JOURNAL OF THE SENATE**

In Senate Chamber  
Wednesday  
February 6, 2008

Senate called to order by President Beth Edmonds of  
Cumberland County.

---

Prayer by Leslie Manning of Durham Friends Meeting.

**MS. MANNING:** Good morning, friends. Be still and know that I am God. Creator and Sustainer of Life, give us the wisdom of Deborah, the faithfulness of Ruth, the courage of Esther, and the compassion of Mary. Let us do Your work in the world. Let us exalt the humble, cherish the needy, sustain the righteous, and establish justice on this earth. Let us recognize that of You in each other. Let us remember that we were given two ears and only one mouth and open and loving hearts as well as keen and curious minds. Encourage us as we speak truth to power. We are grateful for the opportunity to serve You and to bring light out of the darkness and hold it in our hearts. Amen.

Expression of Legislative Sentiment recognizing:

Samuel Kevin Maroon, of China, of Boy Scout Troop #479, who has earned the high rank and distinction of Eagle Scout, the highest award in Boy Scouting. This award is given in recognition of excellence in skills development, leadership, personal growth and community service. We extend our congratulations and best wishes to Samuel on his accomplishment;

**THE PRESIDENT:** The Chair recognizes the Senator from Kennebec, Senator Mitchell.

Senator **MITCHELL:** Thank you, Madame President and colleagues in the Senate. There is something extraordinary about China and it's not just the lake. I think you all know that only 2% of Boy Scouts attain the high rank of Eagle and I believe that China, Maine has a higher percentage of that 2% than any other town in the state of Maine or in the country. I'm so pleased to have with us this morning a young man from China, Maine who has attained that high rank. His name, as you heard earlier, is Samuel Maroon and he is here with his parents and I know you will join me in congratulating him on his extraordinary achievement.

**PASSED.**

Sent down for concurrence.

**THE PRESIDENT:** The Chair is pleased to recognize in the rear of the Chamber Samuel Kevin Maroon of China and his family. Would he please rise and accept the greetings of the Maine Senate.

S.P. 845

**JOINT RESOLUTION MEMORIALIZING  
THE MEMBERS OF THE UNITED STATES CONGRESS  
TO ACT IN THE BEST INTERESTS OF MAINE CITIZENS  
CONCERNING MEDICAID CHANGES**

WE, your Memorialists, the Members of the One Hundred and Twenty-third Legislature of the State of Maine now assembled in the Second Regular Session, most respectfully present and petition the United States Congress as follows:

WHEREAS, the federal Department of Health and Human Services, Centers for Medicare and Medicaid Services has released a set of changes to Medicaid service reimbursements

that would eliminate or reduce federal reimbursements for certain targeted case management, rehabilitation, hospital outpatient, administrative and transportation services and prohibit the opportunity for private services to earn federal matching funds; and

WHEREAS, the reductions in reimbursements will be catastrophic for our social safety net, for the mentally ill, for those who are aged and for children with special education needs; and

WHEREAS, the State and the Nation are facing challenging economic times and making difficult budgeting decisions due to a struggling economy; and

WHEREAS, the changes serve as an immediate \$45 million cut in funds to the State to provide services at a time when Maine is already facing at least a \$95 million shortfall in the state budget, and Maine property taxpayers will have to shoulder the burden of increased local costs to provide the services that will no longer be paid for by the Federal Government; and

WHEREAS, the Medicaid changes were issued with an extremely short timeline for states and local communities to adjust to the lost revenue and determine how to deliver the federally mandated services through their own budgets; and

WHEREAS, the changes will have a crippling effect of more than \$140 million to the very necessary health care service industry, which employs thousands of people in the State and provides crucial services to Medicaid recipients; and

WHEREAS, the cuts will have a severely negative economic impact on our local communities, our State and our Nation at a time when President George W. Bush is talking about the need for economic stimulus to keep our country out of a recession; and

WHEREAS, the policy decisions that were made to institute these changes seem to be short-sighted and will have a negative impact on the health, safety and economic potential of not only the State of Maine, but of the Nation; now, therefore, be it

RESOLVED: That We, your Memorialists, respectfully urge and request that the elected members of the United States House of Representatives and Senate defend the vulnerable citizens, children, seniors, service providers and taxpayers of Maine and the United States by working to withdraw these harmful changes before they go into effect; and be it further

RESOLVED: That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the President of the United States Senate, to the Speaker of the United States House of Representatives and to each Member of the Maine Congressional Delegation.

**READ.**

**THE PRESIDENT:** The Chair recognizes the Senator from Androscoggin, Senator Rotundo.

Senator **ROTUNDO:** Thank you, Madame President, men and women of the Senate. I hope you will join me in supporting this Joint Resolution. It's imperative that we send a strong message

to Congress to urge them to act quickly to revert any harm that could be done to the families of Maine if these Medicaid rules go forward as planned. This is not a partisan issue. The State has been maximizing federal dollars under Governor McKernan, Governor King, and Governor Baldacci. We've actually been doing this at the urging of the federal government and the federal government has been a partner with us and all of the waivers we've requested of them have been approved by them. We need Congress to act quickly because this is about keeping Maine families and communities strong. This is about helping to keep our elderly in their homes and out of institutions. It's about giving a healthy start to pre-school children in Head Start. It's about providing the occupational therapy, physical therapy, and speech therapy that are necessary for children with special needs to be able to access appropriate education. This is about taking care of our neighbors, which is a tradition that we are all very proud of in Maine. I sincerely hope you will join me in supporting this Joint Resolution. Thank you.

**THE PRESIDENT:** The Chair recognizes the Senator from Washington, Senator Raye.

Senator **RAYE:** Thank you, Madame President. I just wanted to rise to join my colleague from Androscoggin in urging support for the pending motion. As the Senator has stated, this is a bi-partisan issue and a bi-partisan effort. The concerns are real and they are grave. Our own delegation, in fact, is united in a bi-partisan fashion in support of an effort to slow down this train. In fact, I believe that the bill in the United States Senate has been offered by Senator Coleman, a Republican from Minnesota. I just wanted to emphasize to all of my colleagues that this is something where we do stand together no matter which side of the aisle we're on in trying to make sure that all of this is handled in a thoughtful manner.
