2010-2011 Biennium Total

5,589,069,913

Notes:

<sup>(1)</sup> TRANSFERS TO TAX RELIEF PROGRAMS - Beginning in FY 2009-10, these programs will no longer be specifically deducted from individual income tax. The amounts budgeted for the 3 tax relief programs funded by transfers from General Fund undedicated revenue are:

Maine Residents Property Tax ("Circuitbreaker") Program	(\$40,500,000)	(\$42,098,648)
Business Equipment Tax Reimbursement (BETR) Program	(\$57,588,138)	(\$55,543,140)
Business Equipment Tax Exemption (BETE) Program	(\$14,471,724)	(\$16,344,805)
Total Tax Reimbursement Program Transfers	(\$112,559,862)	(\$113,986,593)

<sup>(2)</sup> TRANSFERS FOR REVENUE SHARING - Beginning in FY 2009-10, these transfers are calculated by multiplying 5% times the amount of revenue collected in income and sales taxes and the service provider tax for the previous month. For the 2010-2011 biennium, the amounts are reduced from the calculated percentage amounts by fixed dollar amounts set in statute.

<sup>(3)</sup> INLAND FISHERIES AND WILDLIFE REVENUE- The Constitution of Maine requires that the Legislature appropriate an amount equal to or greater than the amount of revenue collected by the Department of Inland Fisheries and Wildlife (IFW). Fees for hunting, fishing, boats, ATV's and snowmobiles represent the vast majority of this revenue, but other IFW revenue is collected in other categories as well. The total amount budgeted is presented below:

Inland Fisheries and Wildlife Revenue	\$22,189,917	\$22,803,767
---------------------------------------	--------------	--------------

Reflects Final Budgeted Revenue

Amounts may not add to 100% due to rounding
