Re: *2020/2021 Attorney General Report to the Legislature
Under the Petroleum Market Share Act*

Dear President Jackson, Speaker Talbot Ross, Senator Lawrence, and Representative Zeigler:

I am pleased to submit this report in accordance with the Petroleum Market Share Act (PMSA), 10 M.R.S.A. § 1677. The PMSA requires the Attorney General to make a report to the Legislature describing the concentration of retail outlets in the State, including a recommendation as to whether additional legislation is needed to further limit or curtail the activity of refiners operating retail outlets.

Enclosed is a report describing concentration of retail outlets in the State. The report, which is based on data collected from wholesalers of both motor fuel oil and home heating oil, includes maps depicting relative concentration in designated markets throughout the State. This report is also available on the Attorney General's website: [Office of the Maine AG: Consumer Protection: Antitrust](#).

Because no refiners of petroleum products operate retail outlets in this State, we recommend no legislation to limit or curtail such operations.

Sincerely,

S/Aaron M. Frey
Attorney General
