The State may provide motor vehicles for the travel of state employees in a number to be determined by the Legislature. Each state department or commission head shall promulgate written policy concerning the use of state-owned motor vehicles, assigned to his department or commission, which shall include, but not be limited to, a definition of the use of state-owned motor vehicles which constitute use in the conduct of state business and which distinguishes such use from private use. [PL 1969, c. 544, §1 (RPR).]

The Legislature finds that the energy crisis requires State Government to act as a leader in the conservation of energy. In order to achieve that end, it is necessary for the State to consume less energy,

particularly in the area of transportation. The Legislature, therefore, declares it to be in the public interest that the fleet of new motor vehicles purchased for the travel of state employees meet the federal fleet mileage standards. [PL 1977, c. 376, §1 (NEW).]

Any state employee or official who misuses a state-owned motor vehicle shall be liable for the actual costs of such use and in addition may be subjected to appropriate disciplinary action, including suspension from employment. [PL 1969, c. 544, §1 (RPR).]

All state-owned vehicles, except as otherwise provided, shall display special registration plates, approved by the Secretary of State, plainly designating them as state-owned motor vehicles. They may in addition display a marker or insignia, approved by the Secretary of State, plainly designating them as state-owned. Motor vehicles used by departments, commissions or agencies charged by law with law enforcement or investigatory functions, if used for those purposes by personnel who have full-time law enforcement or investigatory duties, shall not be required to display a special registration plate. [PL 1969, c. 544, §1 (RPR).]

The Legislative Council shall biennially study and review state motor vehicle needs and uses and shall report its findings to the Legislature. Department and agency heads shall justify the purchase of motor vehicles as part of request for appropriations before the Joint Standing Committee on Appropriations and Financial Affairs. §7-A. Assignment of vehicles

Notwithstanding any other provision of law, all assignments of state-owned vehicles to individual employees will terminate effective August 1, 1983. The Governor may establish such criteria as the Governor deems appropriate relative to the assignment of all state-owned vehicles. It is the intent of the Legislature that no state-owned vehicle may be assigned to or used exclusively by any individual employee other than those instances where the Governor deems such assignment and use to be clearly necessary in order to carry out programs that have been approved by the Legislature. [PL 1989, c. 501, Pt. P, §6 (RPR).]

1. Garaging vehicles off state grounds. Under no circumstances may any state employee garage a state vehicle at the individual's residence, except as provided:

A. A vehicle may be temporarily garaged off state grounds when it is being used to transport state employees while on overnight travel; [PL 1989, c. 501, Pt. P, §6 (NEW).]

B. State vehicles may be temporarily garaged off state grounds after the late conclusion of a day's work; [PL 1989, c. 501, Pt. P, §6 (NEW).]

C. State vehicles may be temporarily garaged off state grounds in order to allow an employee to take a vehicle home when the next day's assignment will require the use of the vehicle for travel beyond and in the same general direction as the employee's residence; [PL 1989, c. 501, Pt. P, §6 (NEW).]

D. A vehicle may be temporarily garaged off state grounds when certified by the Bureau of General Services that there is no space available on state grounds or certified by the Department of Public Safety that the space available does not provide adequate protection for the vehicle; or [PL 2011, c. 691, Pt. B, §5 (AMD).]

[PL 2011, c. 691, Pt. B, §5 (AMD).]

2. Individual assignment of vehicles. Assignment of a state vehicle to an individual employee will be made only when that assignment is clearly necessary and meets one or more of the following criteria:

A. Sworn law enforcement personnel with powers of arrest or probation officers regularly assigned to field duty; [PL 2023, c. 412, Pt. EE, §1 (AMD).]

B. Field personnel directly concerned with the maintenance and operation of highway or Maine National Guard facilities who are frequently called for emergency duty at other than regular working hours; [PL 2019, c. 578, §1 (AMD).]

C. Employees identified by the Governor, the Commissioner of Public Safety, the Commissioner of Corrections, the Commissioner of Defense, Veterans and Emergency Management or the Commissioner of Transportation to be available for call beyond the normal workday on a regular basis to protect the public safety; [PL 2023, c. 412, Pt. EE, §2 (AMD).]

D. Employees who are officially headquartered at their residences and carry unusual materials or equipment which make up an integral part of the employee's ability to perform the employee's job function on a regular basis and would be dangerous, unsanitary or too large to carry in that employee's personal vehicle; or [PL 1989, c. 501, Pt. P, §6 (NEW).]

E. Employees who are officially headquartered at their residences provided the department head determines annually that the assignment is more effective than reimbursement for mileage. [PL 1989, c. 501, Pt. P, §6 (NEW).]

[PL 2023, c. 412, Pt. EE, §§1, 2 (AMD).]

3. Annual report. Every department or agency in State Government that has state-owned vehicles must file a report with the joint standing committee of the Legislature having jurisdiction over appropriations and financial affairs no later than January 15th of every year that provides detailed information on state-owned vehicles. This report must include, but is not limited to, the following information: the total number of state vehicles within that department or agency; the individual employees to whom a state vehicle is assigned; and the purpose or function to which all other vehicles are assigned.

[PL 1991, c. 9, Pt. Y, §1 (NEW).]

The Governor may also establish criteria for the transfer of vehicles from department to department in order to meet priority operational needs. [PL 1989, c. 501, Pt. P, §6 (NEW).]

§8-A. Declaration of purpose

For the benefit of the people of the State, it is essential that certain activities of the State Government be constantly reviewed in order to provide essential state services more efficiently and economically. To aid in accomplishing this purpose and due to improved travel conditions and communications, housing for state employees at state institutions and other areas of State Government and commissaries operated by state departments for the sale of food and food supplies to state employees shall be controlled as set forth in sections 8-B and 8-C respectively. [PL 1971, c. 588 (NEW).]

§8-B. Housing

It is the intent of the Legislature to discourage the construction, reconstruction and equipping of new housing facilities for state employees at state institutions and all other areas of State Government and to cause the termination of existing provision of housing facilities to state employees whenever other housing facilities are reasonably available to such employees and their residence elsewhere will not substantially impair the effective management and operation of the state department or institution by which such persons are employed. The housing facilities of each state department shall be reviewed periodically by the state department involved, and the provision of any such housing facilities shall be terminated whenever the above stated criteria are met. Except as otherwise provided, in each instance of the provision of housing facilities by the State, a rental charge shall be made to cover the total operating cost of any such facility. These costs shall include, but not be limited to, rates charged to the State, in operating such facility, for water, electricity, heat, telephone and furnishings and any other maintenance costs. Such costs shall not include charges for telephones used primarily for state business.

In determining the feasibility of any such facility, the department shall consider the availability of living facilities for its employees, particularly in the unorganized territory and rural areas of the State. Any facility used on a seasonal basis shall be partially exempt from rental charges, at the discretion of the department. With the approval of the Commissioner of Health and Human Services and the head of the institution involved, no charge may be made for the provision of meals to any state employee who eats such meals within the scope of employment and in doing so serves a function of that employment. If such approval is given, the Commissioner of Health and Human Services shall establish standards that must be applied uniformly at all institutions within the department.
