132nd Maine Legislature

Joint Rules

Preamble. These Joint Rules are adopted pursuant to the Constitution of Maine to assist in carrying out the responsibilities of the Legislature. These rules take precedence over statutes enacted by a prior Legislature relating to the proceedings of the Legislature. A higher precedence is given to the individual chamber rules, followed by past practices and customs of the chamber.

Part 1 General Provisions

Rule 101. Scope.

The rules govern the transaction of business by both chambers, between the chambers and by members of both chambers, including many of the activities of joint legislative committees. The business of the separate chambers and most actions of members are governed by chamber rules.

Rule 102. Amendment of Rules.

Joint Rules may be amended by a majority vote in each chamber on or before the 3rd Friday in January of the first regular session. After that, a vote of 2/3 of the members present in each chamber is required.

Rule 103. Suspension of Rules.

Except as provided in Joint Rule 308, a joint rule or order may be suspended only with the consent of 2/3 of the members present in each chamber.

Rule 104. Conflict of Interest.

A member may not vote on any question in committee when that question immediately involves that member's private right, as distinct from the public interest.

Rule 105. Salary and Benefits of Legislative Employees is Public Information.

Salary and benefit information regarding employees and officers of the Legislature is public information and when requested must be provided within a reasonable time by the Secretary of the Senate for Senate employees, the Clerk of the House for House employees and the Executive Director of the Legislative Council for other legislative employees.

Rule 106. Records of Certain Legislator Expenses.

Upon request, the presiding officer of each chamber shall provide the monthly total or annual total cost of postage expenses for all members in the chamber. The presiding officers shall also provide monthly total and annual total postage expenses of individual members upon request.

Rule 107. Notice of Legislative Council Meetings.

Meeting times of the Legislative Council must be publicized, at a minimum, by posting notice on the door of the meeting room in a timely fashion. When feasible, other advance notice of Legislative Council meetings must be given.

Rule 108. Annual Harassment Training.

Each member must attend in-person training on harassment at the beginning of each regular session. The Presiding Officers must arrange sufficient opportunities for each member to attend this in-person training on harassment. Each member must sign an affidavit stating that the member has attended the in-person training on harassment and must file that form with the office of the Executive Director of the Legislative Council. The Executive Director of the Legislative Council shall provide a report to the Presiding Officers listing the members who have not attended the required training and submitted the affidavit.

**Part 2
Legislation**

Rule 201. Prefiling.

A member-elect may file bills and resolves for introduction with the Revisor of Statutes prior to the convening of each first regular session.

Rule 202. Cloture for Legislators at the First Regular Session.

All requests for bills and resolves submitted by Legislators for a first regular session must be submitted in complete form, as provided in Joint Rule 208, to the Revisor of Statutes by 4:00 p.m. on January 10, 2025.

Rule 203. Cloture at the Second Regular Session.

The Legislative Council shall set a cloture date and establish procedures for submission of legislation to the Revisor of Statutes at a second regular session. Procedures established for each second regular session must ensure compliance with the requirements of the Constitution of Maine, Article IV, Part Third, Section 1.

Any vote of the Legislative Council to accept or reject a bill or resolve proposed for introduction under the procedures established under this Joint Rule must be taken by the yeas and nays, and that vote must be recorded and made available for public inspection.

Rule 204. Cloture for State Department, Agency or Commission Bills and Resolves at the First Regular Session.

1. Deadlines for Requests. All requests for bills and resolves submitted by a state department, agency or commission for a first regular session must be submitted to the Revisor of Statutes by 4:00 p.m. on the first Wednesday in December.

2. Deadline When Governor Newly Elected. If the Governor is newly elected and the convening of the first regular session coincides with the beginning of the Governor's first term, then any request for a bill or resolve submitted by a state department, agency or commission must be submitted within 30 days after the Governor is administered the oath of office.

3. Identification of Agency. Each request for a bill or resolve submitted under this rule must clearly designate, under the title, the department, agency or commission on whose behalf the bill or resolve is submitted.

Rule 205. Filing after Cloture.

Any request for a bill or resolve submitted to the Revisor of Statutes by a Legislator, a department, agency or commission after the appropriate cloture date must be transmitted to the Legislative Council. The council shall ascertain from the sponsor the facts supporting the request notwithstanding cloture. If a majority of the council approves, the legislation is eligible for introduction as other legislation that is in compliance with Rule 202 or 203.

Rule 206. Sponsorship.

1. Number; Governor's Bills. A bill, resolve, order, resolution or memorial may have up to 10 sponsors: one primary sponsor, one lead cosponsor from the other chamber and 8 cosponsors from either chamber. By mutual agreement the presiding officers may authorize additional cosponsors on a case-by-case basis. Each bill or resolve requested by the Governor or a department, agency or commission must indicate the requestor below the title.

2. Duplicate Requests; Chamber of Origin. For duplicate or closely related bills or resolves, the Legislative Council may establish a policy for combination of requests and the number of cosponsors permitted on combined requests. A bill, resolve, order, resolution or memorial having cosponsors must originate in the chamber of the primary sponsor.

3. Wabanaki Tribal Representatives. The member of the Penobscot Nation, the member of the Passamaquoddy Tribe and the member of the Houlton Band of Maliseet Indians elected to represent their people at each biennial Legislature may sponsor legislation specifically relating to Indians and Indian land claims, may offer floor amendments to this legislation, may cosponsor any other legislation and may sponsor and cosponsor expressions of legislative sentiment in the same manner as other members of the House.

Rule 207. Disclosure of Titles of Bills and Resolves.

1. Legislator and Department Bills. The titles, subject index terms and sponsors' names of requests for bills and resolves submitted by legislators or by departments, agencies or commissions are considered public information upon filing. The legislator, department, agency or commission may direct that the title of a particular bill or resolve remain confidential until cloture. A list of titles, subject index terms and sponsors must be published as soon as practicable after cloture; additionally, in a second regular session, a short summary of each proposed bill request must be published as soon as practicable after cloture. The names of sponsors, subject index terms and the titles of requests for bills and resolves submitted after cloture are public information when transmitted to the Legislative Council pursuant to Joint Rule 205. The names of sponsors and the titles of requests for bills and resolves submitted for a special session are public information when transmitted to the Legislative Council.

2. Governor Bills. The titles of requests for bills and resolves submitted by the Governor are considered public information upon filing. The Governor may direct that the title of a particular bill or resolve remain confidential until that bill or resolve is printed.

Rule 208. Requirements for Drafting.

A request for a bill or resolve filed with the Revisor of Statutes is considered complete when the request is properly titled and accompanied by sufficient instructions, information and data required for its preparation. When a request is not accompanied by sufficient instructions, information or data, the Revisor of Statutes is directed to give written notice of inadequate information to the legislator. Upon receipt of said written notice, the legislator has 5 business days, unless an alternative period is set jointly by the presiding officers, to file adequate information with the Revisor of Statutes, or the request for the bill or resolve will be denied. Drafts prepared by an outside source must be filed in final form by the appropriate cloture date.

When directed by the sponsor, the Revisor of Statutes shall prepare a bill or resolve in concept form. The bill or resolve shall contain only an enacting clause and a summary of the proposed legislation and shall not be fully drafted by the Revisor of Statutes. The bill or resolve prepared in this form shall be printed and referred to a committee in the same manner as other legislation and may be reported in fully drafted form by that committee in the same manner as other legislation. Except as otherwise provided in this Joint Rule, this method of drafting legislation is not allowed for legislation submitted by the Governor, by agencies or departments of state government, by study commissions, by joint standing committees or joint select committees or pursuant to law or statute. Any request for a bill or resolve submitted after cloture must state if it is a request for a concept draft. Any committee amendment must be germane to the detailed summary of the concept draft.

The Revisor of Statutes shall prepare in concept form a bill submitted pursuant to the Maine Revised Statutes, Title 5, chapter 149 that proposes to make unified appropriations and allocations for the expenditures of state government for the biennium or supplemental appropriations and allocations, and shall include an Internet address at which may be found the

text of the draft unified budget bill or supplemental budget bill submitted to the Revisor of Statutes by the Governor.

A proposal to adopt a uniform or model act must be prepared in concept form and must include an Internet address at which may be found the text of the proposed uniform or model act.

A proposal to recodify a title of the Maine Revised Statutes may not go forward in the absence of legislation prepared in accordance with this paragraph. Legislation that proposes to recodify a title of the Maine Revised Statutes must be prepared by the Revisor of Statutes to direct appropriate Legislative Council staff to work with the requestor over the course of a sufficient number of legislative interims to ensure the accurate completion of the recodification. Legislation that authorizes such a recodification must be placed on the special study table that is established in accordance with Joint Rule 353. The Legislative Council shall review legislation proposing recodifications together with proposed studies that are on the study table and shall authorize the allocation of budgetary and staffing resources for those studies and recodifications identified by the Legislative Council. Legislative resources may not be used to recodify a title without approval of the Legislative Council. For purposes of this paragraph, legislation to recodify a title of the Maine Revised Statutes includes legislation that proposes to recodify, with or without substantive revisions, the entirety of one or more titles of the statutes or a substantial portion of one or more titles of the statutes.

Rule 209. Bill Titles and Summaries.

The Revisor of Statutes has authority to change the title of a bill or resolve to ensure that the title accurately and concisely reflects the content and scope of the bill or resolve. If the primary sponsor objects to the change, the President of the Senate and the Speaker of the House shall jointly decide what the title should be and shall so notify the Revisor of Statutes.

The Revisor of Statutes shall prepare and include a summary of each bill, resolve and amendment. The Revisor of Statutes has authority to ensure that the summary is concise and accurately reflects the intent of the bill or resolve.

Rule 210. Form.

All bills and other instruments, including bills proposed by initiative, must be allocated to the Maine Revised Statutes as appropriate and corrected for form, legislative style and grammar by the Revisor of Statutes before printing.

Rule 211. Signatures on Drafts of Bills, Resolves and Amendments.

The Revisor of Statutes shall notify the primary sponsor of a bill or resolve when the bill or resolve is ready in final form for signature. The primary sponsor is responsible for obtaining signatures from cosponsors. The primary sponsor shall sign the bill or notify the Revisor of Statutes of any changes that are necessary within deadlines established by the presiding officers. The primary sponsor shall present the signed cosponsor sheet to the Revisor of Statutes. If the primary sponsor does not contact the Office of the Revisor of Statutes within this period, the bill is void.

If changes are requested, the Revisor of Statutes shall notify the primary sponsor when changes have been made and the bill is available for signature; the primary sponsor and cosponsors shall sign the bill within the established deadlines. The sponsor shall propose any further changes to the committee of reference. If the primary sponsor does not sign the bill within this period, the bill is void. If cosponsors do not sign the bill within either period, their names must be removed from the bill.

Rule 212. Errors.

Clerical errors in bills and resolves may be corrected upon suggestion by the Revisor of Statutes without motion to amend.

Rule 213. Expressions of Legislative Sentiment.

All expressions of legislative sentiment must conform to guidelines issued by the President of the Senate and the Speaker of the House and must be presented in a manner standardized by the Revisor of Statutes.

Each expression of legislative sentiment must contain the residency of the recipient and must, at a minimum, be cosponsored by the Senator and Representative who represent the recipient unless the Senator or Representative affirmatively declines.

The expressions of legislative sentiment may not be part of the permanent journal or the legislative record but must appear on the Advance Calendar and Journal of each body. The Secretary of the Senate and the Clerk of the House shall print the expressions in an appendix to the legislative record. When the Legislature is not in session, the President of the Senate and the Speaker of the House may authorize expressions of legislative sentiment at the request of legislative members.

Rule 214. Memorials.

A memorial is not in order for introduction unless approved by a majority of the Legislative Council.

Rule 215. Actions Relating to the United States Constitution.

All memorials, resolutions, applications and petitions that relate to the Legislature's functions under the United States Constitution, Article V are in order for introduction without approval from the Legislative Council. Passage of these items must be accomplished as follows:

1. Calling of United States Constitutional Convention. An item requesting the calling of a United States Constitutional Convention requires a 2/3 vote of the members present in each chamber;

2. Ratification of Amendment. An item requesting ratification of an amendment to the United States Constitution requires a majority vote of the members present in each chamber; and

3. Any Other Action. An item requesting any other action under the United States Constitution, Article V requires a majority vote of the members present in each chamber.

Rule 216. Claims against the State.

A claim of an amount of \$2,000 or less is in order for introduction only after the claim has been first disapproved or partially approved for payment under the Maine Revised Statutes, Title 5, section 1510-A. A claim of an amount greater than \$2,000 is in order for introduction only in the form of a resolve authorizing a suit against the State.

Rule 217. Measures Rejected at a Prior Session.

A bill, resolve, constitutional resolution, resolution, memorial or order that has been introduced and finally rejected in a regular or special session may not be introduced in a subsequent regular or special session of the same Legislature except by vote of 2/3 of both chambers.

Rule 218. Legislation Filed Pursuant to Law or Resolve.

Legislation filed pursuant to law or resolve must identify the source of the legislation and must cite the law or resolve that authorizes the filing. The legislation must be introduced in the chamber of the sponsor or the chamber of origin of the authorizing law or resolve.

**Part 3
Legislative Committees**

**Subpart A
Joint Standing Committees**

Rule 301. Joint Standing Committee Responsibilities and Jurisdiction.

Joint standing committees are formed to assist the Legislature in the performance of its constitutional duties and are vested with the general authority granted in the Maine Revised Statutes, Title 3, section 165 and certain other specific authority granted from time to time by the Legislature. The responsibilities of joint standing committees include, but are not limited to:

1. Pending Legislation. Considering and reporting to both chambers on legislation pending before the Legislature;

2. Budget and Fiscal Policy Issues. Reviewing and making recommendations on budgeting and fiscal policy issues concerning State Government;

3. Actions of Departments and Agencies. Conducting oversight and review of the actions of departments and agencies of State Government, including, but not limited to, review of

agency rules under Title 5, chapter 375, subchapters II and II-A and agency evaluations under the State Government Evaluation Act;

4. Gubernatorial Appointments. Reviewing and making recommendations on gubernatorial appointments that require legislative confirmation under Title 3, chapter 6; and

5. Other Tasks. Performing other tasks assigned to them, including, but not limited to, reviewing specific provisions of law, conducting studies on assigned topics, issuing reports on policy and legal issues of interest to the Legislature, reporting out specific legislation pursuant to joint order and authorizing the annual budgets of certain counties.

There are established 17 joint standing committees, which must be appointed at the commencement of the first regular session and which exercise jurisdiction in the following areas:

- Agriculture, conservation and forestry
- Appropriations and financial affairs
- Criminal justice and public safety
- Education and cultural affairs
- Energy, utilities and technology
- Environment and natural resources
- Health and human services
- Health coverage, insurance and financial services
- Housing and economic development
- Inland fisheries and wildlife
- Judiciary
- Labor
- Marine resources
- State and local government
- Taxation
- Transportation
- Veterans and legal affairs

Rule 302. Membership.

Each of the joint standing committees consists of 13 members, 3 from the Senate and 10 from the House of Representatives. The first Senate member named is the Senate chair. The first House member named is the House chair. The Senate chair shall preside and in the Senate chair's absence, the House chair shall preside and, thereafter, as the need may arise, the chair shall alternate between the members from each chamber in the sequence of their appointment to the committee. The sequence of appointment for the biennium is as announced by the presiding officers in each chamber. Except for members serving on the Legislative Council, every member of the Senate and the House of Representatives is entitled to at least one initial committee assignment.

Rule 303. Committee Clerks.

The hiring of all committee clerks must be mutually agreeable to both the Senate and House chairs. If not agreeable to both, the President of the Senate and the Speaker of the House shall decide. Committee clerks serve at the pleasure of the President of the Senate and the Speaker of the House. The salary of each committee clerk is established by the President of the Senate and the Speaker of the House, and the employment of the committee clerks terminates no later than the end of the session. The Office of Fiscal and Program Review shall provide clerical support to the Joint Standing Committee on Appropriations and Financial Affairs.

Rule 304. Procedures for Public Hearings and Work Sessions.

At the beginning of each legislative biennium, the presiding officers shall establish procedures that govern public hearings, work sessions and confirmation hearings. Once established, copies of the procedures must be sent to the committees, the Secretary of the Senate, the Clerk of the House and the Executive Director of the Legislative Council. A committee by majority vote may propose exceptions to the rules; exceptions to the rules are subject to the approval of the presiding officers. Final committee rules must be posted and made available upon request at all public hearings and work sessions.

The rules of procedure in committee are the same as the rules of the Senate and the House of Representatives to the extent applicable. Committee procedures must be consistent with these rules.

The presiding chair shall decide all questions of order, subject to appeal to the committee. The chair's ruling stands unless overruled by a majority vote of the committee membership.

Scheduling of bills to be considered in public hearings and work sessions must be arranged by the Senate chair with the agreement of the House chair; if agreement is not reached, the committee shall decide by majority vote of the membership.

At public hearings, the chair may limit testimony as necessary for the orderly conduct of the hearing. Members may question witnesses to clarify testimony and to elicit helpful and pertinent information. While aggressive and probing questions may sometimes be appropriate, members shall exhibit respect for the witnesses and for one another. Members shall refrain from interrogation that is argumentative, oppressive, repetitive or unnecessarily embarrassing to hearing participants. Advocacy and discussion among members are not appropriate at public hearings. A committee member who is the primary sponsor of a bill and any member who testifies for or against the bill should ordinarily refrain from questioning other witnesses.

Rule 305. Scheduling Public Hearings and Work Sessions; Concept Draft Amendments.

1. Scheduling. At the beginning of the regular session, the presiding officers shall jointly establish authorized meeting days for committees to hold their public hearings and work sessions, taking into consideration the availability of assigned staff and hearing rooms. Committees may meet only on authorized meeting days unless the presiding officers authorize an exception in writing. Each committee shall distribute a detailed list of hearings and work sessions that have been scheduled for the following week to all committee members. This schedule must also be posted outside the committee room. Notice of a committee's public hearings and work sessions

must be posted each day in the State House and the Cross Building. A committee may not hold a hearing or conduct a work session for which notice has not been posted.

2. Advance Notice. Notice of public hearings must be provided no later than 5:00 p.m. on the Friday 2 weekends in advance of the hearing date, including, but not limited to, by posting on the Legislature's website. All exceptions must be approved by both presiding officers.

3. Notification of Sponsors. The committee shall direct the committee clerk to notify all sponsors of the bill of the public hearing and work session on the bill.

4. Access. It is the intent of the Legislature that a person not be denied access to committee public hearings and work sessions because of a disability. Committees shall provide reasonable access for disabled persons to their proceedings and allow adequate time for participation by disabled persons.

5. Hearing of Concept Drafts; Preparation of Amendment; Confidentiality; Posting. A bill printed as a concept draft pursuant to Joint Rule 208, with the exception of budget bills presented by the Governor, model acts and uniform acts, and referred to a committee is subject to the provisions of this subsection.

- A. The sponsor of that concept draft shall prepare and submit a proposed amendment to that concept draft to that committee no later than 3 business days before the public hearing scheduled for that concept draft.
- B. If nonpartisan staff is used to assist in the preparation of a proposed amendment required by paragraph A, the sponsor is limited to one draft. Notwithstanding the rules of confidentiality, nonpartisan staff may discuss with the chairs of the committee to which the concept draft has been referred the status of the proposed amendment for the purposes of committee scheduling and to facilitate the purposes of this section. Nonpartisan staff may not disclose the content of the proposed amendment.
- C. The proposed amendment must be posted on the committee's testimony page on the Legislature's website no later than 2 business days before the date of the public hearing on the concept draft.

6. Automatic Withdrawal. Notwithstanding Joint Rule 310, if a sponsor of a concept draft fails to submit a proposed committee amendment as required by subsection 5, that concept draft is automatically and immediately withdrawn and placed in the legislative files.

Rule 306. Quorum.

A quorum is 7 members, and a quorum must be present to start a meeting or to take a vote. A quorum is not required to continue a meeting. If a quorum is present, but there is not a Senator among those present, the committee may take a vote only with the authorization of the President of the Senate. For purposes of establishing a quorum, only those members physically present at the meeting may be counted.

Rule 307. Testimony.

Testimony before a joint standing committee is not presented under oath, except that a committee is authorized to administer oaths in the case of legislative confirmation hearings under the Maine Revised Statutes, Title 3, section 157 and may be so authorized by the Legislature when the committee is acting as a special investigating committee under the Maine Revised Statutes, Title 3, section 165, subsection 7.

All written materials presented to the committee must bear the name, address and affiliation, if applicable, of the presenter and the date presented.

Rule 308. Reference of Bills to Committee.

All bills and resolves must be referred to committee, except that this provision may be suspended by a majority vote in each chamber.

1. Suggested Reference by Secretary and Clerk. At the direction of the presiding officers, when the Legislature is in session, the Secretary of the Senate and the Clerk of the House shall jointly suggest an appropriate committee reference for every bill, resolve and petition offered. The suggested reference must be placed upon the Advance Journal and Calendar of each chamber. If they are unable to agree, the question of reference must be referred to a conference of the President of the Senate and the Speaker of the House. Upon their agreement, the suggested reference must be placed upon the Advance Journal and Calendar of each chamber. If they are unable to agree, the question of suggested reference must be referred to the Legislative Council for resolution. Upon the decision of the Legislative Council, the suggested reference must be placed upon the Advance Journal and Calendar of each chamber.

Each suggested reference appearing upon the Advance Journal and Calendar of each chamber must contain a recommendation for the printing of the document being referred and may contain a recommendation on the number of copies of that document to be printed.

Any member may move for reconsideration of a committee reference on the floor. Notwithstanding Joint Rule 103, a majority vote is necessary to overturn the original committee of reference.

2. Reference to Committee by Secretary and Clerk. When the Legislature is not in session or is in recess, the Secretary of the Senate and Clerk of the House may refer the bills to the appropriate joint standing committee for public hearing and order printing, subject to the approval of the President of the Senate and the Speaker of the House.

Upon reference of a bill to a committee by the Secretary of the Senate and Clerk of the House pursuant to this subsection, if a majority of the chairs and leads of the committee agree, in advance of scheduling the bill for public hearing, that the reference to that committee is inappropriate, a communication must be sent to the Senate and House with a recommendation of "change of committee reference." Upon reference of a bill to a committee pursuant to this subsection, if a majority of the chairs and leads of the committee agree, in advance of scheduling the bill for public hearing, that the reference to that committee is appropriate, that bill remains in

that committee. If there is not a majority agreement among the chairs and leads regarding reference of that bill, the bill is designated for discussion by the committee for a possible committee report of "refer to another committee" under Joint Rule 310, subsection 2. Any bill that undergoes a reference determination pursuant to this subsection that is retained by the committee must be scheduled for a public hearing.

3. Reference to More Than One Committee. When a bill or resolve has a subject matter that falls within the jurisdiction of more than one committee, suggested references may be made and the full Legislature may vote to refer a bill or resolve to more than one committee. When references are made to more than one committee, the first named committee is responsible for the scheduling and conduct of all public hearings, subject to approval of the chairs of the other committee or committees. Committees to whom a bill or resolve is referred pursuant to this rule shall participate equally in all public hearings and work sessions and shall make a joint report or joint reports. The public hearing or hearings and work session or work sessions must be conducted jointly by both committees. The chairs of the committees involved shall establish the process for conduct of the work session or work sessions on the bill. If the chairs are unable to agree, the presiding officers shall establish the process. The work session process must provide for balanced representation for each committee. The report or reports on a jointly referred bill is as voted by the full membership of each committee, except that if a member serves on more than one committee to whom a bill or resolve is referred, that member may cast only one vote.

Rule 309. Notice to Report.

The President of the Senate and the Speaker of the House shall jointly establish reporting deadlines for all bills and resolves referred to committee and each committee shall, after receiving notice of the reporting deadlines, report its bills and resolves out of committee to the floor for consideration in accordance with those deadlines.

Rule 310. Reports of Bills from Committee.

1. Deadline for Reports. The joint standing committees shall report out every bill that has been referred to them in the manner prescribed in these rules and in accordance with deadlines established by the presiding officers.

2. Committee Reports. The report of the committee must include a recommendation. Recommendations that may be made are:

- Ought to Pass
- Ought to Pass as Amended
- Ought Not to Pass
- Refer to Another Committee
- Leave to Withdraw

Except for Leave to Withdraw, the committee shall vote on all recommendations to be included in reports on a bill during a work session on that bill. When the committee recommendation is not unanimous, a minority report or reports are required. Minority committee reports must be voted on at the same work session as the majority report on that bill. A committee vote to report a bill out favorably must be taken based on written language before the committee at that time or on a motion describing the content of the report. After a committee vote, no substantive change may be made in the committee report unless motions to reconsider and to amend the report are approved at a committee work session. All reports on any legislative document must be submitted to the Legislature at the same time.

3. Unanimous Ought Not to Pass Report. When a joint standing committee votes unanimously to report a bill "Ought Not to Pass," the committee shall notify the presiding officers, the sponsor and the cosponsors of the bill of their action. This communication must appear on the calendar in each chamber, and the bill, upon notification of both chambers, must be placed in the legislative file and may be recalled only as provided in Rule 404.

4. Committee Voting. The committee clerk shall prepare the committee jacket or jackets following the vote and obtain signatures from committee members as required. If all members are not present for the vote, the bill must be held until the following periods have expired.

A. If any member is absent from the committee at the time of the vote, that member's vote may be registered with the clerk up until noon on the 2nd business day following the vote. A member may register a vote only on a report that was made when the vote was taken by the committee. A member may not register a vote with the clerk creating an additional report.

B. If the presiding officers jointly determine that operational needs of the Legislature so require, they may require that a member who is absent from the committee at the time of the vote register that member's vote by noon on the next business day following the committee vote.

A member who is not physically present at the meeting but who received permission from that member's presiding officer to participate by electronic means is deemed to be present for purposes of voting, but only for voting on committee reports as specified in subsection 2 and only if the member votes in a manner that provides opportunity for those physically present at the meeting to see and hear how that member voted.

A member may be excused from voting only for a conflict of interest under Joint Rule 104. Except for a motion to adjourn, a question may not be decided and official action may not be taken in the absence of a quorum.

No committee vote on a bill may be taken after 10:30 p.m. or before 7:30 a.m. unless authorized by the presiding officers. If the presiding officers provide this authorization, they shall notify the other members of the Legislative Council concurrently.

5. Leave to Withdraw. A sponsor may request leave to withdraw that sponsor's bill or resolve before the bill or resolve is advertised for a public hearing. The request may be granted only by the agreement of both chairs of the joint standing committee to which the bill or resolve was referred. When a request for Leave to Withdraw has been granted by the chairs, the bill or resolve must be reported out as Leave to Withdraw and placed in the legislative files and may be recalled only as provided in Joint Rule 404.

Rule 311. Errors and Inconsistencies Legislation.

The Revisor of Statutes shall prepare any necessary omnibus bill concerning errors and inconsistencies in the Laws of Maine, and the bill must be referred to the joint standing committee of the Legislature having jurisdiction over judiciary matters. The committee shall, after giving notice and an opportunity to be heard, hear proposed amendments and direct the Revisor of Statutes to prepare those amendments that must be included in the bill reported out. A floor amendment may not be entertained in either chamber unless the amendment is printed and distributed at least 24 hours prior to introduction.

Rule 312. Fiscal Notes.

Every bill or resolve that affects state revenues, appropriations or allocations or that requires a local unit of government to expand or modify that unit's activities so as to necessitate additional expenditures from local revenues and that has a committee recommendation other than "Leave to Withdraw," "Ought Not to Pass" or "Referral to Another Committee" must include a fiscal note prepared by the Office of Fiscal and Program Review. For a bill or resolve not yet reported out and upon request of a majority of the committee, the Office of Fiscal and Program Review shall, after notice by the committee to the sponsor of the bill or resolve, meet with the committee at a work session to present its analysis and provide copies of the written public materials relied upon by the office to prepare that fiscal note. The fiscal note must accompany the committee report before it is reported out of committee. Any amendment introduced that would affect the fiscal impact of the original bill must also include a fiscal note. The Office of Fiscal and Program Review has the sole responsibility for preparing all fiscal notes.

Rule 312-A. Constitutional Resolutions.

A committee may submit the question to be voted on under a resolution proposing to amend the Constitution of Maine to the Secretary of State for review prior to reporting the resolution out of committee with a recommendation other than "Ought Not to Pass" or "Referral to Another Committee." The Secretary of State shall apply the same standards of clarity to that question as to questions for the people's veto and initiative referenda under the Maine Revised Statutes, Title 21-A, section 906, subsection 6 and advise the committee and the sponsor of the resolution as to the recommended wording of the question.

Rule 313. Confidentiality.

The committee shall protect confidential records, including those records excluded from the definition of "public records" under the freedom of access laws, the Maine Revised Statutes, Title 1, section 402, subsection 3, from public disclosure by holding executive sessions to discuss information contained in those records. Executive sessions must be held in accordance with the provisions of the freedom of access laws, the Maine Revised Statutes, Title 1, chapter 13, subchapter I.

Before the committee files leave the custody of the committee, the committee chairs shall direct the custodian of the files to protect the confidentiality of the records in any appropriate manner, including returning the records to the person or department from which they came; destroying the records; or blocking out personally identifying information in the records and retaining them in the files, if the law declaring the records confidential permits disclosure in this manner.

The committee chairs shall also ensure that the files include a notation indicating what type of confidential records were reviewed by the committee.

Rule 314. Participation in Budget Hearings and Work Sessions.

As used in this Rule, "policy committee" means a joint standing committee or joint select committee of the Legislature having subject matter jurisdiction other than the Joint Standing Committee on Appropriations and Financial Affairs.

In each year of the biennium, any budget bill submitted to the Legislature by the Governor and referred to the Joint Standing Committee on Appropriations and Financial Affairs is subject to the following procedures.

If more than 3 members are appointed to the subcommittee, the additional member or members must be appointed jointly by the chairs of the policy committee. This subcommittee must include members of the 2 parties holding the largest number of seats in the Legislature. The committee chairs shall

name one of the members as subcommittee chair. The Joint Standing Committee on Appropriations and Financial Affairs shall notify the policy committee chairs and the chair of the subcommittee in a timely manner prior to any subsequent deliberations on budget items relative to that policy committee's jurisdiction. Each policy committee through its subcommittee shall advise the Joint Standing Committee on Appropriations and Financial Affairs of its respective policy committee's recommendations regarding budget items relative to that committee's jurisdiction and through its subcommittee may participate in all subsequent deliberations of the Joint Standing Committee on Appropriations and Financial Affairs on these budget items.

3. Membership Published. In the event a subcommittee is appointed pursuant to subsection 2, the membership of each subcommittee must be published in the Advance Journal and Calendar.

4. Policy Committee Recommendations. Each policy committee shall provide the Joint Standing Committee on Appropriations and Financial Affairs with the policy committee's recommendations regarding the relevant part of the Governor's budget. These recommendations must be delivered within a time period set by the chairs of the Joint Standing Committee on Appropriations and Financial Affairs after consultation with the chairs of the policy committee taking into consideration previously scheduled public hearings of the policy committee. The chairs of the Joint Standing Committee on Appropriations and Financial Affairs shall notify the presiding officers of the dates established for reporting policy committees' recommendations. The recommendations must be made within the budgetary constraints set by the Joint Standing Committee on Appropriations and Financial Affairs and presented in a format specified by the chairs of the Joint Standing Committee on Appropriations and Financial Affairs.

5. Additional Funds. To the extent practicable, at the time of submission of the policy committee's biennial budget recommendations within established budget constraints, each policy committee may recommend additional funds for program priorities that exceed the original budgeting constraints and if recommendations for additional funds are made, the committee shall explain those recommendations.

6. Decision-making Authority. The Joint Standing Committee on Appropriations and Financial Affairs shall consider the policy committees' budget recommendations during the deliberations of the Joint Standing Committee on Appropriations and Financial Affairs but retains sole decision-making authority on budget matters.

7. List of Priorities. Within 5 business days after receiving a list from the Office of Fiscal and Program Review of all bills reported out of a committee that involve appropriations or revenues, the policy committee shall submit to the Joint Standing Committee on Appropriations and Financial Affairs a list indicating that committee's priorities for final passage of these bills. The list must be accompanied by a form signed by all committee members indicating how they voted on the priority recommendations.

Rule 315. Interim Committee Activities.

The chairs of a joint standing committee may request and upon finding of need the President of the Senate and the Speaker of the House are authorized to jointly grant permission to a

In reports from committees on which a tribal member serves, the position of the member must be noted and included.

Rule 317. Review of provisions affecting the Fund for a Healthy Maine.

Whenever a legislative proposal in a resolve or bill, including a budget bill, affects the Fund for a Healthy Maine under the Maine Revised Statutes, Title 22, section 1511, or involves funding from the Fund for a Healthy Maine, the joint standing committee of the Legislature having jurisdiction over the proposal shall hold a public hearing and determine the level of support for the proposal among members of the committee. If there is support for the proposal among a majority of the members of the committee, the committee shall request the joint standing committee of the Legislature having jurisdiction over health and human services matters to review and evaluate the proposal as it pertains to the Fund for a Healthy Maine. The joint standing committee of the Legislature having jurisdiction over health and human services matters shall conduct the review and report back to the committee of jurisdiction and to the joint standing committee of the Legislature having jurisdiction over appropriations and financial affairs.

Whenever a legislative measure is proposed that contains a provision to expedite, establish or adjust the priority of judicial proceedings, the joint standing committee of the Legislature having jurisdiction over the proposal shall hold a public meeting on the proposal and determine the level of support for the proposal among members of the committee. If there is support for the proposal among a majority of the members of the committee, the committee shall request the joint standing committee of the Legislature having jurisdiction over judiciary matters to review and evaluate the proposal as it pertains to the appropriate priority and timing of judicial proceedings in all state courts. Information may be requested from the Judicial Branch. If there is support for the proposal among a majority of the members of the committee, the committee shall request the joint standing committee of the Legislature having jurisdiction over criminal justice and public safety matters to review and evaluate the proposal for its impact on the criminal justice system. When a select committee is appointed by both chambers the Secretary of the Senate and the Clerk of the House shall inform each other of the names of the members so that the names may be entered upon the Advance Journal and Calendar of each chamber.

Rule 352. Committees of Conference.

When the chambers do not agree on an action, a committee of conference is in order. A committee of conference consists of 3 members from each chamber who voted on the prevailing side. A committee of conference shall meet and submit a report within 10 legislative days to the chamber asking for the conference. The report must be agreed to by a majority of the members from each chamber. The committee report may be that it is unable to agree. The committee report may be either accepted or rejected, but no other action may be had except through another committee of conference. If necessary, a new committee of conference may be formed.

Rule 353. Legislative Studies.

To assist in the exercise of its duties, the Legislature may establish legislative study committees or may alternatively refer matters to joint standing committees or subcommittees of joint standing committees for study. This Joint Rule establishes standards that govern the drafting of legislative study instruments and the authorization of legislative studies. All legislative studies must be consistent with this Joint Rule and with Legislative Council policies adopted under this Joint Rule. Any bill, resolve or joint order proposing a legislative study that is inconsistent with this rule must be reviewed and approved by the Legislative Council.

1. Definitions. For the purposes of this Joint Rule, the following terms have the following meanings:

A. The term “legislative study” or “legislative study committee” means any group of individuals established in an Act, Resolve or Joint Order or by the Legislative Council, except those exempted under policies adopted by the Legislative Council, whose duties

include studying and reporting to the Legislature on any matter or advising the Legislature on any matter and that requires the use of legislative resources; and

B. The term “legislative resources” means the expenditure of any funds appropriated or allocated to the Legislative Account, the inclusion of one or more legislators as members of the legislative study committee or the use of Legislative Council staff.

2. Establishing legislative studies. A legislative study may only be created by joint study order, unless the instrument directs an agency or a person who is not a legislator to take an action or has an existence that extends beyond the Legislature in which it is introduced. A joint standing committee may report out a joint study order requesting that a study be conducted.

3. Appointment of members. A majority of legislative study members must be legislators and the legislative study committee must be chaired by legislators appointed in a manner consistent with subsection 4. The legislative study committee must include members of the 2 parties holding the largest number of seats in the Legislature. All members of legislative study committees established by joint study order must be appointed by the presiding officers: Senate members by the President and House members by the Speaker. Members of a legislative study created by joint study order who are not legislators must be appointed either by the President or the Speaker. Legislative studies may include a minority of non-legislative members appointed by someone outside the Legislature. Joint appointment of members is not permitted.

4. Appointment of chairs. Legislative studies having more than 5 members must be cochaired by legislators. The first appointed Senate member must be the Senate chair and the first appointed House member must be the House chair. Legislative studies having 5 or fewer members must have a single legislative chair appointed by the presiding officer of the body of the originating study order or legislation. The chair of a legislative study having 5 or fewer members shall appoint a chair pro tem from among the appointed members to serve in the chair's absence.

5. Committee size. Legislative study committees may consist of no fewer than 3 and no more than 13 members.

6. Staffing. Unless the Legislative Council directs otherwise, Legislative Council staff will only be assigned to legislative studies that conform to this Joint Rule.

7. Reporting dates. All reports of legislative study committees that are to be submitted to a first regular session must be completed and submitted not later than the first Wednesday in November preceding the convening of the first regular session of the next legislature. All reports of legislative study committees that are to be submitted to a second regular session must be completed and submitted not later than the first Wednesday in December preceding the convening of the second regular session. Upon request of the study committee, the Legislative Council may extend the reporting date, except that the extension may not go beyond December 15th in odd numbered years or beyond the first Wednesday of December in even numbered years.

8. Legislation may not be introduced by legislative studies. Legislative study committees or groups may include proposed legislation in their reports to the Legislature, but are not authorized to introduce legislation. Upon receipt of a report submitted by a legislative study

committee or group, the joint standing committee to which the report is submitted, or the appropriate joint standing committee of jurisdiction in the event that the report is submitted to the Legislature as a whole, may introduce a bill during the session to which the report is submitted to implement its recommendations on matters relating to the study.

9. Compensation. Legislative members are entitled to receive the legislative per diem and reimbursement of necessary expenses for their attendance at authorized meetings of a study committee. Public members not otherwise compensated by their employers or other entities whom they represent are entitled to receive reimbursement of necessary expenses and, upon demonstration of financial hardship, a per diem equal to the legislative per diem for their attendance at authorized meetings of a study committee.

10. Study table. All joint study orders or legislation proposing legislative studies must be placed on a special study table in the Senate or House. The Legislative Council shall review the proposed studies and authorize the allocation of budgetary and staffing resources for those studies.

11. Legislative Council study policies. The Legislative Council shall adopt policies governing legislative studies at the beginning of each legislative biennium. Those policies may include conditions on the funding of legislative studies, exceptions to this Joint Rule, drafting standards or other provisions necessary to satisfy the requirements of this Joint Rule.

The first-named Senate member is the Senate chair; the first-named House member is the House chair.

The committee shall meet at least once annually and at other times agreed upon by the President of the Senate and the Speaker of the House to review the joint rules and recommend changes the committee determines necessary.

The committee shall invite the participation of the Secretary of the Senate, the Clerk of the House, the Executive Director of the Legislative Council, the Director of the Office of Fiscal and Program Review, the Director of the Office of Policy and Legal Analysis and the Director of the Office of the Revisor of Statutes. The Secretary of the Senate and the Clerk of the House shall provide necessary staffing services to the committee.

At least once each biennium, the committee shall review the Legislative Code of Ethics that was adopted by the 100th Legislature and may recommend any changes the committee determines necessary.

The Joint Select Committee on Joint Rules shall review and make recommendations concerning the Legislative Council. This review shall include, but not be limited to the structure and operations of the Legislative Council and possible creation of a Joint Committee on Legislative Management to replace the functions of the Legislative Council. This section of the Joint Rules may be approved by a majority vote following the report of the Joint Select Committee

on Joint Rules. Any change to the title of the Legislative Council in the Joint Rules may also be changed by majority vote.

Rule 401. Printing of Bills.

Every bill or resolve submitted by a Legislator must be printed unless withdrawn by the sponsor before printing. After it is printed, a bill or resolve is considered to be in the possession of the Legislature and may not be withdrawn by the sponsor. Every bill presented for reference to committee or to be engrossed without reference to committee must be printed before appearing on the Advance Journal and Calendar of either chamber.

Every amendment must be printed and distributed before being taken up in either chamber. Every committee amendment must indicate the committee making the report.

The Secretary of the Senate and the Clerk of the House are responsible for the printing and initial distribution of legislative documents and amendments.

Rule 402. Consideration of Bills.

When a bill, resolve, order or memorial passes one chamber, if rejected in the other chamber, it must be returned by the Secretary or the Clerk, as the case may be, for further consideration.

Rule 403. Amendment of Bills.

A floor amendment is not in order on any bill or resolve until a favorable report of the committee to which the bill or resolve has been referred has been accepted and the bill or resolve is before the Senate in the 2nd reading or before the House in the 2nd reading.

Rule 404. Rejection of Bills.

A bill, resolve, constitutional resolution, resolution, memorial or order that is finally rejected may not be recalled from the legislative files except by joint order approved by a vote of 2/3 of both chambers.

Rule 405. Enactment of Bills.

Every bill that has passed both chambers to be enacted and all resolutions having the force of law that have finally passed both chambers must be presented by the Secretary of the Senate to the Governor for approval; and the Secretary of the Senate shall enter on the journal of the Senate the day on which those bills or resolutions are presented to the Governor.

Rule 406. Responsibility for Legislative Papers.

All endorsements on papers passing between the 2 chambers must be under the signature of the Secretary of the Senate or the Clerk of the House, respectively; but after the final passage of bills and resolves they must be signed by the presiding officer of each chamber.

When one chamber has passed upon a legislative paper and forwarded it to the other, the receiving chamber shall promptly, upon receipt, place that paper on its calendar.

Rule 407. Joint Conventions.

Business may be transacted in convention of the 2 chambers only by unanimous consent of the convention, except for such business as may be agreed upon by the 2 chambers before the convention is formed.

Rule 408. Communications.

Whenever a message is sent from the Senate to the House, the chair shall appoint a messenger who, after being recognized, shall announce the message respectfully to the chair.

In a like manner, messages from the House must be communicated to the presiding officer of the Senate.

**Part 5
Legislative Confirmations**

Rule 501. Partisan Staff Assistants for Nominations.

The members of the Legislative Council representing each party may, within 7 legislative days after the convening of the first regular session, appoint a partisan staff assistant for nominations. Each of these assistants serves at the pleasure of the appointing authority during the

biennium for which the assistant is chosen. A vacancy in either of these positions must be filled for the remainder of the biennium in the same manner as the original appointment. Partisan staff assistants for nominations shall provide all necessary assistance to each joint standing committee required by law to recommend action on a gubernatorial nominee.

Rule 502. Notice of Gubernatorial Appointments.

The procedures for legislative confirmation are established in the Maine Revised Statutes, Title 3, chapter 6. Upon receipt by the President of the Senate, the Speaker of the House and the Legislative Information Office of notification from the Governor of the name of a nominee and of the office to which that person is nominated, the Legislative Information Office shall, without delay, forward that notice and copies of accompanying materials to the chairs of the joint standing committee that is charged by law with reviewing nominations to that office and to the 2 partisan staff assistants for nominations. The Legislative Information Office shall establish an official file for each nominee.

Rule 503. Committee Preconference Hearing.

The joint standing committee must hold a prehearing conference within 21 days of the notification from the Governor unless the committee decides otherwise. The prehearing conference must be consistent with the Maine Revised Statutes, Title 3, section 156.

Rule 504. Committee Public Hearing.

The joint standing committee shall hold a public hearing on the nomination in Augusta at a time convenient to the public within 30 days, or 35 days for judicial officers, from the date of the Governor's notice of the nomination to the President of the Senate and the Speaker of the House. At least 7 days before the hearing, in accordance with Title 3, section 157, the Legislative Information Office shall provide notice of the hearing, the name of the nominee, the office to which that person has been nominated and a general description of the duties of that office. The notice must also contain a statement that written comments relevant to the qualifications of the nominee together with supporting materials may be filed with the Legislative Information Office by 9 a.m. on the hearing date. At the hearing, the committee shall take written or oral testimony limited to relevant comments and questions regarding the qualifications of the nominee. Notwithstanding the Maine Revised Statutes, Title 3, section 157, for the purposes of reviewing nominations pursuant to this rule, the joint standing committee has the power to administer oaths and to take testimony under oath. All testimony taken at the hearing must be recorded and testimony and other materials received by the committee must be preserved according to the Maine Revised Statutes, Title 3, section 159. In the event that partisan assistants for nominations are appointed, they shall provide the committee with a written report of their investigations before the committee votes to recommend or deny confirmation.

Rule 505. Committee Vote.

Within 35 days, or 40 days for judicial officers, from the date of the Governor's notice of the nomination to the President of the Senate and the Speaker of the House, the committee shall

recommend confirmation or denial by majority vote of the committee members present and voting. The vote of the committee may be taken only upon an affirmative motion to recommend confirmation of the nominee, and a tie vote of the committee is considered a recommendation of denial. A vote may not be taken sooner than 15 minutes after the close of the public hearing unless by agreement of all committee members present. The committee vote must be by the yeas and nays of those present and voting. The chairs of the committee shall send written notices of the committee's recommendation to the President of the Senate.

Rule 506. Senate Vote.

Within 45 days, or 50 days for judicial officers, from the date of the Governor's notification of the nomination to the President of the Senate and the Speaker of the House, the Senate shall review the recommendation of the committee on the nomination and, after review, shall vote by the yeas and nays on that recommendation.

After vote by the Senate, the committee's recommendation becomes final action of confirmation or denial unless the Senate by a vote of 2/3 of those members present and voting overrides the committee's recommendation. If the committee recommends to deny confirmation and the Senate votes by a vote of 2/3 or greater of those members present and voting to override the committee's recommendation, the nomination is considered confirmed. Following Senate confirmation or denial, notice of the action taken must be given to the Speaker of the House.

Rule 507. Withdrawal of Nomination.

If the Governor withdraws a nomination at any time prior to the Senate vote by sending a written notice of withdrawal to the President of the Senate, the Legislature may not take any further action on that nomination.

Rule 508. Nomination Made Within 30 Days of Adjournment.

If the Governor posts a nomination within 30 days preceding the statutory date of adjournment, a legislative committee to which a nominee is referred for confirmation review may by 2/3 vote request the President of the Senate and the Speaker of the House to delay this review in order to complete the committee's legislative work. If the President of the Senate and the Speaker of the House approve the request, the time periods for legislative action begin on the date the Legislature adjourns.
