As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings. [PL 1985, c. 702, §2 (NEW).]

1. Communication. "Communication" means the conveyance or receipt of information regarding or facilitating the collection of a debt, directly or indirectly, to or from any person through any medium.
[PL 1985, c. 702, §2 (NEW).]

[PL 2015, c. 272, §1 (NEW).]

1-B. Charge-off. "Charge-off" means the act of a creditor removing an account from its books as an asset and treating it as a loss or expense because payment is unlikely.
[PL 2017, c. 216, §2 (NEW).]

2. Conducting business in this State. "Conducting business in this State" means the collection or attempted collection of a debt due another by a debt collector located in this State; the solicitation of creditors in this State as clients and the collection or attempted collection of their debts by a debt collector, wherever located; or the collection or attempted collection of a debt from a consumer in this State by a debt collector, wherever located.
[PL 2017, c. 317, §1 (AMD).]

3. Consumer. "Consumer" means any natural person obligated or allegedly obligated to pay any debt.
[PL 1985, c. 702, §2 (NEW).]

4. Creditor. "Creditor" means any person who offers or extends credit creating a debt or to whom a debt is owed, but that term does not include any person to the extent that he receives an assignment or transfer of a debt in default solely for the purpose of facilitating collection of that debt for another.
[PL 1985, c. 702, §2 (NEW).]

5. Debt. "Debt" means any obligation or alleged obligation of a consumer to pay money arising out of a transaction in which the money, property, insurance or services that are the subject of the transaction are primarily for personal, family or household purposes, whether or not the obligation has been reduced to judgment. "Debt" includes any obligation or alleged obligation for payment of child support owed to, or owed by, a resident of this State and any obligation or alleged obligation relating

5-A. Debt buyer. "Debt buyer" means a person that is regularly engaged in the business of purchasing charged-off consumer debt for collection purposes, whether the person collects the debt or hires a 3rd party, which may include an attorney-at-law, in order to collect the debt. "Debt buyer" does not include a supervised financial organization as defined in Title 9-A, section 1-301, subsection 38-A or a person that acquires charged-off consumer debt incidental to the purchase of a portfolio predominantly consisting of consumer debt that has not been charged off. "Debt collector" includes persons who furnish collection systems carrying a name that simulates the name of a debt collector and who supply forms or form letters to be used by the creditor even though the forms direct the debtor to make payments directly to the creditor. Notwithstanding the exclusion provided by section 11003, subsection 7, "debt collector" includes any creditor who, in the process of collecting the creditor's own debts, uses any name other than the creditor's that would indicate that a 3rd person is collecting or attempting to collect these debts. "Debt collector" includes any attorney-at-law whose principal activities include collecting debts as an attorney on behalf of and in the name of clients, except that any such attorney licensed to practice law in this State is subject exclusively to subchapter 2 and any such attorney not licensed to practice law in this State is subject to this entire chapter. "Debt collector" also includes any person regularly engaged in the enforcement of security interests securing debts, including a repossession company and a residential real estate property preservation provider. "Debt collector" does not include any person who retrieves collateral when a consumer has voluntarily surrendered possession. A person is regularly engaged in the enforcement of security interests if that person enforced security interests more than 5 times in the previous calendar year. If a person does not meet these numerical standards for the previous calendar year, the numerical standards must be applied to the current calendar year.

§11038. Insolvency and liquidation

1. Insolvency. If the superintendent determines that a licensee located in this State is insolvent or that he has collected accounts but has failed to remit money due to any claimant or forwarder within 30 days from the end of the month in which collection was made or, when the license of a debt collector has expired or terminated for any reason whatsoever, the superintendent, if he determines that action

necessary to protect the public interest, may apply to the Superior Court of the county in which the main office of the debt collector is located, authorizing him to take possession of the assets and the books and records of the licensee for the purpose of liquidating its business and for such other relief as the nature of the case and the interest of the claimants or forwarders may require. The court, after citing the licensee to show cause why the superintendent should not be authorized to take possession of the assets and books of accounts and records for the purpose of liquidating the business of the licensee, and, after hearing the allegations and proofs of the parties and determining the facts, may upon the merits dismiss the application or, if it finds that action necessary for the protection of the public, issue its order authorizing the superintendent to take possession of the books and records and to liquidate the business and granting such other relief as it deems necessary under the circumstances. [PL 1985, c. 702, §2 (NEW).]

2. Powers and duties. In every case where the court issues an order authorizing the superintendent to take possession of the books and records and to liquidate the business of a licensee, the superintendent shall be vested with all of the powers, duties, authority and responsibility of a receiver, and without limiting the generality of this subsection and subject to the approval of the court.

A. The liquidation of the business shall be made by and under the supervision of the superintendent, either in the name of the superintendent or in the name of the licensee, and the superintendent or his successor shall be vested with title to all of the assets, including the proceeds of the financial security which has been filed with the superintendent and the proceeds of any and all money paid directly to the claimant or forwarder by any debtor prior to the date of the order. Money paid to the licensee or to the superintendent after the date of the order shall be disposed of by the superintendent. [PL 1985, c. 702, §2 (NEW).]

B. The superintendent for the purpose of collection or liquidation may sell, assign, convey and transfer or approve the sale, assignment, conveyance and transfer of the assets of the debt collector under such terms and conditions as the superintendent deems best for the best interests of the claimants of the debt collector. [PL 1985, c. 702, §2 (NEW).]

C. The superintendent shall cause notice to be given by advertisement in such newspapers as he may direct weekly for 4 consecutive weeks after the issue of the order authorizing him to take possession of the assets of the debt collector, calling on all persons who may have claims against the licensee to bring the claims to the superintendent and make legal proof of the claims at a place and time to be specified. The superintendent shall mail a similar notice to all persons whose names appear as claimants or forwarders upon the books and records of the licensee or as may appear in the records of the superintendent. Any claimant or forwarder whose portion of the collections has not been properly remitted shall file a claim, which shall be allowed for the amount actually due the claimant or forwarder after deduction of a commission or fee that may be due and owing the licensee. If the superintendent doubts the justice and validity of any claim, he may reject the claim and serve notice of that rejection upon the claimant, either by mail or personally. An affidavit of service of notice, which shall be prima facie evidence of service, shall be filed with the superintendent. The claimant may, within 30 days after receipt of notice of rejection, file a petition in the court in which the proceedings are pending to establish his claim or claims. Claims presented after the expiration of the time fixed in the notice to the claimants or forwarders shall be entitled to receive only liquidating dividends declared after presentation, unless otherwise ordered by the court. The court may fix a date after which all claimants may be barred. [PL 1985, c. 702, §2 (NEW).]

D. The assets of the licensee in liquidation, exclusive of any bond proceeds, shall be disbursed in the following order:

- (1) Expenses of liquidation;

- (2) The full amount of claims of each claimant or forwarder of the licensee whose claim against the licensee has been approved by the superintendent;
- (3) Reserves for unclaimed and unpaid collections;
- (4) General creditors; and
- (5) Residue to licensee. [PL 1985, c. 702, §2 (NEW).]

E. All accounts and valuable papers given to the licensee by the claimant or forwarders in possession of the superintendent pertaining to accounts placed with the licensee for collection shall be returned to the claimant or forwarder by the superintendent within 30 days after verification has been made. [PL 1985, c. 702, §2 (NEW).]

F. Nothing contained in this subsection may preclude a creditor of a debt collector from prosecuting any and all legal actions and pursuing any and all remedies afforded him by the laws of this State for collection of debts until such time as the superintendent takes possession of the debt collector's agency under this section. [PL 1985, c. 702, §2 (NEW).]
