

**STATE OF MAINE  
ONE HUNDRED AND TWENTY-SEVENTH LEGISLATURE  
SECOND REGULAR SESSION  
JOURNAL OF THE SENATE**

In Senate Chamber  
Wednesday  
January 6, 2016

Pursuant to the provisions of Article IV, Part Third, Section 1 of the Constitution and the laws of the State of Maine, the Senate convened in the Senate Chamber at ten o'clock in the morning and was called to order by President **MICHAEL D. THIBODEAU** of Waldo County.

Prayer by Pastor Michael Horton, Faith Temple Church in Belfast.

**PASTOR HORTON:** Good morning. It is both a great honor and privilege to be able to open your first session of the new year in prayer and, indeed, prayer is one of our greatest privileges to me, personally, because it connects us with God and what He's able to do. One verse that sums it up best and leads me right into prayer is from Paul the Apostle, Ephesians 3. It simply says: "Now to Him who is able to do exceedingly abundantly above all that we can ask or think according to His power." Join me in prayer, please.

Our Father, we thank You for the privilege, first and foremost, to be able to relate to You, to know You, to call upon Your name, and connect with You and what You are able to do. I first want to begin praying not only for the business at hand and the challenges of the new year that are many for each and every one who is serving and leading our great state, even our nation, but; God, there are many families represented here and different things in lives and different places right now at this moment. I pray for them all that Your blessings, favor, protection, provision, and everything needed would be upon them, their families, and also for every task at hand, the legislation, the leadership, the government. It is a very good thing. It even serves the purposes of God, according to scripture. I pray that Your strong hand be upon them all, that You would lead them, guide them, bless them and, again, that we are praying according to that verse I quoted to You, God, who are able. You are able to do exceedingly abundantly above and beyond all that we can even ask or think according to Your power and that simply means that You are able to blow our minds in and through all things. I pray bless this Senate and bless this great state and even our nation. In Your holy name. Amen.

Pledge of Allegiance led by Senator Scott W. Cyrway of Kennebec County.

Doctors of the day, Lisa Gouldsbrough, DO of Biddeford and Brian Pierce, MD of West Rockport.

**STATE OF MAINE  
OFFICE OF TAX POLICY  
MAINE REVENUE SERVICES  
24 STATE HOUSE STATION  
AUGUSTA, MAINE 04333-0024**

October 1, 2015

Senate President Thibodeau  
Speaker of the House Eves  
Members of the 127<sup>th</sup> Maine Legislature:

Pursuant to 5 M.R.S.A. §13070-J, Maine Revenue Services is required to submit a report to the Legislature identifying the revenue foregone as the result of the Jobs and Investment Tax Credit ("JITC"), the Research Expense Tax Credit ("R&D"), the Seed Capital Investment Tax Credit, the Shipbuilding Facility Credit, the Credit for Maine Fishery Infrastructure Investment, and public funds spent on the Business Equipment Tax Reimbursement ("BETR") program. Attached are four reports that provide you with this information.

The first attachment shows the number of individual and corporate JITC, R&D, and Seed Capital credits for tax year 2013, as well as the value of those credits. Tax year 2013 is the last year for which we have full information on both corporate and

individual filers. Statutes governing the release of confidential taxpayer information prevent us from reporting the names of the corporations or individuals that benefited from these tax credits. No taxpayer took advantage of the Credit for Maine Fishery Infrastructure Investment in tax year 2013.

The second attachment explains that Shipbuilding Facility credit. As required by statute, the report provides information on the level of employment, yearly investment and the cumulative amount of investment. Since the inception of the credit, the level of employment has been such that the annual cost to the state treasury has been at least \$3 million per year.

The third attachment is a list of BETR recipients. For purposes of this report, businesses that filed for reimbursement during the fiscal year ending June 30, 2015 are listed. Recipients filed between August 1, 2014 and December 31, 2014 for eligible property taxes paid during calendar year 2013. For that period the state reimbursed \$33,266,266 to 1,414 companies.

Public Law 2009, chapter 337 (LD 1468) amended the definition of "economic development incentive" in §13070-J to include not only the incentives listed above, but "federal and state statutorily defined programs that receive state funds, dedicated revenue funds and tax expenditures as defined by §1666 whose purposes are to create, attract or retain business entities related to business development in the State." The additional incentives identified in this new law can be found in the [Maine State Tax Expenditure Report 2016-2017](#) prepared for the Joint Standing Committee on Taxation.

If you have any question on this report, please do not hesitate to contact me.

Sincerely,

S/Michael J. Allen
