

**STATE OF MAINE
ONE HUNDRED AND TWENTIETH LEGISLATURE
FIRST REGULAR SESSION
JOURNAL OF THE SENATE**

In Senate Chamber
Tuesday
April 3, 2001

Senate called to order by President Michael H. Michaud of Penobscot County.

Prayer by Father Edward Sheehan of the St. John the Baptist Church in Brunswick.

FATHER SHEEHAN: All Mighty Creator, this august body gathers in Your presence. They gather to discern the ways of truth and righteousness. Using the talents and abilities of its members, it seeks to provide leadership for the State of Maine. All Mighty Creator, assist these Senators in legislating wisely for the people of this great state. Let them be aware of the beauty in the life of human creatures. Let them be aware of the poor, the needy, and the homeless. Let them be aware of the concerns of seniors and students. Assist them as they seek to lift the burdens of Maine's citizens. Aide them to legislate freedom for all. Gracious Creator, we open ourselves to Your will. Give these men and women the graces they need to protect the freedoms and rights of Maine's citizens. We pray also, Almighty, for the safe returns of our sons and daughters detained by the Chinese. We thank all veterans for their willingness to serve. Shower Your love upon us this morning. Help us to make our state truly "the way life should be." Bless each and every one as we discern the numerous bills. May each vote be a vote of an informed conscience. Help each Senator put aside any and all undue political influence. Hear us this day, Almighty Creator, as we pray these prayers of intercession. Amen.

Pledge of Allegiance led by Senator Mary R. Cathcart of Penobscot County.

JOINT RESOLUTION MEMORIALIZING THE PRESIDENT OF THE UNITED STATES AND THE CONGRESS OF THE UNITED STATES TO SUPPORT PAY EQUITY

WE, your Memorialists, the Members of the One Hundred and Twentieth Legislature of the State of Maine now assembled in the First Regular Session, most respectfully present and petition the President of the United States and the Congress of the United States, as follows:

WHEREAS, the average American woman who works full time earns approximately 74¢ for each dollar that an average man earns working full time, and the average woman working full time in Maine earns approximately 73¢ for each dollar that an average man working full time in Maine earns; and

WHEREAS, the significant pay gap between men and women performing jobs of comparable skill, effort and responsibility, even when wages are adjusted for levels of education, contributes to the disproportionately high poverty rate among women and children in the State and across the Nation; and

WHEREAS, Congress has found that the gender-based wage gap depresses living standards for American women and their families, harms their health and efficiency, prevents the maximum utilization of available labor resources and tends to cause labor disputes, thereby burdening, affecting and obstructing commerce and creating unfair methods of competition; and

WHEREAS, justice requires that women be paid fairly for the value of their work; and

WHEREAS, the average wage gap between men and women has continued for decades without significant improvement, notwithstanding federal and state laws that prohibit discrimination in compensation for equal work on the basis of sex, including the federal Fair Labor Standards Act of 1938, Title VII of the federal Civil Rights Act of 1964 and the Maine Revised Statutes, Title 26, section 628; now, therefore, be it

RESOLVED: That We, your Memorialists, respectfully urge and request that the President of the United States and the Congress of the United States strengthen efforts to ensure that women are paid fairly for their work; and be it further

RESOLVED: That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the Honorable George W. These fine student athletes, along with Coach Bob McShane and Assistant Coaches Brenda Batson, Dana Redding and Lori Frost, are continuing a tremendous basketball tradition in Calais with their second gold ball in three years. These athletes are a credit to our community and are role models for the children of Calais, including my own two children. The championship game was a true indication of their character. As someone else who knows quite a bit about basketball, the good Senator from Franklin, said he didn't understand how they won the game. Well they did because they never gave up. My congratulations to them. Thank you, Mr. President.
