The Honorable Michael D. Thibodeau
President of the Senate

The Honorable Sara Gideon
Speaker of the House of Representatives

128th Legislature
State House
Augusta, ME 043333

Dear President Thibodeau and Speaker Gideon:

Pursuant to the State Government Evaluation Act (GEA), Title 3 of the Maine Revised Statutes, chapter 35, we are pleased to submit the findings of the Joint Standing Committee on Energy, Utilities and Technology (Committee) resulting from its review and evaluation of the Telecommunications Relay Service Advisory Council (Council).

As a result of our review, the Committee generally found that the Council is operating within its statutory authority. However, recognizing that due to the very specific nature of the Council and the sometimes limited universe of vendors for specific purposes, the Committee has voted to report out legislation pursuant to 3 MRSA §955(4), in order to consider implementation of the following statutory changes relating to the administration of the Council that the Council proposed in its report to the Committee. Specifically the legislation would do the following.

1. Changes the name of the Telecommunications Relay Services Advisory Council to the Telecommunications Relay Services Council.
2. Establishes the Telecommunications Relay Services Council Fund.
3. Allows members and individuals to be reimbursed for costs associated with the participation in conferences related to the telecommunications relay services and assistive telecommunications devices or technology.
4. Removes the requirement that the Public Utilities Commission provide technical assistance to the Council.
5. Allows the Council to pay costs associated with scheduled meetings.
6. Explicitly defines duties of the Council to include the ability to contract for intrastate telecommunications relay services and outreach services, to organize and fund projects to assist with promoting the use of telecommunications relay services, and to develop, administer and fund pilot projects to provide access to telecommunications relay services.
7. Changes the funding of the Council to require that the Council develop a yearly budget not to exceed \$600,000 instead of requiring that the Public Utilities Commission determine the funding level for the Council.
8. Requires that the requested budget amount be transferred by the commission into the Telecommunications Relay Services Council Fund.

It is our Committee's intent that this legislation be referred back to the Committee for a public hearing, work session(s) and a Committee vote before it is considered by the full Legislature.

Sincerely,

The 128th Legislature of the State of Maine
State House
Augusta, ME

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 1030, "An Act To Require Health Insurance Coverage for Covered Services Provided by Naturopathic Doctors."

This bill mandates that health insurance carriers in Maine include naturopathic doctors in their networks. Maine law has traditionally provided latitude to carriers to determine the providers for their networks subject to statutory network adequacy requirements. In practice, this bill would restrict their ability to construct provider networks to deliver quality and cost-effective services. If this bill passes, naturopaths will have no incentive to join insurance networks to perform their services as primary care physicians.

For these reasons, I return LD 1030 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

S/Paul R. LePage
