Joint Resolution

On motion by Senator ABROMSON of Cumberland (Cosponsored by Senator AMERO of Cumberland, Senator DOUGLASS of Androscoggin, Senator HARRIMAN of Cumberland, Senator LAFOUNTAIN of York, Senator MACKINNON of York, Representative GLYNN of South Portland, Representative MAYO of Bath, Representative SULLIVAN of Biddeford), the following Joint Resolution:

S.P. 560

**JOINT RESOLUTION SUPPORTING EFFORTS TO
ACHIEVE COMPLETE RESTITUTION TO
HOLOCAUST VICTIMS AND THEIR HEIRS**

WHEREAS, it has been over 55 years since the Holocaust silenced millions of innocent victims as part of a systematic program of genocide; and

WHEREAS, many survivors and heir claimants of this time period have been denied benefits by insurers due to the expropriation and nationalization of insurance company assets in the former communist nations in eastern Europe, and the lack of adequate documentation of loss; and

WHEREAS, the expedient resolution of unpaid Holocaust claims is imperative to ensure that Holocaust survivors and heir claimants are indemnified in their lifetime; and

WHEREAS, several states have enacted legislation that would ensure citizens have an expeditious, inexpensive and fair mechanism to resolve outstanding Holocaust insurance claims; now, therefore, be it

RESOLVED: That We, the Members of the One Hundred and Nineteenth Legislature of the State of Maine now assembled in the First Regular Session, are committed to public policy providing for fair and expeditious payment of insurance claims to all policyholders, including victims of the Holocaust and their heirs; and be it further

RESOLVED: That we encourage the work of the International Holocaust Commission and of other states, and we support Maine's Bureau of Insurance and its superintendent in their efforts to achieve complete restitution to Holocaust victims and their heirs; and be it further

RESOLVED: That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the Bureau of Insurance and the Holocaust Human Rights Center of Maine on behalf of the people of Maine.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Abromson.

Senator **ABROMSON:** Thank you very much, Mr. President. Good morning, ladies and gentlemen of the Senate. I have considered myself a mini scholar or perhaps a quasi scholar of the Holocaust for a number of years ever since, I would say just before 1973 when I made my first trip to a concentration camp. However one aspect of the Holocaust that I had never given any consideration to until this Summer when I went to Boston to attend a meeting with the National Conference of Insurance Legislators. At that conference, there was a report given by the NAIC, which is the National Association of Insurance Commissioners, on the Holocaust insurance issues working group that they have. I'd just like to quote very briefly from it and to let you know some of the concerns that this group has with respect to the payment of claims. It says "Survivors had little success with claims even after the war ended. Some insurers took the position that death claims could not be paid without the issuance of a death certificate. Other claimants were told that the money to pay claims was seized by military force or turned over to governments that no longer existed. Finally, in Eastern Europe companies professed no responsibility for claims where new Socialist governments nationalized the insurance industry. What this Resolution does is basically ask that we proceed to try to do everything we can to collect these claims and especially that we support the work of Alessandro Iuppa, the Superintendent of Insurance in Maine's Bureau of Insurance and the work that he's been doing to see to it that these claims are fully paid. Thank you very much, Mr. President.

ADOPTED.

Sent down for concurrence.
