

**§112. Workers' compensation coverage for forest firefighters**

Notwithstanding Title 12, section 8901, subsection 2 and Title 12, sections 8902, 8905, 9201, 9202, 9204 and 9205, workers' compensation coverage is provided to forest fire wardens and laborers hired by municipalities for forest fire-fighting activities as follows. [PL 1993, c. 439, §1 (NEW).]

**1. Municipal responsibility.** The municipality is responsible for workers' compensation costs for injuries that occur while the municipality is in actual control of forest fire-fighting activities. [PL 1993, c. 439, §1 (NEW).]

**2. State responsibility.** The State is responsible for workers' compensation costs for injuries that occur while the State is in actual control of forest fire-fighting activities. [PL 1993, c. 439, §1 (NEW).]

For purposes of this section, "actual control" means on-site supervisory responsibility for the entire command structure directing forest fire-fighting activities at the fire scene. A municipality is assumed to be in actual control until the State accepts or takes actual control. [PL 1993, c. 439, §1 (NEW).]
