

# 126th MAINE LEGISLATURE

LD 1340

LR 1612(03)

**An Act To Ensure Maine's Preparedness for Hazardous Oil Spills**

**Fiscal Note for Bill as Engrossed with:**

**C "A" (H-301)**

**Committee: Environment and Natural Resources**

---

---

## Fiscal Note

Potential current biennium revenue increase - Other Special Revenue Funds

### Fiscal Detail and Notes

This bill expands the application of the 3 cents per barrel fee on refined oil that is transported by rail or highway to now include crude oil. According to the Department of Environmental Protection, all rail and highway transporters of oil currently pay the 3 cents per barrel fee and therefore no additional revenue is anticipated to be realized from this change in fee assessment.
