

STATE OF MAINE
ONE HUNDRED AND TWENTIETH LEGISLATURE
FIRST REGULAR SESSION
JOURNAL OF THE SENATE

In Senate Chamber
Tuesday
February 20, 2001

Senate called to order by President Michael H. Michaud of Penobscot County.

Prayer by Reverend Susan Hoffman, Brunswick United Methodist Church.

REVEREND HOFFMAN: Let us pray. Eternal Creator, on this beautiful, foretaste of spring, day in February, we are filled with thanksgiving and praise. We give You particular thanks for the part of the world in which we live. It knows four seasons and some muddle in-between. It is blessed with resources of earth, sky and sea. It is blessed with a growing diversity of people with resources of their own. We give You thanks for the opportunities that have been given to each of us to serve the people and the area in which we live. Many of the opportunities are also challenges. We are challenged to be fair to all persons who live in this state. The earthly resources vary from place to place and what may seem to be fair to one, may not be fair to another. The people are young, old and in-between with lives, needs and opinions that touch their community, and subsequently, the world. Holy One, help us to become wise enough to do the best for all. Guide us in our recognition of need, deliberation, plan of action and vote that, that which is decided is best for all. Within this body are personal needs and concerns. Some for health issues and others for challenges of time and spirit. As You hear the petitions of our hearts, grant us such knowledge of Your presence and peace that we may be assured of strength beyond ourselves to deal with any issue given into our lives. Once again, oh God, we give You thanks and praise. Thank You for this day and the opportunities it will bring. We thank You for life itself and for family, friends and neighbors given into it. We praise You, for we are filled with awe and wonder for all that has been created. In all things and in all ways, we are blessed. And in Your holy name we pray. Amen.

Pledge of Allegiance led by Senator Karl Turner of Cumberland County.

Doctor of the day, Dr. John Dow, M.D. of Pittsfield.

Dear Governor King, President Michaud, Speaker Saxl and Commissioner Levesque:

The Economic Development Incentive Commission, established by Public Laws 1997, Chapter 761, is pleased to present the enclosed report to you as required by 5 MRSA §13070-L. Over the two years since the Commission was appointed, we have worked with state agencies to develop and refine a uniform business reporting format which has provided the State with extensive data regarding the benefits received by businesses participating in the economic development incentive programs under the Commission's jurisdiction. The Commission sponsored an educational forum on economic development incentives with presentations by national experts in the field and contracted with an economist from the University of Maine for an independent analysis of the impact of economic development incentives on job growth. We conducted extensive discussions exploring the role of economic development incentives in economic development policy in general and in Maine's development and tax policies in specific.

The members of the Commission represent a broad spectrum of economic development policy perspectives. This report describes our efforts in detail and presents our areas of agreement and disagreement. Despite our differences of opinion on some issues, Commission members worked together cooperatively and with mutual respect. We look forward to working together with you in the continuation of the Commission's mission. If you have any questions, please do not hesitate to contact us.

Sincerely

S/Sen. Chellie Pingree
