Joint Resolution

(1-14) The following Joint Resolution:

H.P. 1120

JOINT RESOLUTION MEMORIALIZING THE UNITED STATES CONGRESS TO NEGOTIATE TRADE AGREEMENTS WITH THE EUROPEAN UNION TO KEEP MAINE AND DOMESTIC LOBSTER AND SEAFOOD PRODUCTS COMPETITIVE WITH CANADIAN LOBSTER AND SEAFOOD PRODUCTS

WE, your Memorialists, the Members of the One Hundred and Twenty-eighth Legislature of the State of Maine now assembled in the First Regular Session, most respectfully present and petition the United States Congress as follows:

WHEREAS, the value of marine resources commercially harvested in Maine exceeded \$700 million in 2016, and the value of lobster harvested in Maine accounts for over \$533 million of that amount; and

WHEREAS, total exports from Maine to the European Union exceeded \$503 million in 2016; and

WHEREAS, exports from Maine of lobster to the European Union totaled approximately \$158 million, or approximately 80% of all lobster exported from the United States to the European Union, in 2016; and

WHEREAS, the European Union is the largest global fish and seafood market in the world; and

WHEREAS, Maine and Canada share the same lobster species and compete for market share in the European Union and around the world; and

WHEREAS, the European Union imposes tariffs on fish and seafood products that range from 2% on certain types of salmon to 20% on processed lobster imported from both the United States and Canada; and

WHEREAS, the Comprehensive Economic and Trade Agreement, or CETA, is a free trade agreement between Canada and the European Union that will reduce tariffs on fish and seafood products exported from Canada to the European Union; and

WHEREAS, CETA will go into effect on the first day of the month following the date the European Union and Canada notify each other that each has completed all necessary procedures for implementation; and

WHEREAS, when CETA takes effect, the 8% tariff on live lobster exports from Canada to the European Union will be immediately eliminated, the 6% to 16% tariff on frozen lobster exports from Canada to the European Union will be eliminated over 3 years and the 20% tariff on processed lobster exports from Canada to the European Union will be eliminated over 5 years; and

WHEREAS, while tariffs on lobster and seafood products exported from Canada to the European Union are being eliminated, tariffs on Maine and other domestic lobster and seafood products exported to the European Union will remain; and

WHEREAS, the elimination of tariffs on Canadian lobster and seafood products will increase trade between Canada and the European Union, resulting in economic injury to Maine and other domestic lobster and seafood harvesters and processors; and

WHEREAS, the impact of CETA on Maine lobster harvesters, who landed over 130 million pounds of lobster in 2016, should be minimized; and

WHEREAS, the impact of CETA on Maine lobster dealers, who support 675 jobs and paid \$28.4 million in wages in 2016, should be minimized; and

WHEREAS, under the United States Constitution, Article I, the Congress of the United States has the power to regulate commerce with foreign nations; now, therefore, be it

RESOLVED: That We, your Memorialists, on behalf of the people we represent, take this opportunity to respectfully request that the United States Congress, under the provisions of Article I of the United States Constitution, negotiate trade agreements with the European Union that will reduce tariffs on Maine and domestic lobster and seafood products, or otherwise mitigate the effects of CETA, to ensure that historical, lucrative industries are not damaged by the economic disadvantage that will result from CETA unless these negotiations are undertaken; and be it further

RESOLVED: That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the President of the United States Senate, to the Speaker of the United States House of Representatives and to each Member of the Maine Congressional Delegation.

Comes from the House, **READ** and **ADOPTED** as Amended.

OFFICE OF THE GOVERNOR
AUGUSTA, MAINE**

12 June 2017

The 128th Legislature of the State of Maine
State House
Augusta, ME

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 412, "Resolve, To Direct the Development of After-school Programs."

This bill represents a classic bait-and-switch approach to legislation. The sponsor originally introduced a bill that would restore emphasis on home economics and industrial arts in our public schools. For all the money we spend on public education in Maine, I understand why supporters of the bill were interested in making sure Maine students develop life skills that enable them to be productive members of their households and the workforce.

During the legislative process, the bill was amended to direct the Department of Education to work with a specific nonprofit organization, which was designated in statute. The legislature did not fund this working group, creating an unfunded mandate for the Department.

Further, the workgroup is charged with designing and developing afterschool programs that the legislature can require schools to implement as part of the growing list of unfunded mandates, or they can come back to the public trough for more state funding for afterschool programs. However, these programs are only necessary because the legislature failed to ensure our public schools are using the school day to provide young Mainers with the skills they need to be effective in life.

Instead of solving a problem, this bill creates an unfunded workgroup that will leave even more problems unsolved.

For these reasons, I return LD 412 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

S/Paul R. LePage
Governor

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 983, "An Act To Increase Efficiency in the Enforcement of Restitution and Bail Orders."

This bill tasks the Executive Branch with additional duties, but does not appropriate any additional funding that will be necessary to carry the proposed law into effect. In the case of this bill, the State Tax Assessor would be required to help enforce forfeiture orders. This new initiative would take time and money to implement.

I have said it before, and I will likely have to say it again: if the Legislature wants to mandate that the Executive Branch undertake more work, then the Legislature must appropriate the financial resources necessary to accomplish that work. This bill fails to live up to that simple rule of good government.

For this reason, I return LD 983 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

S/Paul R. LePage
