

STATE OF MAINE
ONE HUNDRED AND TWENTY-FIRST LEGISLATURE
SECOND SPECIAL SESSION
JOURNAL OF THE SENATE

In Senate Chamber

Thursday

February 5, 2004

Senate called to order by President Beverly C. Daggett of Kennebec County.

Prayer by Pastor Edward Hatch, Palermo Christian Church.

PASTOR HATCH: Before I pray I just wanted to make a couple of remarks. I followed, as many of you did and perhaps you followed more intensely, the accident that our Governor was involved in yesterday. I thought about how much of an impact that must have had on many of you. I do believe that there was a bi-partisan desire that he come out of it all right, which he certainly did. As I thought about that, I was thinking about how concerned everyone of us should be as to the length of our life. The Bible says it is like a vapor and the scripture tells us in Psalm 90 'teach us to number our days, that we can apply our hearts to wisdom.' I thought that everyday there ought to be three things we ought to be sure of. The first is that we are right with God. The second is that we are right with our fellow human beings. The third is that we use our time and our day wisely. It will be my prayer today that this will be done for each one of us. Let us bow for prayer.

Our Heavenly Father, we are thankful today for the many blessings that You give to us. As we come here before You today, we are thankful for the health of our Governor, for the recovery that he has had. We continue to pray both for him and for Trooper Trask. We pray for a speedy recovery for them.

Lord, we are thankful for the day that You have given us today. We pray that we might use it wisely, that the decisions that we make and the things that we do would be things that would be making best use of our time and that You will bless richly what is done here within this Senate chamber today. We will thank You in Jesus' name. Amen.

Doctor of the day, A. Catriona Shepherd, M.D. of Portland.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Bromley.

Senator **BROMLEY:** Thank you, Madame President. This bill seeks to do away with the athletic commission that oversees professional boxing. One might think that we ought to be regulating that. It is important to note that we've only had two professional fights in Maine in the last seven years. We have a whole system or infrastructure to regulate something that doesn't happen very often. By eliminating this, we eliminate the overhead in that department. Also it is important to note that there are national entities that do this regulation in the absence of a state board. I would urge you to support the pending motion. Thank you.
