Dear Speaker Fecteau and President Jackson:

On behalf of the Board of Trustees of the Maine Community College System (MCCS), I respectfully submit the attached report on certain procurements, contributions, and policy changes for the period July 1, 2019 through June 30, 2020 as required by 5 M.R.S.A. § 12023.

To compile this report, MCCS used customized reporting features built into our business management systems. We then tested the validity of those reports and reviewed several transactions with college personnel. Combined, the seven colleges and the MCCS System Office make thousands of purchases each year.

While reporting is complex, our review indicates that the colleges' compliance with existing policies is extremely high, and expenditures are consistently mission-related. In those few areas where we have identified opportunities for improvement, refinements have been made or are under-way.

MCCS will continue to use its internal controls and annual outside audit to adapt its systems to changing needs, and our Board of Trustees will continue to monitor compliance through regular reporting and an ongoing dialogue with auditors.

If you have any questions, please do not hesitate to contact me. Thank you.

Sincerely yours,
