ORDERS

Joint Orders

Expressions of Legislative Sentiment recognizing:

Saco Middle School, which is the Maine State Winner of the Samsung Solve for Tomorrow US Contest for its 7th-grade project to create 100% biodegradable, sustainable and refillable markers. We extend our congratulations and best wishes;
SLS 1384
Sponsored by Senator BAILEY of York.
Cosponsored by Representatives: COPELAND of Saco, GATTINE of Westbrook, O'NEIL of Saco.

The Joint Order was **READ**.

The **PRESIDENT**: The Chair recognizes the Senator from York, Senator Bailey.

Senator **BAILEY**: Thank you, Mr. President, Men and Women of the Senate. Today, I'm happy to welcome the seventh-grade students Aislyn Cassidy, Aaron Garland, Juniper L'Italien, Tucker Vincent, Spencer Pahigian, Natalie Chaplin, Abbie Cashin, Amara Doe, Charlotte Ramsey, and Eleanor Studtman from Saco Middle School, who are the Maine state winners for the prestigious Samsung Solve for Tomorrow contest. These bright students, much smarter than I am, under the guidance of teacher Ms. Lindsay Girard, created a 100% biodegradable, sustainable, and refillable markers. Due to their ingenuity, they prevailed over their high school competitors and secured a \$12,000 Samsung prize package, a video kit to assist in the national competition, and a designated Samsung employee mentor. They will now advance to the national competition as the sole middle school amongst the six state finalists. Samsung Solve for Tomorrow is a national competition that challenges students in grades six through 12 to use their STEM skills to address real-world issues in their communities and affect positive social change. Saco Middle School's winning project which was conceived and executed by the inventive minds of these students revolves around creating a 100% biodegradable, sustainable, and refillable markers. And when I learned about what their project was, my first reaction was why didn't I think of that before. The innovative solution aims to combat the staggering environmental impact of the 400 million markers discarded annually in landfills throughout the United States. Today, I'm very proud to present a legislative sentiment to all those students and recognize your creativity, skill, and talent. I am so very proud of you, and I wish you the very best as you advance to the national competition. Thank you, Mr. President.

The Joint Order was **PASSED**.

Sent down for concurrence.

THE PRESIDENT: The Chair is pleased to recognize the Saco Middle School seventh graders that are winners of the Maine State Samsung Solve for Tomorrow Contest. Senator Bailey probably did a better job announcing their names: Aisyn Cassidy, Aaron Garland, Juniper L'Italien, Tucker Vincent, Spencer Pahigian, Natalie Chaplin, Abby Cashin, Amara Doe, Charlotte Ramsay, and Eleanor Studtman, joined by their teacher Lindsay Girard. Would they all please rise and accept the congratulations of the Maine Senate.

The Leavitt Area High School Football Team, of Turner, which won the Class C State Championship for the 2nd year in a row. We extend our congratulations and best wishes;
SLS 1281

Sponsored by Senator TIMBERLAKE of Androscoggin.
Cosponsored by Representatives: MORRIS of Turner.

The Joint Order was **READ**.

The **PRESIDENT**: The Chair recognizes the Senator from Androscoggin, Senator Timberlake.

Senator **TIMBERLAKE**: Thank you, Mr. President, Ladies and Gentlemen of the Senate. It's with great pride and a lot of honor that I get to stand here before you today and introduce what I think is one of the -- probably one of the best football teams that have ever come through the State of Maine over the years. This is their second year in a row, three times out of the last four years, they've been state champ under Coach Hathaway. Coach Hathaway has built one whale of a program in that district where the kids start at a very young age and come up through. Leavitt took on the best programs in the state of Maine, some with enrollments more than twice its size. There was a 21-14 win over Oxford Hills, who was the 2022 Class A champs - remembering that Leavitt is a Class C school. There was a 62-32 win over Lawrence, which lost to Kennebunk 40-20 in the Class B state champs this year. There was also a -- went on the road to Saco to Thornton Academy, rallying from a 15-point deficit in the second half to earn a 35-31 win over the Thornton Academy, who won the Class A state championship this year. They have won the state title, as I said, for the last two years, and the last three out of four, with a record of about 29 and 1 with this team. So, it's a very impressive team. It's with great honor that I get to present them this sentiment here today and thank you very much to all of you.

The Joint Order was **PASSED**.

Sent down for concurrence.

THE PRESIDENT: The Chair is pleased to recognize the football team and their coaches. Would they please rise and accept the greetings of the Maine Senate.

Jace Negley, of Greene, a student and football player at Leavitt Area High School, who has received the Frank J. Gaziano Memorial Defensive Lineman Award as the State's top defensive lineman. We extend our congratulations and best wishes;
SLS 1385

Sponsored by Senator TIMBERLAKE of Androscoggin.
Cosponsored by Representative: WOOD of Greene.

The Joint Order was **READ**.

The **PRESIDENT**: The Chair recognizes the Senator from Androscoggin, Senator Timberlake.

Senator **TIMBERLAKE**: Thank you, Mr. President, Ladies and Gentlemen of the Senate. Again, it's such an honor to stand here before you today. Jace Nagley, who, for those of you who don't know, is about 6-foot-3 and weighs about 280 pounds, and was a two-way starter for Leavitt. And if you ever watched any of his games, if you were on the offense, you hated coming to the line because he was gonna meet you. And when he met you, you'd know you'd been met because he didn't just shake your hand when he got there, he usually took you down and he was done a super job and was so impressive to watch him play all year long and watch him in the state game, you know, deflect the first punt attempt in the state championship. It's with great honor I get to present this sentiment to Jace. And just so you know, he's going to the University of Maine this year, to hopefully play football for them, so.

The Joint Order was **PASSED**.

Sent down for concurrence.

THE PRESIDENT: The Chair is very pleased to recognize Jace Negley of the town of Greene. Would he please rise and accept the greetings of the Maine Senate.

Noah Carpenter, of Greene, a senior and a football player at Leavitt Area High School, who has been awarded the James F. Fitzpatrick Trophy. The Fitzpatrick Trophy is given to the top senior high school football player in the State based on voting by the State's coaches and the media. We extend our congratulations and best wishes;
SLS 1386

Sponsored by Senator TIMBERLAKE of Androscoggin.
Cosponsored by Representatives: MORRIS of Turner, WOOD of Greene.

The **PRESIDENT**: The Chair recognizes the Senator from Androscoggin, Senator Timberlake.

Senator **TIMBERLAKE**: Thank you, Mr. President, and Ladies and Gentlemen of the Senate. I promise this will be the last time I stand today, maybe. But, you know, when you have so much winning, you don't know where to stop, so. It's my honor right now to recognize Noah Carpenter, who Noah's kind of special in a lot of our minds because his grandfather worked for us over the years and ran his own businesses and was a great man and would be so proud of him today. Noah, just so you know, in his career at Leavitt, had a 29-1 record as a quarterback for Leavitt. He rushed for 1,351 yards, 23 touchdowns, and 121 carries, and completed 90 of 142 passes this year, 63%, for 1,801 yards and 21 touchdowns, made 32 of 35 point after kicks and scored 15 two-point conversions from strong safety, he made 110 tackles and with five interceptions and four forced fumbles, and he was also the punter and was impressive to watch. It's with great honor, Mr. President, I get to present this sentiment to Noah, and Noah is also going to the University of Maine this year. So, it's with great honor, Mr. President.

READ and PASSED.

Sent down for concurrence.

THE PRESIDENT: The Chair is very pleased to recognize Noah Carpenter of the town of Greene. Would he please rise and accept the greetings of the Maine Senate.

Emergency Resolve

Resolve, to Ensure That the Independent Commission to Investigate the Facts of the Tragedy in Lewiston Has Necessary Authority to Discharge Its Fact-finding Mission
H.P. 1405 L.D. 2192
(C "A" H-740)

The **PRESIDENT**: The Chair recognizes the Senator from Cumberland, Senator Carney.

Senator **CARNEY**: Thank you, Mr. President. President Jackson and Esteemed Colleagues of the Senate, I rise today in support of the pending motion, Ought to Pass as Amended, on -- excuse me, the enactment on LD 2192. The independent commission to investigate facts of the tragedy in Lewiston was formed so that families, friends, the Lewiston community, and our state as a whole, can know in detail what led to the mass shooting in Lewiston. The commission's role is strictly fact finding. Those facts will inform future policy making to be undertaken by the Maine Legislature. We can advance knowledge and understanding today by voting in favor of this legislation. The resolve as proposed would give the commission power to subpoena witnesses, take testimony from those witnesses in executive session when necessary, and determine whether witness testimony taken pursuant to a subpoena and executive session would become publicly available. The proposed

amendment provides additional clarity about how the independent commission would exercise its discretionary power and, in particular, the discretionary authority related to the public access to this information. Subpoena power is urgently needed so that this independent commission can gather all available information as soon as possible and before memories fade. I urge you to vote in favor of enactment of this legislation. It's important to Mainers throughout our state, and especially those in Lewiston. Thank you.

The **PRESIDENT**: The Chair recognizes the Senator from Aroostook, Senator Stewart.

Senator **STEWART**: Thank you, Mr. President, Ladies and Gentlemen of the Senate. I wasn't originally intending to say anything, but I wanted to just echo the remarks of my colleague from Cumberland and to say thank you to the folks who are putting a lot of time and effort into this fact-finding mission that the commission is on here to uncover what went wrong, what led up to the very tragic events in Lewiston that are all still fresh in our minds. And I want to thank the committee members who took the time to work this bill into the final product that it is, I think it's a testament to the true legislative process and a good outcome of what can happen when folks are willing to collaborate and sort of put their partisan swords away and come up with what the best approach is to answering a question and solving a problem. And in this case, it's an incredibly new approach, new thing that we're doing here in the legislature. Obviously, the circumstances demand as much. And so, I appreciate all the work that's gone into it, and my colleague from Androscoggin who is the Republican lead on the committee unfortunately isn't here today, but I just want to credit the work that he and my colleague to my right did in that -- in that work session to get to this final outcome that is unanimous and does underscore a good piece of legislation, I think, that'll lend to an effort that is incredibly important for us as Mainers to uncover. So, with that, I encourage everybody here today to support this bill and look forward to reading the results and learning more about this, the good work that the commission is doing on my own. Thank you, Mr. President.

The Chair noted the absence of the Senator from Hancock, Senator **GROHOSKI**, and further excused the same Senator from today's Roll Call votes.

This being an Emergency Measure and having received the affirmative vote of 31 Members of the Senate, with no Senators having voted in the negative, and 31 being more than two-thirds of the entire elected Membership of the Senate, was **FINALLY PASSED** and, having been signed by the President, was presented by the Secretary to the Governor for approval.

All matters thus acted upon were ordered sent down forthwith for concurrence.

Off Record Remarks

The **PRESIDENT**: The Chair recognizes the Senator from Cumberland, Senator Duson.

Senator **DUSON**: Thank you. The focus of today's spotlight in black history is Frederick Douglass. Mr. Douglass, born in 1817, and died in 1895, was born a slave in Maryland. He escaped to the north in 1838 and settled in Massachusetts with his family. In 1841, he attended a convention of the Massachusetts anti-slavery society, and soon after, embarked on a path which led him to become a leading figure in the anti-slavery movement. Indeed, Frederick Douglass became one of the foremost abolitionist thought leaders of the 1800s. Mr. Douglass traveled extensively on speaking tours promoting the abolition of slavery, including throughout New England, with stops here in Maine. Historical records at Colby College document a speaking engagement in Waterville. He also spoke at Bates College and the archives at the Maine Historical Society include a photograph and documentation of his presence and speeches in Portland. After the publish of his autobiography, the Narrative of the Life of Frederick Douglass, an American Slave, in 1845, and becoming fearful of possible re-enslavement, he traveled to England, and stayed there for two years, lecturing in support of the anti-slavery movement in America. With help from Quaker movement friends and supporters, Mr. Douglass raised enough money to buy his own freedom, and in 1847, he returned to America as a free man. Later settling in Rochester, New York, he published the Northern Star, an abolitionist newspaper. He and his family were part of the local Underground Railroad, helping smuggle escaped slaves through Maine, into Canada, and he worked to end racial segregation in Rochester's public schools. Frederick Douglass is especially recognized as an important historical figure in my family. My father and brother, Frederick Douglass Duson, Sr. and Jr., were named for this incredible orator, writer, tireless advocate for emancipation of the enslaved, and champion of suffrage for blacks and women. Mr. Douglass's own biographical writings and speeches, together with many, many well-researched books and articles, convey his rich legacy as an important figure in black history, whose life included connections to our beloved state. I give full attribution to these many resources as the fountain from which today's spotlight is drawn. I hope to have offered just enough to inspire your further exploration. This Friday, the Senator from Kennebec, Senator Hickman, and I, along with members of the other body, will be traveling to Boston to participate in the first annual New England Summit in honor of Black History Month. One of the highlights of that gathering will be a new bust of Frederick Douglass recently unveiled in the Senate Chamber at the Massachusetts State House. I've requested distribution of the newspaper article announcing the arrival of this new sculpture, and it is at your seat today. Thank you for listening, and thank you, Mr. President.

The **PRESIDENT**: The Chair recognizes the Senator from Penobscot, Senator Guerin.

Senator **GUERIN**: With tomorrow being Valentine's Day, the celebration of love, I wanted to share a bible verse related to love. It is from I John 4:19: We love because he first loved us.

Off Record Remarks

The **PRESIDENT**: The Chair recognizes the Senator from York, Senator Bailey.

Senator **BAILEY**: Thank you. As many of you may have heard, last Friday in Saco, we had a very concerning incident involving a shooting and a chase and a car accident. And although the incident itself and what happened is not a usual event in the city of Saco, what was usual was the community's response to that event. And I just wanted to take the opportunity to thank those involved in the community, in particular the Saco schools and their reaction in keeping our students safe during that time period. I wanted to thank the Saco Police Department, our Chief of Police, Jack Clements, and all of the law enforcement agencies that came to assist. They were -- we got assistance from neighboring towns, from the York County Sheriff's Office, from the Federal Marshals office, and I wanted to publicly thank them. And I wanted to thank our community and our community members again for coming together and ensuring that our students remained safe, that they were -- got home safely that day, that they worked together sharing videos, sharing pictures. In particular, I was just so impressed with one of the vehicles involved in the aftermath and the accident was a school bus and some of those students on the school bus actually took pictures with their cellphones that they shared with police, and it really helped the police in their investigation, so I wanted to publicly thank them. Thank you, Mr. President.
