A person or entity participating in good faith in sharing information under this paragraph is immune from civil liability that might otherwise result from these actions, including, but not limited to, a civil liability that might otherwise arise under state or local laws or rules regarding confidentiality of information. The department shall adopt rules to identify the limits and requirements to be included in the memoranda. These rules are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A; and [PL 2007, c. 545, §2 (AMD).]

1. Independent public instrumentality. The council system exists as an independent public instrumentality of the State to provide guidance and advice from consumers of adult mental health services provided or funded by the State regarding the delivery of effective and appropriate adult mental health services consistent with the State's comprehensive mental health services plan and to comply with the consent decree and incorporated settlement agreement in the case of Paul Bates, et al. v. If at the end of that time the chief administrative officer of the psychiatric hospital recommends further hospitalization of the person, the chief administrative officer shall proceed in accordance with section 3863, subsection 5-A.

This subsection does not create an affirmative obligation of a psychiatric hospital to admit a person consistent with the person's advance health care directive. This subsection does not create an affirmative obligation on the part of the psychiatric hospital or treatment provider to provide the treatment consented to in the person's advance health care directive if the physician or psychologist evaluating or treating the person or the chief administrative officer of the psychiatric hospital determines that the treatment is not in the best interest of the person.

Except for involuntary treatment ordered pursuant to the provisions of section 3864, subsection 7-A, involuntary treatment of a patient at a designated nonstate mental health institution or a state mental health institute who is an involuntarily committed patient under the provisions of this subchapter may be ordered and administered only in conformance with the provisions of this subsection. For the purposes of this subsection, involuntary treatment is limited to medication for the treatment of mental illness and laboratory testing and medication for the monitoring and management of side effects.

A. If the patient's primary treating physician proposes a treatment that the physician, in the exercise of professional judgment, believes is in the best interest of the patient and if the patient lacks clinical capacity to give informed consent to the proposed treatment and the patient is unwilling or unable to comply with the proposed treatment, the patient's primary treating physician shall request in writing a clinical review of the proposed treatment by a clinical review panel. For a patient at a state mental health institute, the request must be made to the superintendent of the institute or the designee of the superintendent. For a patient at a designated nonstate mental health institution, the request must be made to the chief administrative officer or the designee of the chief administrative officer. The statement must include documentation of a 2nd opinion that the patient lacks that capacity, given by a professional qualified to issue such an opinion who does not provide direct care to the patient but who may work for the institute or institution;
 - (4) A description of the proposed course of treatment, including specific medications, routes of administration and dose ranges, proposed alternative medications or routes of administration, if any, and the circumstances under which any proposed alternative would be used;
 - (5) A description of how the proposed treatment will benefit the patient and ameliorate identified signs and symptoms of the patient's psychiatric illness;
 - (6) A listing of the known or anticipated risks and side effects of the proposed treatment and how the prescribing physician will monitor, manage and minimize the risks and side effects;
 - (7) Documentation of consideration of any underlying medical condition of the patient that contraindicates the proposed treatment; and

[PL 2017, c. 402, Pt. C, §96 (AMD); PL 2019, c. 417, Pt. B, §14 (AFF).]
- B. The provisions of this paragraph apply to the appointment, duties and procedures of the clinical review panel under paragraph A.

At least one person must be a professional licensed to prescribe medication relevant to the patient's care and treatment. At the time of appointment of the clinical review panel, the superintendent of a state mental health institute or chief administrative officer of a designated nonstate mental health institution or that person's designee shall notify the following persons in writing that the clinical review panel will be convened:
 - (a) The primary treating physician;
 - (b) The commissioner or the commissioner's designee;
 - (c) The patient's designated representative or attorney, if any;

The notice must include contact information for requesting assistance from a lay advisor, who may be employed by the institute or institution, and access to a telephone to contact a lay advisor must be provided to the patient.

- (2) Within 4 days of receiving a request under paragraph A and no less than 24 hours before the meeting of the clinical review panel, the superintendent of a state mental health institute or chief administrative officer of a designated nonstate mental health institution or that person's designee shall provide notice of the date, time and location of the meeting to the patient's primary treating physician, the patient and any lay advisor or attorney.
- (3) The clinical review panel shall hold the meeting and any additional meetings as necessary, reach a final determination and render a written decision ordering or denying involuntary treatment.
- (a) At the meeting, the clinical review panel shall receive information relevant to the determination of the patient's capacity to give informed consent to treatment and the need for treatment, review relevant portions of the patient's medical records, consult with the physician requesting the treatment, review with the patient that patient's reasons for refusing treatment, provide the patient and any lay advisor or attorney an opportunity to ask questions of anyone presenting information to the clinical review panel at the meeting and determine whether the requirements for ordering involuntary treatment have been met.
- (b) All meetings of the clinical review panel must be open to the patient and any lay advisor or attorney, except that any meetings held for the purposes of deliberating, making findings and reaching final conclusions are confidential and not open to the patient and any lay advisor or attorney.
- (c) The clinical review panel shall conduct its review in a manner that is consistent with the patient's rights.
- (d) Involuntary treatment may not be approved and ordered if the patient affirmatively demonstrates to the clinical review panel that if that patient possessed capacity, the patient would have refused the treatment on religious grounds or on the basis of other previously expressed convictions or beliefs.
- (4) The clinical review panel may approve a request for involuntary treatment and order the treatment if the clinical review panel finds, at a minimum:
- (a) That the patient lacks the capacity to make an informed decision regarding treatment;
- (b) That the patient is unable or unwilling to comply with the proposed treatment;
- (c) That the need for the treatment outweighs the risks and side effects; and
- (d) That the proposed treatment is the least intrusive appropriate treatment option.
- (5) The clinical review panel may make additional findings, including but not limited to findings that:
- (a) Failure to treat the illness is likely to produce lasting or irreparable harm to the patient; or
- (b) Without the proposed treatment the patient's illness or involuntary commitment may be significantly extended without addressing the symptoms that cause the patient to pose a likelihood of serious harm.
- (6) The clinical review panel shall document its findings and conclusions, including whether the potential benefits of the proposed treatment outweigh the potential risks. [PL 2011, c. 657, Pt. DD, §1 (AMD).]
- C. The provisions of this paragraph govern the rights of a patient who is the subject of a clinical review panel under paragraph A.

- (1) The patient is entitled to the assistance of a lay advisor without expense to the patient. The patient is entitled to representation by an attorney at the patient's expense.
 - (2) The patient may review any records or documents considered by the clinical review panel.
 - (3) The patient may provide information orally and in writing to the clinical review panel and may present witnesses.
 - (4) The patient may ask questions of any person who provides information to the clinical review panel.

- D. If the clinical review panel under paragraph A approves the request for involuntary treatment, the clinical review panel shall enter an order for the treatment in the patient's medical records and immediately notify the superintendent of a state mental health institute or chief administrative officer of a designated nonstate mental health institution. The order takes effect:
- (1) For a patient at a state mental health institute, one business day from the date of entry of the order; or
 - (2) For a patient at a designated nonstate mental health institution, one business day from the date of entry of the order, except that if the patient has requested review of the order by the commissioner under paragraph F, subparagraph (2), the order takes effect one business day from the day on which the commissioner or the commissioner's designee issues a written decision. [PL 2011, c. 657, Pt. DD, §2 (AMD).]
- E. The order for treatment under this subsection remains in effect for 120 days or until the end of the period of commitment, whichever is sooner, unless altered by:
- (1) An agreement to a different course of treatment by the primary treating physician and patient;
 - (2) For a patient at a designated nonstate mental health institution, modification or vacation of the order by the commissioner or the commissioner's designee; or
 - (3) An alteration or stay of the order entered by the Superior Court after reviewing the entry of the order by the clinical review panel on appeal under paragraph F. [PL 2011, c. 657, Pt. DD, §3 (AMD).]
- F. The provisions of this paragraph apply to the review and appeal of an order of the clinical review panel entered under paragraph B.
- (1) The order of the clinical review panel at a state mental health institute is final agency action that may be appealed to the Superior Court in accordance with Rule 80C of the Maine Rules of Civil Procedure.
 - (2) The order of the clinical review panel at a designated nonstate mental health institution may be reviewed by the commissioner or the commissioner's designee upon receipt of a written request from the patient submitted no later than one business day after the patient receives the order of the clinical review panel. Within 3 business days of receipt of the request for review, the designated nonstate mental health institution shall submit the full clinical review panel record to the commissioner or the commissioner's designee. Within 3 business days of receipt of the request for review, the patient and the designated nonstate mental health institution may submit written arguments to the commissioner or the commissioner's designee. The commissioner or the commissioner's designee shall review the full clinical review panel record and any written arguments submitted pursuant to this subparagraph for abuse of discretion,

error of law or findings not supported by substantial evidence in the record. Within 3 business days of the receipt of the full clinical review panel record and any written arguments, the commissioner or the commissioner's designee shall issue a decision. The decision of the commissioner or the commissioner's designee may affirm the order, modify the order or vacate the order. The decision of the commissioner or the commissioner's designee takes effect one business day after the commissioner or the commissioner's designee issues a written decision. The decision of the commissioner or the commissioner's designee is final agency action that may be appealed to the Superior Court in accordance with Rule 80C of the Maine Rules of Civil Procedure. [PL 2021, c. 165, §1 (AMD).]

[PL 2021, c. 165, §1 (AMD).]

4. Emergency involuntary treatment. Nothing in this section precludes a medical practitioner from administering involuntary treatment to a person who is being held or detained by a hospital against the person's will under the provisions of this subchapter, if the following conditions are met:

A. As a result of mental illness, the person poses a serious and immediate risk of harm to that person or others; [PL 2015, c. 309, §1 (NEW).]

B. The person lacks the decisional capacity either to provide informed consent for treatment or to make an informed refusal of treatment; [PL 2015, c. 309, §1 (NEW).]

C. A person legally authorized to provide consent for treatment on behalf of the person is not reasonably available under the circumstances; [PL 2015, c. 309, §1 (NEW).]

D. The treatment being administered is a currently recognized standard of treatment for treating the person's mental illness and is the least restrictive form of treatment appropriate in the circumstances; [PL 2015, c. 309, §1 (NEW).]

E. For purposes of evaluation for emergency involuntary treatment, the medical practitioner considers available history and information from other sources, including, but not limited to, family members, that are considered reliable by the examiner; and [PL 2015, c. 309, §1 (NEW).]

F. A reasonable person concerned for the welfare of the person would conclude that the benefits of the treatment outweigh the risks and potential side effects of the treatment and would consent to the treatment under the circumstances. [PL 2015, c. 309, §1 (NEW).]

The judge or justice shall promptly transmit to the law enforcement officer or agency the decision to endorse or not endorse. A decision transmitted electronically has the same legal effect and validity as a signed original. An endorsement must authorize law enforcement to execute the authority in subsection 4. This section may not be construed to prevent law enforcement from accepting a voluntary surrender of dangerous weapons.

[PL 2019, c. 411, Pt. A, §1 (NEW); PL 2019, c. 411, Pt. D, §3 (AFF).]

4. Initial restrictions; notice by law enforcement. A. The restricted person, after notice under paragraph B:

- (1) Is prohibited from possessing, controlling, acquiring or attempting to possess, control or acquire a dangerous weapon pending the outcome of a judicial hearing;
- (2) Shall immediately and temporarily surrender any weapons possessed, controlled or acquired by the restricted person to a law enforcement officer who has authority in the jurisdiction in which the weapons are located pending the outcome of a judicial hearing; and
- (3) Has a right to a judicial hearing within 14 days of notice under paragraph B; and [PL 2019, c. 411, Pt. A, §1 (NEW); PL 2019, c. 411, Pt. D, §3 (AFF).]

B. A law enforcement officer shall, as soon as practicable, but no later than 24 hours after the judicial endorsement:

- (1) Notify the restricted person that the restricted person:
 - (a) Is prohibited from possessing, controlling, acquiring or attempting to possess, control or acquire a dangerous weapon pending the outcome of a judicial hearing;
 - (b) Is required to immediately and temporarily surrender any weapons possessed, controlled or acquired by the restricted person to a law enforcement officer who has authority in the jurisdiction in which the weapons are located pending the outcome of a judicial hearing; and
 - (c) Has a right to a judicial hearing within 14 days of the notice under this paragraph;
- (2) Notify the contact person, if any, disclosed by the restricted person to the medical practitioner and the district attorney in the district of the restricted person's residence of the person's restricted status; and
- (3) Report the person's restricted status to the Department of Public Safety. [PL 2019, c. 411, Pt. A, §1 (NEW); PL 2019, c. 411, Pt. D, §3 (AFF).]

[PL 2019, c. 411, Pt. A, §1 (NEW); PL 2019, c. 411, Pt. D, §3 (AFF).]

5. Temporary surrender to law enforcement. A law enforcement agency may store, or make arrangements with another law enforcement agency or federally licensed firearms dealer to store, and care for the weapons surrendered by a restricted person in the manner provided in subsection 7. A restricted person who makes all practical, immediate efforts to comply with a surrender notice under subsection 4 is not subject to arrest or prosecution as a prohibited person under Title 15, section 393, subsection 1, paragraph E-1 or E-2. If a law enforcement agency has probable cause to believe the restricted person possesses or controls but has not surrendered a weapon, law enforcement may, prior to or as part of a judicial hearing, search for and seize such a weapon when authorized by a judicially issued warrant or other circumstances approved by law.

[PL 2019, c. 411, Pt. A, §1 (NEW); PL 2019, c. 411, Pt. D, §3 (AFF).]

6. Judicial hearing. A judicial hearing under this section is governed by this subsection.

A. Within 5 days of the date of the notice given to a restricted person under subsection 4, paragraph B, the district attorney in the district of the restricted person's residence shall file a petition for judicial review of the initial restrictions by the district court. The district attorney shall provide to the restricted person written notice of the petition and hearing at least 7 days prior to the hearing. The restricted person has the right to be represented by counsel at the hearing, and the court may appoint counsel for an indigent party. Upon a showing of good cause, the court may extend the time to hold the hearing. [PL 2019, c. 411, Pt. A, §1 (NEW); PL 2019, c. 411, Pt. D, §3 (AFF).]

B. Within 14 days of the notice given under subsection 4, the court shall hold a hearing to determine whether to dissolve or extend the initial restrictions. In the hearing determining whether to dissolve or extend the initial restrictions, the district attorney has the burden to prove by clear and convincing evidence that the restricted person presents a likelihood of foreseeable harm. [PL 2019, c. 411, Pt. A, §1 (NEW); PL 2019, c. 411, Pt. D, §3 (AFF).]

C. In determining whether there are grounds to extend the initial restrictions, the court shall consider all relevant evidence, including, but not limited to, recent threats or acts of violence by the restricted person directed toward other persons; recent threats or acts of violence by the restricted person directed toward the restricted person; recent acts of unlawful abuse of animals by the restricted person; the reckless use or threatening display of a dangerous weapon by the restricted person; a history of the use, attempted use or threatened use of physical force by the restricted person against other persons; a record of prior custodial events or restrictions under this section; prior involuntary confinement of the restricted person in a hospital for persons with psychiatric disabilities; prior protection from abuse and protection from harassment orders against the restricted person or violations regarding protection from abuse or protection from harassment by the restricted person; evidence of stalking behavior, severe obsession or sexual violence by the restricted person; the illegal use of controlled substances by the restricted person; and evidence of alcohol or drug abuse by the restricted person. The court shall also consider whether the restricted person is receiving treatment responsive to that person's mental health or substance use needs. [PL 2019, c. 411, Pt. A, §1 (NEW); PL 2019, c. 411, Pt. D, §3 (AFF).]

D. This paragraph governs court orders.

(1) If the court finds after hearing that there is not clear and convincing evidence to continue or extend the initial restrictions, the court shall dissolve the initial restrictions and order the return of any weapons surrendered or seized. The court shall direct the Department of Public Safety to remove the record of restrictions from the department's pertinent database when developed by the department.

(2) If the court finds after hearing that there is clear and convincing evidence to continue or extend the initial restrictions, the court shall inform the restricted person that the restricted person is prohibited for up to one year from purchasing, possessing or controlling any dangerous weapon or attempting to purchase, possess or control any dangerous weapon. The court shall further order the person to immediately surrender dangerous weapons possessed or controlled by that person to a law enforcement officer and notify the Department of Public Safety for entry in the pertinent database when developed by the department.

(3) Extended restrictions imposed under this paragraph expire according to the terms of the court's order. The court shall schedule a hearing within 45 days prior to the expiration of the order to determine if the order should be extended. The district attorney has the burden of proving that the restricted person continues to pose a likelihood of foreseeable harm. If, after a hearing, the court finds by clear and convincing evidence that the restricted person continues to pose a likelihood of foreseeable harm, the court shall renew the extended restrictions for up

to one year. If the court does not so find, the court shall deny the petition and order the return of any weapons surrendered or seized. Upon motion by the State, the court may for cause shown order that the restricted person be examined for assessment of whether the restricted person continues to pose a likelihood of foreseeable harm. The fees or expenses for an assessment pursuant to this subparagraph may be paid from the Extradition and Prosecution Expenses Account established by Title 15, section 224-A.

(4) A restricted person may file one motion for dissolution during an extended restriction. For that motion, the restricted person has the burden of proving by clear and convincing evidence that the restricted person no longer poses a likelihood of foreseeable harm.

(5) A court shall electronically update or transmit to the Department of Public Safety, Bureau of State Police an abstract of the order issued by the court pursuant to this section that includes a prohibition on the possession of a dangerous weapon. The abstract must include the name, date of birth and gender of the person who is the subject of the order; the court's order and the expiration date of that order; and a notation that the person has been notified by the court.

The abstract required by this subparagraph is confidential and is not a public record as defined in Title 1, chapter 13; however, the information contained in the abstract or a copy of the abstract may be provided by the Department of Public Safety to a criminal justice agency for law enforcement purposes, to the Federal Bureau of Investigation, National Instant Criminal Background Check System or to an issuing authority for the purpose of processing concealed firearm permit applications. The Department of Public Safety shall, when the pertinent database is developed, request that the Federal Bureau of Investigation ensure that, immediately after the order expires, the National Instant Criminal Background Check System no longer reflects that expired order as a ground for prohibiting the subject of the order from possessing or acquiring a firearm. For the purposes of this subsection, "criminal justice agency" means a federal, state, tribal, district, county or local government agency or any subunit of those entities that performs the administration of criminal justice under a statute or executive order and that allocates a substantial part of its annual budget to the administration of criminal justice. Courts and the Department of the Attorney General are considered criminal justice agencies, as is any equivalent agency at any level of Canadian government.

(6) Nothing in this subsection may be construed to prevent the restricted person, district attorney and court from accepting a court-ordered disposition to which each agrees. [PL 2019, c. 411, Pt. A, §1 (NEW); PL 2019, c. 411, Pt. D, §3 (AFF).]

[PL 2019, c. 411, Pt. A, §1 (NEW); PL 2019, c. 411, Pt. D, §3 (AFF).]

7. Weapons storage and return. A law enforcement agency may store, or make arrangements with another law enforcement agency or federally licensed firearms dealer to store, any weapon surrendered to or seized by law enforcement under this section for as long as the threat-based restrictions are in effect. The duties and liability of a law enforcement agency with respect to handling and storage of a weapon surrendered or seized are governed by Title 25, section 2804-C, subsection 2-C. A weapon surrendered to or seized by a law enforcement agency must be returned to the restricted person when the threat-based restrictions expire. If a seized or surrendered weapon remains unclaimed for 6 months after the expiration or dissolution of threat-based restrictions, the law enforcement agency may dispose of the weapon consistent with Title 25, section 3503-A.

[PL 2019, c. 411, Pt. A, §1 (NEW); PL 2019, c. 411, Pt. D, §3 (AFF).]

8. Offense. Possession of a dangerous weapon by a restricted person is a Class D crime. [PL 2019, c. 411, Pt. A, §1 (NEW); PL 2019, c. 411, Pt. D, §3 (AFF).]

PL 2019, c. 411, Pt. A, §1 (NEW). PL 2019, c. 411, Pt. D, §3 (AFF).

§3863. Emergency procedure

A person may be admitted to a psychiatric hospital on an emergency basis according to the following procedures. [PL 2007, c. 319, §9 (AMD).]

1. Application. Any health officer, law enforcement officer or other person may apply to admit a person to a psychiatric hospital, subject to the prohibitions and penalties of section 3805, stating:

A. The applicant's belief that the person is mentally ill and, because of the person's illness, poses a likelihood of serious harm; and [PL 2009, c. 651, §13 (AMD).]

B. The grounds for this belief. [PL 1983, c. 459, §7 (NEW).]
[PL 2009, c. 651, §13 (AMD).]

2. Certifying examination. The written application must be accompanied by a dated certificate, signed by a medical practitioner stating:

A. That the practitioner has examined the person on the date of the certificate; [PL 2009, c. 651, §14 (AMD).]

B. That the medical practitioner is of the opinion that the person is mentally ill and, because of that illness, poses a likelihood of serious harm. The written certificate must include a description of the grounds for that opinion. The opinion may be based on personal observation or on history and information from other sources considered reliable by the examiner, including, but not limited to, family members; and [PL 2015, c. 309, §2 (AMD).]

C. That adequate community resources are unavailable for care and treatment of the person's mental illness. [PL 2015, c. 309, §2 (AMD).]

D. [PL 2015, c. 309, §2 (RP).]
[PL 2015, c. 309, §2 (AMD).]

2-A. Custody agreement. A state, county or municipal law enforcement agency may meet with representatives of those public and private health practitioners and health care facilities that are willing and qualified to perform the certifying examination required by this section in order to attempt to work out a procedure for the custody of the person who is to be examined while that person is waiting for that examination. Any agreement must be written and signed by and filed with all participating parties. In the event of failure to work out an agreement that is satisfactory to all participating parties, the procedures of section 3862 and this section continue to apply.

As part of an agreement the law enforcement officer requesting certification may transfer protective custody of the person for whom the certification is requested to another law enforcement officer, a health officer if that officer agrees or the chief administrative officer of a public or private health practitioner or health facility or the chief administrative officer's designee. Any arrangement of this sort must be part of the written agreement between the law enforcement agency and the health practitioner or health care facility. In the event of a transfer, the law enforcement officer seeking the transfer shall provide the written application required by this section.

A person with mental illness may not be detained or confined in any jail or local correctional or detention facility, whether pursuant to the procedures described in section 3862, pursuant to a custody agreement or under any other circumstances, unless that person is being lawfully detained in relation to or is serving a sentence for commission of a crime.

[PL 2007, c. 319, §9 (AMD).]

3. Judicial review. The application and accompanying certificate must be reviewed by a Justice of the Superior Court, Judge of the District Court, Judge of Probate or a justice of the peace, who may review the original application and accompanying certificate or a secure electronic or facsimile transmission of them.

A. If the judge or justice finds the application and accompanying certificate to be regular and in accordance with the law, the judge or justice shall endorse them and promptly send them to the admitting psychiatric hospital. For purposes of carrying out the provisions of this section, an endorsement transmitted by facsimile machine or an electronic endorsement transmitted by secure electronic means has the same legal effect and validity as an original endorsement signed by the judge or justice. [PL 2023, c. 66, §2 (AMD).]

B. A person may not be held against the person's will in a hospital under this section, except that a person for whom an examiner has executed the certificate under subsection 2 may be detained in a hospital for a reasonable period of time, not to exceed 24 hours, pending endorsement by a judge or justice, if:

(1) For a person informally admitted under section 3831, the chief administrative officer of the psychiatric hospital undertakes to secure the endorsement immediately upon execution of the certificate by the examiner; and

(2) For a person sought to be involuntarily admitted under this section, the person or persons seeking the involuntary admission undertake to secure the endorsement immediately upon execution of the certificate by the examiner. [PL 2007, c. 319, §9 (AMD).]

C. Notwithstanding paragraph B, subparagraphs (1) and (2), a person sought to be admitted informally under section 3831 or involuntarily under this section may be transported to a psychiatric hospital and held there for evaluation and treatment pending judicial endorsement of the application and certificate if the endorsement is obtained between the soonest available hours of 7:00 a.m. and 11:00 p.m. [PL 2007, c. 319, §9 (AMD).]

D. A person who has been held against that person's will for no more than 24 hours pursuant to paragraph B may be held for a reasonable additional period of time, not to exceed 48 hours, if:

(1) The hospital has had an evaluation of the person conducted by an appropriately designated individual and that evaluation concludes that the person poses a likelihood of serious harm due to mental illness;

(2) The hospital, after undertaking its best efforts, has been unable to locate an available inpatient bed at a psychiatric hospital or other appropriate alternative; and

(3) The hospital has notified the department of the name of the person, the location of the person, the name of the appropriately designated individual who conducted the evaluation pursuant to subparagraph (1) and the time the person first presented to the hospital. [PL 2015, c. 309, §3 (NEW).]

E. If a person remains in a hospital for the full 48 hours allowed under paragraph D, the person may be held for one additional 48-hour period, if:

(1) The hospital satisfies again the requirements of paragraph D; and

(2) The department provides its best efforts to find an inpatient bed at a psychiatric hospital or other appropriate alternative. [PL 2015, c. 309, §3 (NEW).]

[PL 2023, c. 66, §2 (AMD).]

4. Custody and transportation. Custody and transportation under this section are governed as follows.

A. Upon endorsement of the application and certificate by the judge or justice, a law enforcement officer or other person designated by the judge or justice may take the person into custody and transport that person to the psychiatric hospital designated in the application. Transportation of an individual to a psychiatric hospital under these circumstances must involve the least restrictive form of transportation available that meets the clinical needs of that individual. [PL 2007, c. 319, §9 (AMD).]

B. The Department of Health and Human Services is responsible for any reasonable transportation expenses under this section, including return from the psychiatric hospital if admission is declined. The department shall utilize any 3rd-party payment sources that are available. [PL 2015, c. 309, §4 (AMD).]

C. When a person who is under a sentence or lawful detention related to commission of a crime and who is incarcerated in a jail or local correctional or detention facility is admitted to a psychiatric hospital under any of the procedures in this subchapter, the county where the incarceration originated shall pay all expenses incident to transportation of the person between the psychiatric hospital and the jail or local correctional or detention facility. [PL 2007, c. 319, §9 (AMD).]
[PL 2015, c. 309, §4 (AMD).]

5. Continuation of hospitalization.

[PL 2009, c. 651, §15 (RP).]

5-A. Continuation of hospitalization. If there is need for further hospitalization of the person as determined by the chief administrative officer of the hospital, the chief administrative officer shall first determine if the person may be informally admitted under section 3831. If informal admission is not suitable or is refused by the person, the chief administrative officer may seek involuntary commitment in accordance with this subsection.

A. If the person is at a state mental health institute, the chief administrative officer may seek involuntary commitment by applying for an order under section 3864. [PL 2009, c. 651, §16 (NEW).]

B. If the person is at a designated nonstate mental health institution, the chief administrative officer may seek involuntary commitment only by requesting the commissioner to apply for an order under section 3864. [PL 2009, c. 651, §16 (NEW).]

C. An application under this subsection must be made to the District Court having territorial jurisdiction over the psychiatric hospital to which the person is admitted on an emergency basis and must be filed within 3 days from the date of admission of the patient under this section, except that, if the 3rd day falls on a weekend or holiday, the application must be filed on the next business day following that weekend or holiday. If no application to the District Court is timely filed, the person must be promptly discharged. [PL 2009, c. 651, §16 (NEW).]
[PL 2009, c. 651, §16 (NEW).]

6. Notice. Upon admission of a person under this section, and after consultation with the person, the chief administrative officer of the psychiatric hospital shall notify, as soon as possible regarding the fact of admission, the person's:

A. Guardian, if known; [PL 1997, c. 422, §12 (AMD).]

B. Spouse; [PL 1997, c. 422, §12 (AMD).]

C. Parent; [PL 1997, c. 422, §12 (AMD).]

D. Adult child; or [PL 1997, c. 422, §12 (AMD).]

E. Either the next of kin or a friend, if no guardian or immediate family member is known or can be quickly located. [PL 2009, c. 651, §17 (AMD).]

If the chief administrative officer has reason to believe that notice to any individual in paragraphs A to E would pose risk of harm to the person admitted, then notice may not be given to that individual. [PL 2009, c. 651, §17 (AMD).]

6-A. Notification to law enforcement of release after examination. When a person is taken by a law enforcement officer to a hospital for examination under this section and not admitted but released,

the chief administrative officer of the hospital shall notify the law enforcement officer or the law enforcement officer's agency of that release.

[PL 2009, c. 451, §10 (NEW).]

7. Post-admission examination. Every patient admitted to a psychiatric hospital under this section must be examined as soon as practicable after the patient's admission. If findings required for admission under subsection 2 are not certified in a 2nd opinion by a staff medical practitioner within 24 hours after admission, the person must be immediately discharged.

A. [PL 2009, c. 651, §18 (RP).]

B. [PL 2009, c. 651, §18 (RP).]

[PL 2021, c. 389, §1 (AMD).]

7-A. Post-admission discharge. If it is necessary to discharge a person because findings required for admission under subsection 2 are not certified in a 2nd opinion by a staff medical practitioner after examination in accordance with subsection 7, the staff medical practitioner shall record the discharge on the written application, which must contain a statement that the findings required for the person's admission specified under subsection 2 were not met.

[PL 2021, c. 389, §2 (AMD).]

8. Rehospitalization from progressive treatment program. An ACT team practitioner or the commissioner may apply under this section to admit to a state mental health institute a patient who fails to fully participate in the progressive treatment program in accordance with section 3873-A.

[PL 2009, c. 651, §19 (AMD).]

9. Limitation. Admission to a psychiatric hospital on an emergency basis under the provisions of this section is not commitment to a psychiatric hospital.

[PL 2007, c. 446, §2 (NEW); PL 2007, c. 446, §7 (AFF).]

2. Detention pending judicial determination. Notwithstanding any other provisions of this subchapter, a person, with respect to whom an application for the issuance of an order for hospitalization has been filed, may not be released or discharged during the pendency of the proceedings, unless:

[PL 1997, c. 422, §15 (AMD).]

B. A docket entry is sufficient evidence that notice under this subsection has been given. [PL 1983, c. 459, §7 (NEW).]
[PL 1997, c. 422, §15 (AMD).]

4. Examination. Examinations under this section are governed as follows.

- A. Upon receipt by the District Court of the application and the accompanying documents specified in subsection 1 and at least 3 days after the person who is the subject of the examination was notified by the psychiatric hospital of the proceedings and of that person's right to retain counsel or to select an examiner, the court shall cause the person to be examined by a medical practitioner. If the application includes a request for an order for involuntary treatment under subsection 7-A, the practitioner must be a medical practitioner who is qualified to prescribe medication relevant to the patient's care. If the person under examination or the counsel for that person selects a qualified examiner who is reasonably available, the court shall give preference to choosing that examiner. [PL 2009, c. 651, §21 (AMD).]
- B. The examination must be held at a psychiatric hospital or at any other suitable place not likely to have a harmful effect on the mental health of the person. [PL 2009, c. 651, §21 (AMD).]

 - (2-A) If the hearing on involuntary treatment is not held within the time specified, or within the specified continuance period, the court shall dismiss the application for involuntary treatment.

- (3) In computing the time periods set forth in this paragraph, the Maine Rules of Civil Procedure apply. [PL 2009, c. 651, §22 (AMD).]
- A-1. Prior to the commencement of the hearing, the court shall inform the person that if an order of involuntary commitment is entered, that person is a prohibited person and may not own, possess or have under that person's control a firearm pursuant to Title 15, section 393, subsection 1. [PL 2007, c. 670, §18 (NEW).]
- B. The hearing must be conducted in as informal a manner as may be consistent with orderly procedure and in a physical setting not likely to have harmful effect on the mental health of the person. If the setting is outside the psychiatric hospital to which the patient is currently admitted, the Department of Health and Human Services shall bear the responsibility and expense of transporting the patient to and from the hearing. If the patient is to be admitted to a psychiatric hospital following the hearing, then the hospital from which the patient came shall transport the patient to the admitting psychiatric hospital. If the patient is to be released following the hearing, then the hospital from which the patient came shall return the patient to that hospital or, at the patient's request, return the patient to the patient's place of residence. [PL 2007, c. 319, §10 (AMD).]

- D. The person must be afforded an opportunity to be represented by counsel, and, if neither the person nor others provide counsel, the court shall appoint counsel for the person. [PL 2007, c. 319, §10 (AMD).]
- E. In addition to proving that the patient is a mentally ill individual, the applicant must show:
- (1) By evidence of the patient's recent actions and behavior, that due to the patient's mental illness the patient poses a likelihood of serious harm; and
- (2) That, after full consideration of less restrictive treatment settings and modalities, inpatient hospitalization is the best available means for the treatment of the person. [PL 2005, c. 519, Pt. BBBB, §10 (AMD); PL 2005, c. 519, Pt. BBBB, §20 (AFF).]
- F. In each case, the applicant shall submit to the court, at the time of the hearing, testimony, including expert psychiatric testimony, indicating the individual treatment plan to be followed by the psychiatric hospital staff, if the person is committed under this section, and shall bear any expense for witnesses for this purpose. [PL 2007, c. 319, §10 (AMD).]
- G. A stenographic or electronic record must be made of the proceedings in all judicial hospitalization hearings.
- (1) The record and all notes, exhibits and other evidence are confidential.

District Court Judge, except that the court may order a public hearing on the request of the person or the person's counsel. [PL 2007, c. 319, §10 (AMD).]
[PL 2009, c. 651, §22 (AMD).]

6. Court findings. Procedures dealing with the District Court's findings under this section are as follows.

A. The District Court shall so state in the record, if it finds upon completion of the hearing and consideration of the record:

- (1) Clear and convincing evidence that the person is mentally ill and that the person's recent actions and behavior demonstrate that the person's illness poses a likelihood of serious harm;
- (1-A) That adequate community resources for care and treatment of the person's mental illness are unavailable;
- (2) That inpatient hospitalization is the best available means for treatment of the patient; and
- (3) That it is satisfied with the individual treatment plan offered by the psychiatric hospital to which the applicant seeks the patient's involuntary commitment. [PL 2009, c. 651, §23 (AMD).]

B. If the District Court makes the findings in paragraph A, subparagraphs (1), (1-A) and (2), but is not satisfied with the individual treatment plan as offered, it may continue the case for not longer than 10 days, pending reconsideration and resubmission of an individual treatment plan by the psychiatric hospital. [PL 2009, c. 651, §23 (AMD).]

C. If the District Court makes the findings in section 3873-A, subsection 1, the court may issue an order under section 3873-A requiring the person to participate in a progressive treatment program. [PL 2009, c. 651, §23 (NEW).]
[PL 2009, c. 651, §23 (AMD).]

7. Commitment. Upon making the findings described in subsection 6, paragraph A, the court may order commitment to a psychiatric hospital for a period not to exceed 4 months in the first instance and not to exceed one year after the first and all subsequent hearings.

A. The court may issue an order of commitment immediately after the completion of the hearing, or it may take the matter under advisement and issue an order within 24 hours of the hearing. [PL 1983, c. 459, §7 (NEW).]

B. If the court does not issue an order of commitment within 24 hours of the completion of the hearing, it shall dismiss the application and order the patient discharged immediately. [PL 1995, c. 496, §6 (AMD).]
[PL 2009, c. 651, §24 (AMD).]

7-A. Involuntary treatment. This subsection governs involuntary treatment.

A. The court may grant a psychiatric hospital power to implement a recommended treatment plan without a person's consent for up to 120 days or until the end of the commitment, whichever is sooner, if upon application the court finds:

- (1) That the person lacks the capacity to make an informed decision regarding treatment;
- (2) That the person is unable or unwilling to comply with recommended treatment;
- (3) That the need for the treatment outweighs the risks and side effects; and
- (4) That the recommended treatment is the least intrusive appropriate treatment option.

Alternatively, the court may appoint a surrogate to make treatment decisions on the person's behalf for the duration of the commitment if the court is satisfied that the surrogate is suitable, willing and

reasonably available to act in the person's best interests. [PL 2007, c. 446, §4 (NEW); PL 2007, c. 446, §7 (AFF).]

B. The need for involuntary treatment under paragraph A may be based on findings that include, but are not limited to, the following:

(1) That a failure to treat the illness is likely to produce lasting or irreparable harm to the person; or

(2) That without the recommended treatment the person's illness or involuntary commitment may be significantly extended without addressing the symptoms that cause the person to pose a likelihood of serious harm. [PL 2007, c. 446, §4 (NEW); PL 2007, c. 446, §7 (AFF).]

C. The parties may agree to change, terminate or extend the treatment plan during the time period of an order for involuntary treatment. [PL 2009, c. 651, §25 (AMD).]

D. For good cause shown, any party may apply to the court to change or terminate the treatment plan. [PL 2009, c. 651, §26 (AMD).]

[PL 2009, c. 651, §§25, 26 (AMD).]

8. Continued involuntary hospitalization. If the chief administrative officer of the psychiatric hospital to which a person has been committed involuntarily by the District Court recommends that continued involuntary hospitalization is necessary for that person, the chief administrative officer shall notify the commissioner. The commissioner may then, not later than 21 days prior to the expiration of a period of commitment ordered by the court, make application in accordance with this section to the District Court that has territorial jurisdiction over the psychiatric hospital designated for treatment in the application by the commissioner for a hearing to be held under this section. [PL 2007, c. 319, §10 (AMD).]

9. Transportation. Except for transportation expenses paid by the District Court pursuant to subsection 10, a continued involuntary hospitalization hearing that requires transportation of the patient to and from any psychiatric hospital to a court that has committed the person must be provided at the expense of the Department of Health and Human Services. Transportation of an individual to a psychiatric hospital under these circumstances must involve the least restrictive form of transportation available that meets the clinical needs of that individual and be in compliance with departmental regulations.

[PL 2007, c. 319, §10 (AMD).]

10. Expenses. With the exception of expenses incurred by the applicant pursuant to subsection 5, paragraph F, the District Court is responsible for any expenses incurred under this section, including fees of appointed counsel, witness and notice fees and expenses of transportation for the person.

[PL 2007, c. 319, §10 (AMD).]

11. Appeals. A person ordered by the District Court to be committed to a psychiatric hospital may appeal from that order to the Superior Court.

A. The appeal is on questions of law only. [PL 1983, c. 459, §7 (NEW).]

B. Any findings of fact of the District Court may not be set aside unless clearly erroneous. [PL 1983, c. 459, §7 (NEW).]

C. The order of the District Court remains in effect pending the appeal. [PL 2007, c. 319, §10 (AMD).]

D. The District Court Civil Rules and the Maine Rules of Civil Procedure apply to the conduct of the appeals, except as otherwise specified in this subsection. [PL 1983, c. 459, §7 (NEW).]

[PL 2007, c. 319, §10 (AMD).]

12. Transmission of abstract of court ruling to the State Bureau of Identification.

Notwithstanding any other provision of this section or section 1207, a court shall transmit to the Department of Public Safety, State Bureau of Identification an abstract of any order for involuntary commitment issued by the court pursuant to this section. The abstract must include:

- A. The name, date of birth and gender of the person who is the subject of the order for involuntary commitment; [PL 2007, c. 670, §19 (NEW).]
- B. The court's ruling that the person has been involuntarily committed; and [PL 2007, c. 670, §19 (NEW).]
- C. A notation that the person has been notified by the court in accordance with subsection 5, paragraph A-1 and subsection 13. [PL 2007, c. 670, §19 (NEW).]

The abstract required in this subsection is confidential and is not a "public record" as defined in Title 1, chapter 13; however, a copy of the abstract may be provided by the State Bureau of Identification to a criminal justice agency for legitimate law enforcement purposes, to the Federal Bureau of Investigation, National Instant Criminal Background Check System or to an issuing authority for the purpose of processing concealed firearm permit applications.

For the purposes of this subsection, "criminal justice agency" means a federal, state, tribal, district, county or local government agency or any subunit thereof that performs the administration of criminal justice under a statute or executive order and that allocates a substantial part of its annual budget to the administration of criminal justice. Courts and the Department of the Attorney General are considered criminal justice agencies. "Criminal justice agency" also includes any equivalent agency at any level of Canadian government.

[PL 2007, c. 670, §19 (NEW).]

13. Firearms possession prohibition notification. A court that orders a person to be committed involuntarily pursuant to this section shall inform the person that possession, ownership or control of a firearm by that person is prohibited pursuant to Title 15, section 393, subsection 1. As used in this subsection, "firearm" has the same meaning as in Title 17-A, section 2, subsection 12-A.

[PL 2007, c. 319, §11 (AMD).]

1. Rules and rights. [PL 2007, c. 319, §11 (AMD).]

2. Powers of chief administrative officer. The chief administrative officer of any psychiatric hospital or institution operated by a federal agency in which the person is hospitalized has, with respect

1. To other hospitals. The commissioner may transfer, or authorize the transfer of, a patient from one hospital to another, either inside or outside the State, if the commissioner determines that it would be consistent with the medical or psychiatric needs of the patient to do so.

§3869. Return from unauthorized absence

If any patient committed under section 3864 leaves the grounds of the psychiatric hospital without authorization of the chief administrative officer of the psychiatric hospital or the chief administrative officer's designee, or refuses to return to the psychiatric hospital from a community pass when requested to do so by the chief administrative officer or the chief administrative officer's designee, law enforcement personnel of the State or of any of its subdivisions may, upon request of the chief administrative officer or the chief administrative officer's designee, assist in the return of the patient to the psychiatric hospital. [PL 2007, c. 319, §15 (AMD).]

SECTION HISTORY

PL 1983, c. 459, §7 (NEW). PL 2007, c. 319, §15 (AMD).

§3870. Convalescent status

1. Authority. The chief administrative officer of a state mental health institute may release an improved patient on convalescent status when the chief administrative officer believes that the release is in the best interest of the patient and that the patient does not pose a likelihood of serious harm. The chief administrative officer of a nonstate mental health institute may release an improved patient on convalescent status when the chief administrative officer believes that the release is in the best interest of the patient, the patient does not pose a likelihood of serious harm and, when releasing an involuntarily committed patient, the chief administrative officer has obtained the approval of the commissioner after submitting a plan for continued responsibility.

A. Release on convalescent status may include provisions for continuing responsibility to and by the psychiatric hospital, including a plan of treatment on an outpatient or nonhospital basis. [PL 2007, c. 319, §16 (AMD).]

B. Before release on convalescent status under this section, the chief administrative officer of a psychiatric hospital shall make a good faith attempt to notify, by telephone, personal communication or letter, of the intent to release the patient on convalescent status and of the plan of treatment, if any:

- (1) The parent or guardian of a minor patient;
- (2) The legal guardian of an adult incompetent patient, if any is known; or
- (3) The spouse or adult next of kin of an adult competent patient, if any is known, unless the patient requests in writing that the notice not be given.

If the chief administrative officer of the psychiatric hospital to which the patient is currently admitted has reason to believe that notice to any of the individuals listed in this paragraph would pose risk of harm to the patient, then notice may not be given to that individual. [PL 2007, c. 319, §16 (AMD).]

C. The psychiatric hospital is not liable when good faith attempts to notify the parents, spouse or guardian have failed. [PL 2007, c. 319, §16 (AMD).]

D. Before releasing a patient on convalescent status, the chief administrative officer of the psychiatric hospital shall advise the patient, orally and in writing, of the terms of the patient's convalescent status, the treatment available while the patient is on convalescent status and, if the patient is a voluntary patient, of the patient's right to request termination of the status and, if involuntarily committed, the means by which and conditions under which rehospitalization may occur. [PL 2007, c. 319, §16 (AMD).]

[PL 2007, c. 319, §16 (AMD).]

2. Reexamination. Before a patient has spent a year on convalescent status, and at least once a year thereafter, the chief administrative officer of the psychiatric hospital shall reexamine the facts relating to the hospitalization of the patient on convalescent status.

[PL 2007, c. 319, §16 (AMD).]

3. Discharge. Discharge from convalescent status is governed as follows.

A. If the chief administrative officer of the psychiatric hospital determines that, in view of the condition of the patient, convalescent status is no longer necessary, the chief administrative officer shall discharge the patient and make a report of the discharge to the commissioner. [PL 2007, c. 319, §16 (AMD).]

B. The chief administrative officer shall terminate the convalescent status of a voluntary patient within 10 days after the day the chief administrative officer receives from the patient a request for discharge from convalescent status. [PL 1997, c. 422, §22 (AMD).]

C. Discharge from convalescent status occurs upon expiration of the period of involuntary commitment. [PL 2005, c. 519, Pt. BBBB, §11 (NEW); PL 2005, c. 519, Pt. BBBB, §20 (AFF).]

[PL 2007, c. 319, §16 (AMD).]

4. Rehospitalization. Rehospitalization of patients under this section is governed as follows.

A. If, prior to discharge, there is reason to believe that it is in the best interest of an involuntarily committed patient on convalescent status to be rehospitalized, or if an involuntarily committed patient on convalescent status poses a likelihood of serious harm, the commissioner, or the chief administrative officer of the psychiatric hospital with the approval of the commissioner, may issue an order for the immediate rehospitalization of the patient. [PL 2007, c. 319, §16 (AMD).]

B. [PL 1997, c. 422, §22 (RP).]

C. If the order is not voluntarily complied with, an involuntarily committed patient on convalescent leave may be returned to the psychiatric hospital if the following conditions are met:

- (1) An order is issued pursuant to paragraph A;
- (2) The order is brought before a District Court Judge or justice of the peace; and
- (3) Based upon clear and convincing evidence that return to the psychiatric hospital is in the patient's best interest or that the patient poses a likelihood of serious harm, the District Court Judge or justice of the peace approves return to the psychiatric hospital.

After approval by the District Court Judge or justice of the peace, a law enforcement officer may take the patient into custody and arrange for transportation of the patient in accordance with the provisions of section 3863, subsection 4.

This paragraph does not preclude the use of protective custody by law enforcement officers pursuant to section 3862. [PL 2007, c. 319, §16 (AMD).]

[PL 2007, c. 319, §16 (AMD).]

5. Notice of change of status. Notice of the change of convalescent status of patients is governed as follows.

A. If the convalescent status of a patient in a psychiatric hospital is to be changed, either because of a decision of the chief administrative officer of the psychiatric hospital or because of a request made by a voluntary patient, the chief administrative officer of the psychiatric hospital shall immediately make a good faith attempt to notify, by telephone, personal communication or letter, of the contemplated change:

- (1) The parent or guardian of a minor patient;

- (2) The guardian of an adult incompetent patient, if any is known; or
- (3) The spouse or adult next of kin of an adult competent patient, unless the patient requests in writing that the notice not be given.

If the chief administrative officer of the psychiatric hospital to which the patient is currently admitted has reason to believe that notice to any of the individuals listed in this paragraph would pose risk of harm to the person, then notice may not be given to that individual. [PL 2007, c. 319, §16 (AMD).]

B. If the change in convalescent status is due to the request of a voluntary patient, the chief administrative officer of the psychiatric hospital shall give the required notice within 10 days after the day the chief administrative officer receives the request. [PL 2007, c. 319, §16 (AMD).]

C. The psychiatric hospital is not liable when good faith attempts to notify the parents, spouse or guardian have failed. [PL 2007, c. 319, §16 (AMD).]

[PL 2007, c. 319, §16 (AMD).]

§3871. Discharge

1. Examination. The chief administrative officer of a psychiatric hospital shall, as often as practicable, but no less often than every 30 days, examine or cause to be examined every patient to determine that patient's mental status and need for continuing hospitalization.

[PL 2007, c. 319, §17 (AMD).]

2. Conditions for discharge. The chief administrative officer of a psychiatric hospital shall discharge, or cause to be discharged, any patient when:

A. Conditions justifying hospitalization no longer obtain; [PL 1983, c. 459, §7 (NEW).]

B. The patient is transferred to another hospital for treatment for that patient's mental or physical condition; [PL 1997, c. 422, §23 (AMD).]

C. The patient is absent from the psychiatric hospital unlawfully for a period of 90 days; [PL 2007, c. 319, §17 (AMD).]

D. Notice is received that the patient has been admitted to another hospital, inside or outside the State, for treatment for that patient's mental or physical condition; or [PL 1997, c. 422, §23 (AMD).]

E. Although lawfully absent from the psychiatric hospital, the patient is admitted to another hospital, inside or outside the State, for treatment of that patient's mental or physical condition, except that, if the patient is directly admitted to another hospital and it is the opinion of the chief administrative officer of the psychiatric hospital that the patient will directly reenter the psychiatric hospital within the foreseeable future, the patient need not be discharged. [PL 2007, c. 319, §17 (AMD).]

[PL 2007, c. 319, §17 (AMD).]

3. Discharge against medical advice. The chief administrative officer of a psychiatric hospital may discharge, or cause to be discharged, any patient even though the patient is mentally ill and appropriately hospitalized in the psychiatric hospital, if:

A. The patient and either the guardian, spouse or adult next of kin of the patient request that patient's discharge; and [PL 1997, c. 422, §23 (AMD).]

B. In the opinion of the chief administrative officer of the psychiatric hospital, the patient does not pose a likelihood of serious harm due to that patient's mental illness. [PL 2007, c. 319, §17 (AMD).]

[PL 2007, c. 319, §17 (AMD).]

3-A. Discharge limited. A psychiatric hospital may not discharge a person committed under section 3864 solely because the person is placed in execution of a sentence in a county jail.

[PL 2009, c. 281, §4 (NEW).]

4. Reports.

[PL 1995, c. 496, §7 (RP).]

5. Notice. Notice of discharge is governed as follows.

A. When a patient is discharged under this section, the chief administrative officer of the psychiatric hospital shall immediately make a good faith attempt to notify the following people, by telephone, personal communication or letter, that the discharge has taken or will take place:

- (1) The parent or guardian of a minor patient;
- (2) The guardian of an adult incompetent patient, if any is known; or
- (3) The spouse or adult next of kin of an adult competent patient, if any is known, unless the patient requests in writing that the notice not be given or unless the patient was transferred from or will be returned to a state correctional facility.

If the chief administrative officer of the psychiatric hospital to which the patient is currently admitted has reason to believe that notice to any of the individuals listed in this paragraph would pose a risk of harm to the person, then notice may not be given to that individual. [PL 2007, c. 319, §17 (AMD).]

B. The psychiatric hospital is not liable when good faith attempts to notify the parents, spouse or guardian have failed. [PL 2007, c. 319, §17 (AMD).]

[PL 2007, c. 319, §17 (AMD).]

6. Discharge to progressive treatment program. If a person participates in the progressive treatment program under section 3873-A, the time period of a commitment under this section terminates on entry into the progressive treatment program.

[PL 2009, c. 651, §27 (AMD).]

7. Firearms and discharge planning. Discharge planning must include inquiries and documentation of those inquiries into access by the patient to firearms and notification to the patient, the patient's family and any other caregivers that possession, ownership or control of a firearm by the person to be discharged is prohibited pursuant to Title 15, section 393, subsection 1. §3873-A. Progressive treatment program

1. Application. The superintendent or chief administrative officer of a psychiatric hospital, the commissioner, the director of an ACT team, a medical practitioner, a law enforcement officer or the legal guardian of the patient who is the subject of the application may obtain an order from the District Court to admit a patient to a progressive treatment program upon the following conditions:

- A. The patient suffers from a severe and persistent mental illness; [PL 2009, c. 651, §29 (NEW).]
- B. The patient poses a likelihood of serious harm; [PL 2009, c. 651, §29 (NEW).]
- C. The patient has the benefit of a suitable individualized treatment plan; [PL 2009, c. 651, §29 (NEW).]
- D. Licensed and qualified community providers are available to support the treatment plan; [PL 2011, c. 492, §1 (AMD).]
- E. The patient is unlikely to follow the treatment plan voluntarily; [PL 2009, c. 651, §29 (NEW).]
- F. Court-ordered compliance will help to protect the patient from interruptions in treatment, relapses or deterioration of mental health; and [PL 2009, c. 651, §29 (NEW).]
- G. Compliance will enable the patient to survive more safely in a community setting without posing a likelihood of serious harm. [PL 2009, c. 651, §29 (NEW).]

[PL 2011, c. 492, §1 (AMD).]

2. Contents of the application. The application must be accompanied by a certificate of a medical practitioner providing the facts and opinions necessary to support the application. The certificate must indicate that the examiner's opinions are based on one or more recent examinations of the patient or upon the examiner's recent personal treatment of the patient. Opinions of the examiner may be based on personal observation and must include a consideration of history and information from other sources considered reliable by the examiner when such sources are available. The application must include a proposed individualized treatment plan and identify one or more licensed and qualified community providers willing to support the plan.

The applicant must also provide a written statement certifying that a copy of the application and the accompanying documents have been given personally to the patient and that the patient and the patient's guardian or next of kin, if any, have been notified of:

- A. The patient's right to retain an attorney or to have an attorney appointed; [PL 2009, c. 651, §29 (NEW).]
- B. The patient's right to select or to have the patient's attorney select an independent examiner; and [PL 2009, c. 651, §29 (NEW).]
- C. How to contact the District Court. [PL 2009, c. 651, §29 (NEW).]

[PL 2011, c. 492, §1 (AMD).]

3. Notice of hearing. Upon receipt by the District Court of the application or any motion relating to the application, the court shall cause written notice of hearing to be mailed within 2 days to the applicant, to the patient and to the following persons if known: to anyone serving as the patient's guardian and to the patient's spouse, a parent or an adult child, if any. If no immediate relatives are known or can be located, notice must be mailed to a person identified as the patient's next of kin or a

friend, if any are known. If the applicant has reason to believe that notice to any individual would pose risk of harm to the patient, notice to that individual may not be given. A docket entry is sufficient evidence that notice under this subsection has been given. If the patient is not hospitalized, the applicant shall serve the notice of hearing upon the patient personally and provide proof of service to the court. [PL 2011, c. 492, §1 (AMD).]

4. Examinations. Examinations under this section are governed as follows.

A. Upon receipt by the District Court of the application and the accompanying documents specified in subsection 1 and at least 3 days after the person who is the subject of the examination is notified by the applicant of the proceedings and of that person's right to retain counsel or to select an examiner, the court shall cause the person to be examined by a medical practitioner. If the person under examination or the counsel for that person selects a qualified examiner who is reasonably available, the court shall give preference to choosing that examiner. [PL 2009, c. 651, §29 (NEW).]

B. The examination must be held at a psychiatric hospital, a crisis center, an ACT team facility or at another suitable place not likely to have a harmful effect on the mental health of the patient. [PL 2009, c. 651, §29 (NEW).]

C. The examiner shall report to the court on:

(1) Whether the patient is a mentally ill person within the meaning of section 3801, subsection 5;

(2) Whether the patient is suffering from a severe and persistent mental illness within the meaning of section 3801, subsection 8-A; and

(3) Whether the patient poses a likelihood of serious harm within the meaning of section 3801, subsection 4-A. [PL 2009, c. 651, §29 (NEW).]

[PL 2009, c. 651, §29 (NEW).]

5. Hearings. Hearings under this section are governed as follows.

A. The District Court shall hold a hearing on the application or any subsequent motion not later than 14 days from the date when the application or motion is filed. For good cause shown, on a motion by any party or by the court on its own motion, the hearing may be continued for a period not to exceed 21 additional days. If the hearing is not held within the time specified, or within the specified continuance period, the court shall dismiss the application or motion. In computing the time periods set forth in this paragraph, the Maine Rules of Civil Procedure apply. [PL 2009, c. 651, §29 (NEW).]

A-1. Prior to the commencement of the hearing, the court shall inform the patient that, if an order is entered that includes a prohibition on the possession of dangerous weapons, that patient is a prohibited person and may not possess or have under that patient's control a firearm pursuant to Title 15, section 393, subsection 1. [PL 2019, c. 411, Pt. B, §1 (NEW); PL 2019, c. 411, Pt. D, §3 (AFF).]

B. The hearing must be conducted in as informal a manner as may be consistent with orderly procedure and in a physical setting not likely to harm the mental health of the patient. The applicant shall transport the patient to and from the place of hearing. If the patient is released following the hearing, the patient must be transported to the patient's place of residence if the patient so requests. [PL 2009, c. 651, §29 (NEW).]

C. The court shall conduct the hearing in accordance with accepted rules of evidence. The patient, the applicant and all other persons to whom notice is required to be sent must be afforded an opportunity to appear at the hearing to testify and to present and cross-examine witnesses. The

court may, in its discretion, receive the testimony of any other person and may subpoena any witness. [PL 2009, c. 651, §29 (NEW).]

D. The patient must be afforded an opportunity to be represented by counsel, and, if neither the patient nor others provide counsel, the court shall appoint counsel for the patient. [PL 2009, c. 651, §29 (NEW).]

E. At the time of hearing, the applicant shall submit to the court expert testimony to support the application and to describe the proposed individual treatment plan. The applicant shall bear the expense of providing witnesses for this purpose. [PL 2009, c. 651, §29 (NEW).]

F. The court may consider, but is not bound by, an advance directive or durable power of attorney executed by the patient and may receive testimony from the patient's guardian or attorney in fact. [PL 2009, c. 651, §29 (NEW).]

G. A stenographic or electronic record must be made of the proceedings. The record and all notes, exhibits and other evidence are confidential and must be retained as part of the District Court records for a period of 2 years from the date of the hearing. [PL 2009, c. 651, §29 (NEW).]

H. The hearing is confidential and a report of the proceedings may not be released to the public or press, except by permission of the patient or the patient's counsel and with approval of the presiding District Court Judge, except that the court may order a public hearing on the request of the patient or patient's counsel. [PL 2009, c. 651, §29 (NEW).]

I. Except as provided in this subsection, the provisions of section 3864, subsections 10 and 11 apply to expenses and the right of appeal. [PL 2009, c. 651, §29 (NEW).]
[PL 2019, c. 411, Pt. B, §1 (AMD); PL 2019, c. 411, Pt. D, §3 (AFF).]

6. Order. After notice, examination and hearing, the court may issue an order effective for a period of up to 12 months directing the patient to follow an individualized treatment plan and identifying incentives for compliance and potential consequences for noncompliance. [PL 2009, c. 651, §29 (NEW).]

7. Compliance. To ensure compliance with the treatment plan, the court may:

A. Order that the patient be committed to the care and supervision of an ACT team or other outpatient facility with such restrictions or conditions as may be reasonable and necessary to ensure plan compliance; [PL 2009, c. 651, §29 (NEW).]

B. Endorse an application for admission to a psychiatric hospital under section 3863 conditioned on receiving a certificate from a medical practitioner that the patient has failed to comply with an essential requirement of the treatment plan; and [PL 2011, c. 541, §3 (AMD).]

C. Order that any present or conditional restrictions on the patient's liberty or control over the patient's assets or affairs be suspended or ended upon achievement of the designated goals under the treatment plan. [PL 2009, c. 651, §29 (NEW).]
[PL 2011, c. 541, §3 (AMD).]

7-A. Dangerous weapons. If the court directs a patient to follow an individualized treatment plan pursuant to subsection 6, the court may prohibit the patient from possessing a dangerous weapon as described in Title 17-A, section 2, subsection 9, paragraph C, including a firearm as defined in Title 17-A, section 2, subsection 12-A, for the duration of the treatment plan. If the court prohibits the patient from possessing a dangerous weapon, the court shall specify the type of weapon the patient is prohibited from possessing; notify the patient that possession of such a weapon by the person is prohibited pursuant to Title 15, section 393; and direct the patient to relinquish, within 24 hours after service of the order on the patient or such earlier time as the court specifies in the order, such weapons in the possession of the patient to a law enforcement officer for the duration of the order. The duties and

liability of a law enforcement agency with respect to dangerous weapons surrendered pursuant to this subsection are governed by Title 25, section 2804-C, subsection 2-C.

[PL 2019, c. 411, Pt. B, §2 (NEW); PL 2019, c. 411, Pt. D, §3 (AFF).]

7-B. Transmission of abstract of court ruling to Department of Public Safety.

Notwithstanding any other provision of this section or section 1207, a court shall electronically update or transmit to the Department of Public Safety an abstract of the order issued by the court pursuant to this section that includes a prohibition on the possession of a dangerous weapon pursuant to subsection 7-A. Implementation of this requirement is governed by section 3862-A, subsection 6, paragraph D, subparagraph (5).

[PL 2019, c. 411, Pt. B, §2 (NEW); PL 2019, c. 411, Pt. D, §3 (AFF).]

8. Consequences. In addition to any conditional remedies contained in the court's order, if the patient fails to comply with the treatment plan, the applicant may file with the court a motion for enforcement supported by a certificate from a medical practitioner identifying the circumstances of noncompliance. If after notice and hearing the court finds that the patient has been noncompliant and that the patient presents a likelihood of serious harm, the court may authorize emergency hospitalization under section 3863 if the practitioner's certificate supporting the motion complies with section 3863, subsection 2. Nothing in this section precludes the use of protective custody by law enforcement officers under section 3862.

[PL 2009, c. 651, §29 (NEW).]

9. Motion to dissolve, modify or extend. For good cause shown, any party to the application may move to dissolve or modify an order or to extend the term of the treatment plan for an additional term of up to one year.

The department shall provide contracted case management services to provide necessary mental health treatment to veterans who are residents of the State. Case management services must include assisting veterans in accessing a range of mental and behavioral health services, which must include inpatient mental health care services as clinically required. The department, with the assistance of the Department of Defense, Veterans and Emergency Management, Maine Bureau of Veterans' Services, referred to in this subchapter as "the bureau," shall identify regions of the State where case management services are most needed and identify veterans seeking case management services who are enrolled with the United States Department of Veterans Affairs and those who would likely be eligible to be enrolled. [PL 2021, c. 430, §2 (NEW).]

1. Coordination. The department, with the assistance of the bureau, shall seek to coordinate services with the United States Department of Veterans Affairs and state agencies that offer mental health care services or provide assistance to veterans.
[PL 2021, c. 430, §2 (NEW).]

2. Regional contracts. The department may enter into regional contracts, including a contract with a provider that has experience providing services in the northern part of the State, for the purpose of ensuring a statewide network of case management that provides coordinated mental health care services for veterans living in the State, including, but not limited to, inpatient treatment as clinically required. Contracted providers shall, at a minimum, connect each individual referred to the provider for case management services with a veteran service officer at the bureau, who shall assist the individual in accessing the state and federal veterans benefits to which the individual may be entitled.
[PL 2021, c. 430, §2 (NEW).]

3. Eligibility. An individual who served in the Armed Forces of the United States and meets the definition of "veteran" under 38 Code of Federal Regulations, Section 3.1 or who has served or is currently serving in the Maine Army National Guard or Air National Guard or the Reserves of the Armed Forces of the United States is eligible to receive services under this subchapter. The character of a veteran's discharge from service is not a disqualifying eligibility criterion to receive services under this subchapter. A veteran who has received a mental health diagnosis or mental health disability rating from the United States Department of Veterans Affairs is eligible to receive services under this subchapter. A veteran who is not enrolled with the United States Department of Veterans Affairs who is determined to require mental health care services by a licensed mental health professional may be considered eligible for case management and other behavioral health services under this subchapter based on the individual needs of the veteran. The department, with the assistance of the bureau, shall establish criteria to determine eligibility for case management services to be provided under this subchapter.
[PL 2021, c. 430, §2 (NEW).]

4. Enrollment. The bureau shall work to assist veterans receiving case management services under this subchapter who are not enrolled with the United States Department of Veterans Affairs to determine eligibility and to assist with those veterans' enrollment and with filing claims to the United States Department of Veterans Affairs.
[PL 2021, c. 430, §2 (NEW).]

5. Cultural competency. Case management and mental health professionals selected to provide services pursuant to this subchapter must demonstrate familiarity with military and veteran culture.
[PL 2021, c. 430, §2 (NEW).]

6. Data collection. All veterans receiving case management and mental health services under this subchapter must be accounted for in department and bureau data collections.
[PL 2021, c. 430, §2 (NEW).]

7. Department report. The department, in consultation with the bureau, shall prepare a written report of the services provided under this subchapter and make any recommendations regarding its

provision of services under this subchapter to the joint standing committee of the Legislature having jurisdiction over veterans affairs by February 1st annually.

[PL 2021, c. 430, §2 (NEW).]
