

STATE OF MAINE
ONE HUNDRED AND TWENTY-FIRST LEGISLATURE
FIRST REGULAR SESSION
JOURNAL OF THE SENATE

In Senate Chamber
Wednesday
January 8, 2003

Senate called to order by President Beverly C. Daggett of Kennebec County.

Prayer by Senator Chandler E. Woodcock of Franklin County.

SENATOR WOODCOCK: Let us pray. Father, the setting sun signals the near passing of another day, one of the first, in this new year. Yet, this day, as is the case with each, has a uniqueness about it. Our prayer today is for peace. Memories of hatred, spite, pettiness, and revenge pervade too many minds. Minds that could, instead, reveal in the imaginings of beauty, understanding, kindness, courage, sacrifice, and love. Our prayer today is for each member of this body, Senator by title, child of God. As we enter this session, may we always remember to separate our ideologies from our humanness. Liberal, moderate, conservative, child of God. Our prayer this afternoon is for President Daggett. May her leadership reflect an understanding heart, a unique vision, and a compassion for all. Our special prayer today is for Governor-elect John Baldacci. May he seek Your guidance on his journey for the people of Maine. Speaking of journeys, a safe one for Governor Angus King and his family. May he not have to parallel park. Our prayer today is for sights unseen, persons unknown, friends and family. We are eternally grateful, Father, for being free. We realize others wish to be. Thank You for all that is ours, for all that is ours has come from You. Amen.

Pledge of Allegiance led by Senator John L. Martin of Aroostook County.

**STATE OF MAINE
DEPARTMENT OF AUDIT
66 STATE HOUSE STATION
AUGUSTA, MAINE 04333-0066**

December 12, 2002

The Honorable Angus S. King, Governor
The Honorable John Baldacci, Governor-elect
The Honorable Beverly C. Daggett, President of the Senate
The Honorable Patrick Colwell, Speaker of the House of Representatives

Greetings,

I am writing pursuant to 5 M.R.S.A. §244, which states, in part:

If the State Auditor finds in the course of an audit evidences of material weakness, reportable conditions, improper transactions, or of incompetence in keeping accounts or handling funds or of any other improper practice of financial administration, the State Auditor shall report the same to the Governor and the Legislature immediately....If the State Auditor finds evidences of illegal transactions, the State Auditor shall immediately report those transactions both to the Governor and to the Attorney General.

In the course of our audit of the Social Services Block Grant, we discovered that an employee of the Department of Human Services initiated transactions that we consider to be improper. The employee initiated the processing of twenty-seven checks, totaling approximately \$434,000 (\$320,000 of which was from the General Fund), to legitimate service providers who were not owed these particular payments. The checks were written on June 26 and 27, 2001, a few days before the end of the State fiscal year. The stated purpose was to prevent program funds from lapsing to the General Fund and the Block Grant Fund as required. The employee requested that the checks be returned to her rather than sent to the service providers. The employee then held the checks, and deposited them some months later as revenue.

There was no personal gain on the part of the employee. The Office of the Attorney General has determined that no criminal action was taken.

Our concern is not limited to the fact that deliberate, improper transactions were made. It is our understanding that the employee acted with the knowledge or approval of the Director, who is her supervisor. Others knew of the incident after the fact, and did not inform top management. Controls should be designed to prevent such actions, but even the best control can be subverted by someone with the authority to do so.

We are working with the Department of Human Services to resolve this situation and any other issues that we may have. The Department has expressed its willingness to work on this matter, and to correct any insufficiencies in the areas of control, accountability and supervision.

If you have any questions, please do not hesitate to call me.

Sincerely,

S/Gail M. Chase, CIA
