- 36 **Sec. 17. 22 MRSA §2658,** as enacted by PL 1983, c. 463, §4, is repealed.

1	Sec. 18. 22 MRSA §2659, as enacted by PL 1983, c. 463, §4, is amended to read:
2	§2659. Rules

The Department department shall promulgate such adopt rules, pursuant to the Maine Administrative Procedure Act, Title 5, chapter 375, subchapter H, as 2 it deems considers necessary to carry out the purposes of this subchapter, including, but not limited to, rules regarding the time and manner in which municipalities shall establish public water system zones.

Sec. 19. Cessation of addition of fluoride; notification to customers. A public water system that intentionally adds fluoride to its water supply in excess of the natural fluoride level in violation of the Maine Revised Statutes, Title 22, section 2651-B on the effective date of this Act shall cease adding such fluoride within 90 days of the effective date of this Act and shall notify its customers of the date of that cessation.

13 SUMMARY

This bill repeals the law governing the process for a public water system to add fluoride to its water supply. Instead, the bill prohibits a public water system from adding fluoride to its water supply. A person who intentionally violates that prohibition commits a civil violation for which a fine of \$1,000 per day for each day of the violation may be adjudged.
