

**STATE OF MAINE
ONE HUNDRED AND TWENTY-EIGHTH LEGISLATURE
FIRST REGULAR SESSION
JOURNAL OF THE SENATE**

In Senate Chamber
Tuesday
April 25, 2017

Senate called to order by President Michael D. Thibodeau of
Waldo County.

Prayer by Reverend Susan Crane, Henderson Baptist Church in
Farmington.

REVEREND CRANE: Grace to you and peace. In 2015 Time Books published a collection of reflections by Christian leaders about questions Jesus asked during his brief ministry. Jesus often taught by asking questions that challenged his listeners to come up with their own answers. I'd like to read you an excerpt from the reflection by the Reverend Barry Black, Chaplain of the U.S. Senate, regarding Jesus' question in Mark 9:50: how can you make it salty again? Black writes: Like any capable attorney, Jesus asked questions whose answers he already knew. In Mark 9:50 he asked a question that he answered in Mathew 5:13. You are the salt of the earth, but if salt has lost its taste how shall its saltiness be restored? He then provided this answer: it's no longer good for anything except to be thrown out and trodden underfoot by people. Essentially, he said tasteless salt is useless. Why did Jesus ask this question about tasteless salt? He was speaking to a multitude on a mountain, and particularly to his 12 closest followers. Perhaps he wanted his hearers to comprehend that they could be an influence for good or evil. They could leave a corrupt and dark world better or worse than they found it. Like salt, their influence had antiseptic powers, bringing purity to a polluted world. Like salt, their influence had vivifying powers, bringing flavor to an insipid world. Like salt, their influence had preservative powers, holding at bay the putrefaction and decay of a rotting world. Perhaps Jesus spoke of tasteless salt because he wanted his followers to make their influence felt through exemplary living, bringing purifying power to their world. Perhaps he asked this question to emphasize that misused influence perpetuates corruption in our world. Perhaps he asked this question about tasteless salt to show his disciples that misused influence takes flavor out of our world. Like a good attorney, Jesus knew the answer to the question he asked about tasteless salt. It's useless. Could he, therefore, be saying to people of faith today: Followers, cultivate useful influence. Bring purity, flavor, and preservation to life. Use your savory influence to quicken the conscience of the wayward, elevate the conversation of the cynical, restrain the corruption of the deviant. Serve my purpose for your life by making an antiseptic, vivifying and preservative impact on our world. Could he be challenging people of faith to permit their powerful influence to make the world thirstier for the waters of life?

Let us pray. O God, who made the heavens and the earth, You are Lord. Your word is the lamp to our feet and a guide for the path forward. Chaplain Black's reflection on Jesus' question about tasteless salt reminds us of our calling to tasteful salt for the world we live in today, to use our influence as legislators,

leaders, pastors, and teachers, lawyers and businesspeople, in such a way that the world around us is made better by our example, not worse. Keep us, O Lord, from becoming tasteless salt. Use us instead to make savory the experiences of our life together in this good State of Maine. Take our lives, Lord, and let them be consecrated to bringing about the goodness You created us for, a goodness that benefits all people, rich and poor alike, both citizens and immigrants, a goodness that builds up what is possible despite the corruption so prevalent in our decaying world. May our influence bring the flavor of hope to those who yearn for a better life and may we bring tasteful wisdom to the civil discourse we engage in here for the sake of all Maine's citizens. In Your grace and mercy, Lord, may our efforts here in these Chambers preserve from corruption the resources of the beautiful State of Maine; for we trust in Your providence, O Giver of Life. Amen.

Pledge of Allegiance led by Senator Susan A. Deschambault of
York County.

Joint Resolutions

The following Joint Resolution:

H.P. 1032

**JOINT RESOLUTION
COMMEMORATING YOM HASHOAH,
THE DAY OF REMEMBRANCE**

WHEREAS, from 1933 to 1945, 6,000,000 Jews were murdered in the Holocaust as part of a state-sponsored, systematic persecution and annihilation program of genocide, and millions of other people suffered as victims of Nazism, such as the handicapped, political dissidents and many others for racial, ethnic or national reasons; and

WHEREAS, the people of the State of Maine should always remember the atrocities committed by the Nazis so that such horrors are never repeated, and the history of the Holocaust offers an opportunity to reflect on the moral responsibilities of individuals, societies and governments; and

WHEREAS, the people of the State of Maine should always remember those who liberated the Nazi concentration camps, some of whom lost their lives and others of whom have

experienced lifelong emotional suffering, as holding an honored place in our history; and

WHEREAS, the people of the State of Maine should continually rededicate themselves to the principle of equal justice for all people, remain eternally vigilant against all tyranny and recognize that bigotry provides a breeding ground for tyranny to flourish; and

WHEREAS, the national community, pursuant to an Act of Congress, will be commemorating the week of April 17, 2017 to April 24, 2017 as the Days of Remembrance of the Victims of the Holocaust, including the Day of Remembrance, known as Yom HaShoah, April 24, 2017; and

WHEREAS, it is appropriate for the people of the State of Maine to join in this international commemoration, marking 72 years since the end of World War II and the liberation of the Nazi concentration and death camps; now, therefore, be it

RESOLVED: That We, the Members of the One Hundred and Twenty-eighth Legislature now assembled in the First Regular Session, on behalf of the people we represent, pause in solemn memory of the victims of the Holocaust and in honor of the survivors, rescuers and liberators; that We urge one and all to recommit themselves to the lessons of the Holocaust through the international week of commemoration; and that We express our common desire to continually strive to overcome prejudice and inhumanity through education, vigilance and resistance; and be it further

RESOLVED: That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the Holocaust and Human Rights Center of Maine and the United States Holocaust Memorial Council in Washington, D.C. on behalf of the people of the State of Maine.

THE PRESIDENT: The Chair recognizes the Senator from Kennebec, Senator Katz.

Senator **KATZ:** Thank you very much, Mr. President. Men and women of the Senate, this Joint Resolution commemorating the Day of Remembrance is important not just to the people who have some connection, direct connection, to the Holocaust, but to all of us. It's now been 72 years since the end of World War II and the liberation of the Nazi concentration and death camps, but the message of the day speaks to all of us and I come back to a poem, or a note, written by a Pastor Martin Niemoller, who was a prominent Protestant pastor who was outspoken in his criticism of Adolf Hitler and as a result spent seven years in Nazi concentration camps himself and he wrote the following, Mr. President, which I think is as meaningful today as it was then.

First they came for the Communists, and I did not speak out because I was not a Communist.
Then they came for the Socialists, and I did not speak out because I was not a Socialist.
Then they came for the Trade Unionists, and I did not speak out because I was not a Trade Unionist.
Then they came for the Jews, and I did not speak out because I was not a Jew.
Then they came for me and there was no one left to speak for me.

Thank you, Mr. President.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Breen.

Senator **BREEN:** Thank you, Mr. President. Men and women of the Senate, I want to follow up briefly to the good Senator from Kennebec to remind folks that this day we remember every year because it's the most extreme example of turning a blind eye to religious and ethnic persecution. We remind those who would deny that this happened that the Holocaust happened, and would contribute to the erasure of these facts, that we will not forget, we will not erase or gloss over these important facts. We remember today what can happen when we turn a blind eye to religious and ethnic persecution. Our State and our country hold fast to the principle of religious freedom and this day reminds us to uphold this principle every day in our own lives. Thank you, Mr. President.

Joint Resolutions in Memoriam:

WHEREAS, the Legislature has learned with deep regret of the death of:

Leonard Lookner, of Camden. Mr. Lookner served as Vice Chairman of the Camden Select Board. Having served on the select board in the 1990s, he was most recently elected in 2012 and reelected in 2015, and over the years he served on various town committees. He was owner of the Waterfront Restaurant for decades before he retired. Mr. Lookner will be long remembered and sadly missed by his family, friends and colleagues;

THE PRESIDENT: The Chair recognizes the Senator from Knox, Senator Miramant.

Senator **MIRAMANT:** Thank you, Mr. President. Men and women of the Senate, I'd just like to say a few words about Leonard Lookner, a very wonderful and colorful member of our community in Camden, one of the first people to educate me in town politics with a different perspective on it than you get from anyone else. He wasn't afraid to speak up. He stood up for our town and the people of our town. He raised wonderful children who are involved in their community, their families, and their State. They step out. They work hard. All of this came from him. He had a business in our town that thrives today, even as he stepped out of it, but that he had for years. So he represented business. He took care of his workers. He had an impact on every level of our community and he was on our Select Board when he died. He is greatly missed by everyone. Sometimes you'd be on the end of one of his editorials about how he just thought you were missing the point completely about how you could help Camden and the people of our town and our resources, our natural resources, and he wasn't afraid to put himself out there. You know, sometimes you cringe when you put

something out. He didn't. He stood up for it and he helped us see another side and he's missed every day and I thank everyone who had a chance to cross his path and who remembers him today with us. Thank you.

ADOPTED, in concurrence.

WHEREAS, the Legislature has learned with deep regret of the death of:

Robert G. Crockett, of Augusta. Mr. Crockett served in the United States Air Force, and he worked for the United States Postal Service for 37 years. Mr. Crockett served for 14 years on the Augusta City Council, was Postmaster and Sergeant at Arms for the Maine State Senate and served as Kennebec County Treasurer. He was a president of the Augusta South Little League, a past president of the Cony High School Boys Ice Hockey Boosters Program, a member of the Old Fort Western Board of Trustees, a lifetime member of the Kennebec Historical Society and a longtime member of Green Street United Methodist Church of Augusta. Mr. Crockett will be long remembered and sadly missed by his family, friends and colleagues;

THE PRESIDENT: The Chair recognizes the Senator from Aroostook, Senator Jackson.

Senator **JACKSON:** Thank you, Mr. President. Ladies and gentlemen of the Senate, I just wanted to get up for a minute and talk about Bob Crockett. Of course he had a real history in Kennebec County, the community, but, for myself, Bob worked in this Chamber when I was in the House. I never did actually serve in the Senate when he worked here also, but what I remember of Bob was that every time you came down to the Senate he opened the door, had a great big smile, was very welcoming, most often would tell you a joke. As a first time House member, he made it a lot easier to come in this Chamber. Made you feel welcome. Made you feel like this was a place that you deserved to be just like everyone else. I always appreciated that of Bob. What I didn't know was later on in life when you'd see him anywhere else in the community, again he was just as welcoming and heartwarming as he had been in his role here in the Senate Chamber. I just, you know, really, when I heard that he wasn't doing well, certainly felt remorse and wished that he'd be back here again, welcoming all of us like he had in the past. I just think he was a great, great man that was really honest and sincere. The longer, you know, I go through life the more I appreciate people like that, that when they stick their hand out and want to shake it it's because they truly look forward to seeing you. Bob was that type of guy that I certainly hope to become more of as I get older in life. So thank you.

THE PRESIDENT: The Chair recognizes the Senator from Piscataquis, Senator Davis.

Senator **DAVIS:** Thank you, Mr. President. Mr. President, I would echo the comments from my good friend from Northern Aroostook. I knew Bob Crockett quite well. He was, I believe, the

Assistant Sergeant-At-Arms when I came here and then he became Sergeant-At-Arms. He was a great help to me and I know he was a great help to everyone that he came in contact with. I don't remember when he, whenever he, was dealing with the members of this Body that he ever showed any partiality or anything like that. He was just a great guy; friendly, always had his hand out, always willing to help. I called him a friend. At different times we crossed paths, not here but in other places, and we were always very friendly towards each other. I'm going to miss him. Thank you, Mr. President.

THE PRESIDENT: The Chair recognizes the Senator from Kennebec, Senator Katz.

Senator **KATZ:** Thank you, Mr. President. Men and women of the Senate, I just want to add my voice as well. Bob's wife, Patsy Crockett, who also served in the, who did serve, in the House of Representatives and all the things that the good Senator from Aroostook said about Mr. Crockett; his warmth, how welcoming he was, what a good sense of humor he had, and how kind he was. Bob Crockett was really known in Augusta as Mr. Democrat and that he showed exactly those same human qualities to me and to other members of the other party. He will be missed. Thank you, Mr. President.

He is a senior at Greely High School and Matt's incredible basketball talent led the Greely High School boys' basketball team to the Class A State Championship just weeks ago. He was not only named the *Maine Sunday Telegram* Boys' Basketball Player of the Year but he's also Maine's 2017 Mr. Basketball. Matt comes from a family with a long history of basketball. On motion by Senator **BELLOWS** of Kennebec, supported by a Division of one-fifth of the members present and voting, a Roll Call was ordered.

THE PRESIDENT: The Chair recognizes the Senator from Kennebec, Senator Bellows.

Senator **BELLOWS:** Thank you, Mr. President. I encourage my colleagues to oppose the pending motion so that we can get to the Ought to Pass Report. I am a co-sponsor on this bill because what it simply does is establish November as Buy Local Month and direct the Department of Economic and Community Development to pursue efforts to promote investments in buying local in our local communities. This was brought by some of the groups that are advocating successfully for Buy Local in larger communities like Portland and what's really important to know is that buying locally pays big dividends for Maine's economy. A recent study by the Maine Center for Economic Policy showed that for every \$100 invested in locally owned businesses created an economic impact of \$58 back into our local economy, having a huge economic multiplier effect, versus for every \$100 invested in businesses that are owned outside of the State, it only returns \$33, and for every dollar spent online the return to local communities is zero dollars. I think as Maine's economy

changes, as we are seeing consumers beseeched by so much information and increasingly turning to online, we need to support our local downtowns, we need to support the local economy. This is a very simple measure to make November Buy Local Month and to encourage our Department of Economic and Community Development to pursue those Buy Local efforts that will have such a huge impact on local businesses all over our districts. Thank you.

THE PRESIDENT: The Chair recognizes the Senator from Franklin, Senator Saviello.

Senator **SAVIELLO:** Thank you, Mr. President. Ladies and gentlemen of the Senate, as a part-owner of a small business, I support the concept of this draft, this bill. Unfortunately, I don't support one month, especially November, when most of my friends are out hunting rather than shopping downtown. Secondly, is that if we're going to do something like this, it's needs to be all year long and I do believe we have a program called the Second Saturday that is promoted by the Retailers Association and it is a matter of us getting involved in that and actually can promote our small businesses through the year. So I will not be voting in favor, I will be voting in favor of the motion before us. Thank you, Mr. President.

THE PRESIDENT: The pending question before the Senate is the motion by the Senator from Piscataquis, Senator Davis, to Accept the Minority Ought Not to Pass Report, in Non-concurrence. A Roll Call has been ordered. Is the Senate ready for the question?

Senator **DIAMOND**: Thank you, Mr. President. Ladies and gentlemen of the Senate, I just want to say thank you for your hard work and your diligence in passing, helping us pass, the Real ID. I know it was difficult to some people but we really had very little choice and I especially want to thank the Transportation Committee, led by the good Senator from York, Senator Collins. They spent a lot of time on this and I think we just dodged a huge chaos bullet for our constituents and I thank you for that. Again, I know it was difficult for some, but I just want to say thank you for that. Thank you to the leadership of the Body for all your help. Thank you.
