater River intersects the Scarborough-Westbrook boundary, then east along the Stroudwater River intersects Spring Street, then north along Spring Street until it intersects Anderson Avenue, then southeast along the centerline of Anderson Avenue until it intersects Beaver Pond Brook, then south along Beaver Pond Brook until it intersects Landing Road, then east along the centerline of Landing Road until it intersects Stroudwater Street, finally east along the centerline of Stroudwater Street until it intersects the Portland-Westbrook boundary; and

South of a line described as follows: Beginning at a point where the Presumpscot River intersects the Gorham-Westbrook boundary, finally southeast along the Presumpscot River until it intersects the Portland-Westbrook boundary.

State Representative District 128

In Cumberland County: the part of the municipality of Westbrook north of a line described as follows: Beginning at a point where the Presumpscot River intersects the Gorham-Westbrook boundary, finally southeast along the Presumpscot River until it intersects the Portland-Westbrook boundary.

State Representative District 129

In York County: the part of the municipality of Saco southwest of a line described as follows: Beginning at a point where the Old Buxton Road intersects the Buxton-Saco boundary, then southeast along the centerline of Old Buxton Road until intersects with Buxton Road, then southeast along the centerline of Buxton Road which becomes North Street which becomes Beach Street until it intersects with a point south of Deering Park Road, finally at the point south of Deering Park Road southwest until it intersects the Saco River at the Biddeford-Saco boundary.

State Representative District 130

In York County: the part of the municipality of Saco east of a line described as follows: Beginning at a point where the Maine Turnpike intersects the Saco-Scarborough boundary, then southwest along the centerline of Maine Turnpike until it intersects Flag Pond Road, then northwest along the centerline of Flag Pond Road until it intersects Jenkins Road, then southwest along the centerline of Jenkins Road until it intersects Buxton Road, then southeast along the centerline of Buxton Road until a point south of Deering Park Road, finally at the point south of Deering Park Road southwest until it intersects the Saco River at the Biddeford-Saco boundary.

State Representative District 131

In York County: the municipality of Old Orchard Beach.

State Representative District 132
