Committee: Transportation

Fiscal Note

Potential current biennium cost increase - Highway Fund

Potential current biennium cost increase - Other Special Revenue Funds

Potential current biennium revenue increase - Other Special Revenue Funds

Fiscal Detail and Notes

Highway Fund and Other Special Revenue Funds expenditures could increase if a proposal regarding truck configuration and weight is received and the department determines it would require capital improvements to the infrastructure in order for it to withstand the proposed configuration. Under this bill, the entity requesting the change would be required to pay for 50% of the improvements, which would increase Other Special Revenue Funds revenue.
