Honorable Michael D. Thibodeau  
President of the Senate  
3 State House Station  
Augusta, ME 04333-0002

Dear Speaker Gideon and President Thibodeau:

I am pleased to submit on behalf of the Board of Trustees of the Maine Community College System (MCCS) the attached report on certain procurements, contributions, and policy changes for the period July 1, 2016 through June 30, 2017 as required by 5 M.R.S.A. § 12023.

To report the information required by §12023, MCCS developed a customized reporting feature in the business management module of our information systems for each of the seven colleges and the System Office, and then fed that module with data from the purchase order, cash disbursement, and credit card systems. Combined, the seven colleges and the MCCS System Office make tens of thousands of purchases and expenditures each year. While the task of reporting on these transactions is complex, our review indicates that the colleges' compliance with existing policies is extremely high, and expenditures are consistently mission related. In those few areas where we have identified need for improvement, refinements have been made or are under way.

MCCS will continue to use its internal controls and annual outside audit to adapt its systems to changing needs, and our Board of Trustees will continue its own ongoing attention to these matters at its regular meetings.

If you have any questions, please do not hesitate to contact me. Thank you.

Sincerely yours,

S/Derek P. Langhauser  
President

Augusta, ME 04333

Dear Senator Thibodeau and Speaker Gideon:

Pursuant to MRSA Title 5, section 12023, the Sunrise County Economic Council (SCEC) is pleased to submit the Quasi-independent State Entity Report to the Legislature on behalf of the Washington County Development Authority (WCDA).

SCEC is a private, nonprofit, federally recognized economic development organization which works to create jobs and wealth in Washington County. We provide staff support for the WCDA and are partnering with the Authority in its effort to redevelop the former U.S. Navy base in Cutler.

As indicated in the enclosed report, the WCDA did not make any significant procurements, contributions or changes to policies and procedures in the past year. In March 2015, the Authority was given the commercial side of the former base by Cutler North, LLC, a private developer that had failed in its redevelopment effort. The WCDA now owns roughly 20 acres and five commercial buildings comprising 75,000 square feet. The Authority is working to bring these facilities back into productive use.

Please contact me with any questions or concerns. Thank you.

Sincerely,

S/Charles J. Rudelitch, Esq.  
Executive Director
