OFFICE OF THE GOVERNOR
AUGUSTA, MAINE**

6 April 2018

The 128th Legislature of the State of Maine
State House
Augusta, ME

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 389, "An Act To Promote Access to Financial Institutions by Entities That Are Authorized under State Law."

This bill would allow a credit union organized under the laws of the State of Maine to obtain private share insurance in lieu of share insurance provided by the National Credit Union Administration (NCUA). The intent of the bill is to expand the availability of financial services for marijuana-related businesses and their employees.

When I took the oath of office as Maine's Governor, I swore to uphold the Constitution of the United States and the Constitution of the State of Maine. Marijuana remains illegal under federal law and I cannot in good conscience support this bill because it would serve to facilitate illegal activity.

It has not become easier for financial institutions to work with marijuana businesses. The current U.S. Attorney General recently rescinded Obama-era guidance that provided financial institutions some protection from prosecution when offering marijuana-related accounts. A privately-insured marijuana credit union would operate under this threat of federal criminal prosecution. This is an inappropriate level of risk for a state-chartered financial institution. Federal prosecution of the credit union, or its members, could end with the failure of the institution.

Currently, Maine credit unions with NCUA insurance are co-regulated by state and federal authorities, who examine credit unions for safety and soundness and compliance with applicable laws. The NCUA has strong and tested federal liquidation authority to protect credit union members in the event of a credit union failure, which would not be available to members with a privately insured credit union.

Further, there is no guarantee that a credit union with private share insurance would be able to operate in Maine. Credit unions need a Master Account at the Federal Reserve Bank in order to gain access to the federal payments system. Without access to a Master Account, a financial institution is unable to conduct the business of banking. A marijuana-focused credit union organized in Colorado attempted to gain access to the federal payments system two years ago, only to be denied a Master Account on the grounds that its plans to handle marijuana proceeds would violate federal law. It was only after the credit union changed its business model to exclude deposits from marijuana growers and retailers that it was allowed access to a Master Account. LD 389 is unlikely to solve the problem marijuana businesses have in accessing financial services. It is clear that a true solution to the problem resides with the federal government.

For these reasons, I return LD 389 unsigned and vetoed. I strongly urge the Legislature to sustain this veto.

Sincerely,

S/Paul R. LePage
Governor

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 1279 "An Act to Ensure Patient Protections in the Health Insurance Laws."

Once again, the Legislature is second-guessing the federal government by passing this bill to embed provisions of the Affordable Care Act that it favors in Maine law. However, as long as the ACA is still the law of the land, this bill has no practical effect. I will not sign a bill into law based on speculation. The unintended consequences could be as disastrous to Maine as the ACA has been at the federal level. Moreover, I see no fiscal analysis to indicate the true cost of the bill if it were to go into effect in the absence of the ACA.

Without knowing what economic and federal regulatory conditions will drive health policy in the future, I will not limit the discretion of policy makers.

For these reasons, I return LD 1279 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 1735, "An Act To Authorize Regional Medical Control Committees to Have Access to Maine Emergency Medical Services Data for Purposes of Quality Improvement."

Under current law, data collected by Maine Emergency Medical Services allows identifying information of persons receiving emergency medical treatment to be released for purposes of research, public health surveillance and linkage with patient electronic medical records. Prior to any release of data, the Director of Emergency Medical Services, the Medical Direction and Practices Board, and the Emergency Medical Services Board must review the data and approve the release of the data. These are essential safeguards to prevent the release of confidential patient information from entering the public domain.

This bill strips away the three-step approval process under current law. Maine Emergency Medical Services would have no way of ensuring that protected, private, patient information would continue to be protected and private. I am very concerned that without adequate safeguards, confidential patient information will be released into the public domain.

For these reasons, I return LD 1735 unsigned and vetoed. I strongly urge the Legislature to sustain it.

Sincerely,

Dear Honorable Members of the 128th Legislature:

Under the authority vested in me by Article IV, Part Third, Section 2 of the Constitution of the State of Maine, I am hereby vetoing LD 1656, "An Act To Allow Free Admission to the Maine State Museum."

I veto this bill not because I disagree with its goal, but because legislation is not necessary. At the public hearing on the bill, the Director of the State Museum acknowledged that he already has the authority to waive admission for veterans' entry to the Museum but is simply choosing not to do so. I believe he has made the wrong decision and I encourage the Board of the State Museum to review that decision. However, it is the purview of that Board to determine whether or not that can be accomplished with truly no cost to the Museum or the state as this bill has represented by containing no appropriation. I do not believe the Legislature should get into the habit of micromanaging every policy or minor decision of the Museum or other quasi-governmental entities without including funds for lost revenues.

Further, I find it hard to reconcile that the State Museum regularly advocates for more funding to grow its collection, expand and upgrade storage and launch new programming but suddenly the Museum represents that it can absorb incremental costs with no problem.

The Museum ought to waive entrance fees for veterans who have served this country because it is the right thing to do to honor our nation's heroes. They have that authority already and I believe they should do it without the Legislature intervening.

For these reasons, I return LD 1656 unsigned and vetoed. I strongly urge the Legislature to sustain it.
