

§1372. Applicability

1. State requirements. The following documentation is required for persons involved in the installation of fire sprinklers.

A. Any person who undertakes planning or installation of a fire sprinkler system, or any part of the system, within this State must be licensed as a fire sprinkler system contractor. A person may not be identified as a fire sprinkler system contractor or any similar term unless licensed by the State. [PL 1997, c. 728, §34 (AMD).]

B. Any person who undertakes the review, approval and signing required for plans prior to submission to the Department of Public Safety must be certified by the commissioner. A person may not be identified as a certified responsible managing supervisor unless certified by the State. [PL 1997, c. 728, §34 (AMD).]

C. Any person who inspects a fire sprinkler system, other than a certified responsible managing supervisor or an agent of municipal or State Government or licensed insurer who inspects a system in performing that person's duties for that government or insurer, must be registered by the commissioner. [PL 1997, c. 728, §34 (AMD).]
[PL 1997, c. 728, §34 (AMD).]

2. Posting of licenses, certificates and registrations. Each license, certificate and registration issued under this chapter must be posted in a conspicuous place in the place of business of the person to whom it is issued. A license, certificate or registration is not transferable.
[PL 1997, c. 728, §34 (AMD).]

3. Municipal licenses. A municipality may not require fire sprinkler system contractors to be municipally licensed nor may any municipality issue a permit for any fire sprinkler system unless satisfied that the person applying for the permit complies with this chapter.
[PL 1997, c. 728, §34 (AMD).]
