¹ Other Special Revenue (OSR) Funds consists of: 1996-1998 - hospital assessments; 2002 - Healthy Maine Prescription (HMP) rebates; beginning in 2003 - NF and ICFs/MR taxes; beginning in 2004 - hospital tax; and beginning in 2005 - the PNMI service provider tax, expanded in 2006 to include community support services and MR day allocation, residential training and personal support services. Provider tax funded expenditures include both increased payments to providers and MaineCare program spending previously paid for with General Funds. Beginning in 2005, OSR allocations also include Dirigo Health Fund revenue transferred for the state share of MaineCare costs of the Dirigo Health program; and MaineCare prescription drug rebates that had previously been accounted for in the General Fund.

Technical Notes\Milestones (state fiscal years unless otherwise noted):

- 1999** -- The elimination of the hospital assessment is offset by a significant increase in General Fund appropriations for Medicaid programs.
- 2001** -- Tobacco settlement funds (Fund for a Healthy Maine) are first available to help fund Medicaid and related program (e.g., DEL) expenses.
- 2003** -- Provider taxes on nursing homes and ICFs\MR are implemented with revenue used for increased payments to providers and to fund MaineCare costs previously funded by General Fund appropriations.
- 2003** -- Federal fiscal relief legislation provides enhanced Federal Medical Assistance Percentages (FMAP) for the final quarter of SFY 03.
- 2004** -- Provider tax on hospitals of 0.74% implemented with revenue used to pay for increased payments to providers and to fund MaineCare costs previously funded by General Fund appropriations.
- 2004** -- Federal fiscal relief legislation provides enhanced Federal Medical Assistance Percentages (FMAP) for all quarters of SFY 04
- 2004** -- Administration identifies inappropriate charges to Federal Expenditure Funds in 2003 and previous years that should have been state-funded expenses -- \$38.8 million in General Funds are appropriated to restore funding to the Federal Expenditures Fund.
- 2005** -- Federal fiscal relief legislation's enhanced Federal Medical Assistance Percentages (FMAP)ends beginning with SFY 05.
- 2005** -- Provider tax on hospitals is increased to 2.23% and PNMI service provider tax of 5% begins.
- 2005 (February)** -- DHHS implements new claims processing system (MECMS). Results in significant problems in paying claims for the remainder of fiscal year 2005 and for fiscal year 2006.
- 2005-2011** -- MaineCare hospital settlement payments:
