Paid Family and Medical Leave chart for commission members to design Maine's program:  
(building from A Better Balance chart of state leave laws)

|  |  |
|--|--|
| What purposes can leave be used for?               |  |
| Who is covered?                                    |  |
| Are public sector workers automatically covered?   |  |
| Are domestic workers covered?                      |  |
| Can self-employed workers opt in to coverage?      |  |
| What are the requirements to qualify for benefits? |  |
| What family members are covered?                   |  |

|  |  |
|--|--|
| How is the program funded?                                     |  |
| What percentage of wages do workers receive?                   |  |
| What is the maximum weekly benefit?                            |  |
| For how long can a worker receive benefits?                    |  |
| Is there an unpaid waiting period?                             |  |
| Are workers entitled to have their jobs back when they return? |  |
| How is the insurance provided?                                 |  |
| Anything else?   |  |
