

§11447. Loan transactions

The authority may purchase, sell, service, pledge, invest in, hold, trade, accept as collateral or otherwise deal in, acquire or transfer, all on such terms and conditions as the authority may specify, any loan, loan pass-through certificate, pledge, including any pledge of loan revenue, loan participation certificate or other loan-backed or loan-related security. Any such transaction may be conducted by public or private offering, with or without public bidding. In connection with the purchase or sale of a loan or of a beneficial interest or participation in a loan, the authority may enter into one or more agreements providing for the custody, control and administration of the loan. Any such agreement may provide that the authority, a financial institution or other person act as trustor, trustee or custodian under the agreement. Any such agreement may provide that, with respect to loans governed by the agreement, title to a loan, or to a beneficial interest or participation in a loan, is deemed to have been transferred on terms and to the extent specified in that agreement and that the effect of a sale of a beneficial interest or participation in a loan is the same as a sale of a loan. The authority may issue or cause to be issued certificates or other instruments evidencing the holder's fractional interest in a pool of loans, which interest may be undivided or limited to one or more specific loans. Whether or not the certificates or instruments are of such form or character as to be negotiable instruments under Title 11, Article 8, the certificates or instruments are made negotiable instruments within the meaning of and for all purposes of Title 11, Article 8, subject only to such registration requirements as the authority may establish.
