

**STATE OF MAINE  
ONE HUNDRED AND TWENTY-NINTH LEGISLATURE  
SECOND REGULAR SESSION  
JOURNAL OF THE SENATE**

In Senate Chamber  
Thursday  
February 13, 2020

Ordered, the House concurring, that when the Senate and House adjourn, they do so until Tuesday, February 18, 2020 at 10:00 in the Morning.

**READ and PASSED.**

Ordered sent down forthwith for concurrence.

Senate called to order by President Troy D. Jackson of Aroostook County.

Prayer by Pastor Glenn Peterson of Hope Baptist Church in Manchester.

**PASTOR PETERSON:** Let us pray. Our Father in Heaven, we look forward to Valentine's Day tomorrow and it's a reminder of the importance of love. All of us could use more love in our lives because what we see in this world is so much anger. There is anger on our roads. There is anger on our TV sets and on our computers and on our phones. There is anger at our jobs. Yes, I am sure there is even anger here at this beautiful State House. What we need then, God, is Your grace. We need what the hymn writer called amazing grace. Thank You that You are a God of such grace. This undeserved gift of love and forgiveness. We are prone to hurt others. We are prone to anger. We are prone to sin. But we thank You, God, that You are quicker at forgiving than we are at sinning and so we ask, God, that You would help us today with our anger. Help us to see that we need Your grace and forgiveness just as much as other people do. Help us to see on this February Thursday that we both need and have Your grace and when we get angry today remind us of this amazing grace of Jesus, who taught us to turn the other cheek when we are slapped. Thank You for showing us the way to overcome the world's anger. Now we pray that You will give us the power today to live according to that way. In Your great name we pray. Amen.

Pledge of Allegiance led by Senator Jeffrey L. Timberlake of Androscoggin County.

Reading of the Journal of Tuesday, February 11, 2020.

Honorable Troy Jackson  
President of the Senate  
3 State House Station  
Augusta, ME 04333

Honorable Sara Gideon  
Speaker of the House  
2 State House Station  
Augusta, ME 04333

Dear Senate President Jackson and Speaker Gideon:

Pursuant to 5 M.R.S.A., Section 12023, please consider this the letter of transmittal for the required Quasi-Independent State Entity Review Report from the University of Maine System due by February 1, 2020.

The UMS has an estimated \$1.5 billion annual total statewide economic impact and increasingly is investing in Maine's economy, with \$54.7 million in goods and services purchased from businesses that are based in Maine or that employ Mainers in FY19.

While competitive procurement is the UMS standard, as provided in State law and corresponding System policy, there are legitimate reasons for waiving competitive procurement in some circumstances. For example, a majority of the expenses for which waivers from our competitive procurement process were granted in FY19 involved the purchase of goods and services that were specifically named in a federal research grant and that were not funded with State dollars. Overall, the value of UMS procurements for which waivers from the competitive process were granted was down 3.75 percent in FY19 from the fiscal year prior.

In an effort to increase transparency and public accountability, the UMS sole source report now includes a description of each relevant transaction and our Board of Trustees reviews this report prior to its submission to the Legislature.

Sincerely,

S/Dannel P. Malloy, Chancellor  
University of Maine System

(H "A" H-666)

On motion by Senator **TIMBERLAKE** of Androscoggin, supported by a Division of one-fifth of the members present and voting, a Roll Call was ordered.

**THE PRESIDENT:** The Chair recognizes the Senator from Oxford, Senator Keim.

Senator **KEIM:** Thank you, Mr. President. Just briefly to explain, we did vote on this last year as well and the Human Rights Commission very frequently comes in front of the Judiciary Committee to tell us that they do not have enough personnel to handle all of the work that they currently have. So I believe it's disingenuous for us to add more work to them and then have there be no fiscal note and say that they can do it within existing resources because, as you can see from the title, this is to investigate and report. What we would be tasking them to do is gather information regarding discrimination based on homelessness and then produce a report, yet we have given them no resources in which to do so and it is simply to be added onto the work they already have. So that is the reason for my vote against this today and I urge you to follow my light.

**THE PRESIDENT:** The Chair recognizes the Senator from Aroostook, Senator Carpenter.

Senator **CARPENTER:** Thank you, Mr. President. I understand what the good Senator from Oxford is saying in terms of resources. However, this was a project that the Human Rights Commission indicated to us that they would be willing to do and able to do within existing resources. Thank you.

**THE PRESIDENT:** The pending question before the Senate is Final Passage. Is the Senate ready for the question?

**THE PRESIDENT:** The Chair recognizes the Senator from Kennebec, Senator Bellows.

Senator **BELLOWS:** Thank you, Mr. President. Ladies and gentlemen of the Senate, I rise in support of the pending motion and this Joint Resolution honoring the League of Women Voters of Maine. One hundred years ago tomorrow the League of Women Voters was first formed and in those 100 years the League of Women Voters has been at the forefront of voting rights, not just for women but for all Americans. At its Naturalization Ceremony earlier this year where immigrants became citizens in my district the League of Women Voters was there to register those new Americans to vote and that is something that they do all across Maine and all across this country. In the Veterans and Legal Affairs Committee the League of Women Voters is a strong voice in the public interest for democracy reforms, for voting rights, for clean elections, for public financing, all those things that make our campaigns more representative of the people. The League of Women Voters has been at the forefront of issue campaigns like same day voter

registration. Maine has one of the highest rates of voter participation in the nation, ranking number one or number two in virtually every election in recent memory and that is, in part, because of the good work of the League of Women Voters to expand voter participation. We are so grateful today to the League of Women Voters, to all of their members, for their tireless public service in the interest of all Mainers, and their non-partisan work that they do with integrity and a sense of service and commitment and have been doing for over 100 years. So please join me in recognizing the League of Women Voters.

**THE PRESIDENT:** The Chair recognizes the Senator from Cumberland, Senator Millett.

Senator **MILLETT:** Thank you, Mr. President. I rise in support of this Resolution. Very briefly, I just want to say I have very fond memories of my mother bringing me to meetings back in the '70s with the League as she volunteered in all of their amazing work and I know that I rely very heavily today on their fantastic non-partisan voting guide. It's an incredible resource for Maine voters and I'm very grateful for their work around that and all that they do to help protect democracy here in our state and across the nation. So, again, it's a great honor to be able to stand and join in recognizing the League of Women Voters today.

The Joint Resolution was **ADOPTED**, in concurrence.
